The purpose of this memorandum is to notify all interested parties that the initial version of the San Joaquin County Emergency Medical Services Agency (SJCEMSA) 2021 Annual Report had a typographical error on page 1. The initial version stated ambulance transport volume increased 9% in 2021. The correct figure is 5.1% and has been updated to reflect this revision. The revised version may be viewed on the [SJCEMSA website](#).
