Effective January 1, 2023, California Political Reform Act of 1974, Government Code § 84308, known as the Levine Act, prohibits any San Joaquin County Board of Supervisor member from participating in any agenda item involving a discretionary land use permit or other entitlements if the Board member has received any political contributions from the owner, applicant, or agent for the owner or applicant totaling more than \$250 in the 12 months before the decision (but not before January 1, 2023) and for the 12 months following the decision. The Act also prohibits an owner, applicant, or agent for the owner or applicant from making a contribution of more than \$250 to a member of the Board of Supervisors while the item is pending and for the 12 months following the date a final decision is rendered.

I have read and understand that this application is subject to these provisions:

Initial

AUTHORIZATION SIGNATURES

ONLY THE OWNER OF THE PROPERTY OR AN AUTHORIZED AGENT MAY FILE AN APPLICATION

I, the Owner/Applicant/Agent agrees to indemnify, defend (with counsel reasonably approved by County), and hold harmless the County and its officers, officials, employees, agents, boards and commissions (collectively "County") as follows:

1. INDEMNITY:

- A.** From and against any and all claims, demands, actions, proceedings, lawsuits, losses, damages, judgments and/or liabilities arising out of, related to, or in connection with the application and applied for project or to attack, set aside, void, or annul, in whole or in part, an approval of the applied for project by the County, the adoption of environmental review documents related to the applied for project, and any related development approvals or project conditions for the applied for project (hereinafter "Claim");
- B.** For any and all costs and expenses incurred by the County on account of any Claim, except where such indemnification is prohibited by law, including but not limited to damages, costs, expenses, attorney's fees, or expert witness costs that may be asserted by any person or entity, private attorney general fees claimed by or awarded to any party against the County, and the County's costs incurred in preparing an administrative record which are not paid by the petitioner.
- C.** Except as to the County's sole negligence or willful misconduct.

2. DEFENSE:

- A.** The County may participate or direct the defense of any Claim. The County's actions in defense of any claim shall not relieve me of any obligation to indemnify, defend, and hold harmless the County.
- B.** In the event of a disagreement between County and me regarding defense of any Claim, the County shall have the authority to control the litigation and make litigation decisions, including, but not limited to, the manner in which the defense is conducted.
- C.** If the County reasonably determines that having common counsel presents such counsel with a conflict of interest, or if I fail to promptly assume the defense of any Claim or to promptly employ counsel reasonably satisfactory to the County, then County may utilize the Office of the County Counsel or employ separate outside counsel to represent or defend the County, and I shall pay the reasonable attorneys' fees and costs of such counsel.

I, further, certify under penalty of perjury that I am (check one):
