STATE OF CALIFORNIA

LABOR AND WORKFORCE DEVELOPMENT AGENCY

EMPLOYMENT DEVELOPMENT DEPARTMENT

*This pamphlet is for general information only,
and does not have the force and effect of the law,
rule or regulation.*

The EDD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Requests for services, aids, and/or alternate formats need to be made by calling DI at 1-866-490-8879. TTY users, please call the California Relay Service at 711.

DISABILITY INSURANCE PROVISIONS

Disability is an illness or injury, either physical or mental, which prevents customary work. Disability includes elective surgery, pregnancy, childbirth, or related medical conditions.

Disability Insurance (DI) is a component of the State Disability Insurance (SDI) program, designed to partially replace wages lost due to a non-work-related disability (see "Other Programs," for job-related disabilities).

SDI contributions are paid by California workers covered by the SDI program. Contribution rates may vary from year to year. For current rates, visit [State Disability Insurance](http://edd.ca.gov/disability) (edd.ca.gov/disability), or contact the Employment Development Department (EDD) DI customer service at 1-800-480-3287 or EDD employment tax customer service at 1-888-745-3886.

DI Plans

- **State Plan.** The DI state plan is covered in this brochure.
- **Voluntary Plan (VP).** A private plan, which may be substituted for the State Plan. Voluntary Plans are established if the employer and majority of employees agree to do so. VP information and filing a claim is done through your employer. If you are covered by a VP, the provisions of this brochure may not apply to you. Obtain information about your coverage and file a VP claim through your employer.
- **Elective Coverage (EC).** Employers and self-employed persons, including general partners, may elect coverage under SDI. The method of computing benefits for EC participants is not the same as for mandatory rate payers. The cost of participating, which is set annually, can be obtained from your local EDD Employment Tax Customer Service Office.

EC claims are filed in the same manner as State Plan claims. However, there are differences in eligibility requirements from those listed in this pamphlet.

For additional information or to apply for coverage, contact the EDD DI customer service at 1-800-480-3287, the EDD employment tax customer service at 1-888-745-3886, or visit [State Disability Insurance](http://edd.ca.gov/disability) (edd.ca.gov/disability).

How to Claim State Plan Benefits

1. Use **SDI Online** to securely file for benefits or request a paper claim form online.
 - Online: [State Disability Insurance](http://edd.ca.gov/disability) (edd.ca.gov/disability).
 - By phone: 1-800-480-3287.
 - By mail: EDD, Disability Insurance, PO Box 989777, West Sacramento, CA 95798-9777.
 - California state government employees covered by SDI should call 1-866-352-7675.
2. If filing through SDI Online, complete all required fields. SDI Online will provide a receipt number once the claim is submitted. If using a paper *Claim for Disability Insurance (DI) Benefits* (DE 2501) form, complete and sign Part A-Claimant's Statement. Print clearly, and verify your answers are complete and correct as errors delay payment.
3. Have your physician/practitioner complete the Part B - Physician/Practitioner's Certificate online or use the paper claim form. If filing online, your physician/practitioner will need your receipt number to complete the Part B - Physician/Practitioner's Certificate.

Usually a claim cannot begin more than seven days before you were examined by or under the care of a physician/practitioner. Certification may be made by a:

- Licensed medical or osteopathic physician and surgeon.
- Nurse practitioner.
- Physician assistant.
- Chiropractor.
- Dentist.
- Podiatrist.
- Optometrist.
- Designated psychologist.
- Authorized medical officer of a United States governmental facility.

Certification may also be made by a licensed nurse-midwife or licensed midwife for disabilities related to normal pregnancy or childbirth.

4. File online or submit your paper claim form within 49 days from the date your disability begins. If your claim is late, you may lose benefits unless your explanation of the delay is accepted as reasonable.

How Benefits Are Paid

- If you are eligible to receive benefits, you have two payment options: by **EDD Debit CardSM** through Bank of America, or by a **check**. You do not have to accept the EDD Debit Card. Please allow 7 to 10 days for delivery of checks in the mail.
- Most properly completed claims are processed within 14 days.
- The first seven days of your DI claim are a non-payable waiting period. If a claim is filed for the same or related cause or condition within 60 days of the initial claim, it will be processed as a continuation of the initial claim for which a waiting period was already served. There will not be a new waiting period in such cases.

Benefits are paid as quickly as possible after all eligibility information is received. If you meet all eligibility requirements, benefits will be authorized. If you are eligible for further benefits, you will be authorized for additional benefits electronically or sent a *Claim For Continued Disability Benefits* (DE 2500A) certification form for you to complete for the next benefit period. Usually these benefit periods are for two-week intervals. However, DI pays benefits based on daily eligibility within a seven-day calendar week. Partial weeks are paid at a daily rate. This rate is one-seventh of your weekly benefit amount. Please allow 10 days from the date you mail or electronically submit a certification for receipt of payment.

How Your Benefit Rate is Determined

Benefit amounts are based on wages paid during a specific 12-month **base period**, determined by the date your claim begins. Consider when to start your claim since this may affect your weekly benefit rate, your maximum benefit amount, and the period of your benefit eligibility.

Only **base period** wages subject to the SDI contributions can be used in computing your benefits. To qualify, you must have earned at least \$300 during your base period. The month your claim begins determines which four consecutive quarters are used.

If your claim begins in:

- **January, February, or March, your base period is the 12 months ending last September 30.** (Example: A claim beginning February 14, 2021, uses a base period of October 1, 2019, through September 30, 2020.)
- **April, May, or June, your base period is the 12 months ending last December 31.** (Example: A claim beginning June 20, 2021, uses a base period of January 1, 2020, through December 31, 2020.)
- **July, August, or September, your base period is the 12 months ending last March 31.** (Example: A claim beginning September 27, 2021, uses a base period of April 1, 2020, through March 31, 2021.)
- **October, November, or December, your base period is the 12 months ending last June 30.** (Example: A claim beginning November 2, 2021, uses a base period of July 1, 2020, through June 30, 2021.)

Exceptions: If your claim is determined to be invalid, but you were unemployed and seeking work for 60 days or more in any quarter of your base period, you may be able to substitute wages paid in prior quarters.

You may be entitled to substitute wages paid in prior quarters to either validate your claim or increase your benefit amount, if during your base period you:

- Were in the military service.
- Received workers' compensation benefits.
- Did not work because of a labor dispute.

If your situation fits any of the above, include a letter and supporting documentation with your claim form.

Wage Continuation. Your DI benefits may be affected if your employer continues to pay you wages during your DI claim. DI benefits plus wages cannot exceed your regular weekly wage. DI benefits are not affected by vacation pay you may receive.

Maximum Benefits. The maximum benefit amount is 52 times the weekly rate, but not more than your total base period wages. Exception: For employers and self-employed individuals who elect SDI coverage, the maximum benefit amount is 39 times the weekly rate.

Additionally, benefits are payable only for a limited period to a resident in an alcoholic recovery home or drug-free residential facility that is both licensed and certified by the state in which the facility is located. However, disabilities related to or caused by acute or chronic alcoholism or drug abuse, being medically treated, do not have this limitation.

Pregnancy. As with any medical condition, your disability period begins the first day you are unable to do your regular or customary work. DI benefits are based on the period of time your physician/practitioner certifies you are unable to do your regular or customary work. Do not send in your claim for pregnancy-related DI benefits until the date your physician/practitioner certifies you are unable to work.

Note: For information on Paid Family Leave (PFL) bonding benefits, see the "Other Programs" section of this brochure.

You May Not Be Eligible for Benefits

- If you are receiving Unemployment Insurance (UI) or PFL benefits.
- If you are not working or looking for work at the time your disability begins.
- If you are in custody due to conviction of a crime.
- If your full wages are paid.
- If you are receiving workers' compensation at a weekly rate equal to or greater than the DI rate. If workers' compensation benefits are paid at a lower rate than your DI rate, you may be paid the difference.
- For the amount of time a claim is late (without good cause).
- If you make a false statement or fail to report a material fact. (A 30 percent penalty may be assessed if benefits are overpaid because you willfully withheld a material fact or made a false statement.)
- If you fail to attend an independent medical examination when requested. (Fees for such examinations are paid by the EDD.)

The California Unemployment Insurance Code provides for penalties consisting of fines, imprisonment, and loss of benefit rights for fraud against the SDI program.

Your Rights
