

How to bag a dead bird or tree squirrel, instructions*

Tools needed to bag a dead bird or dead tree squirrel:

1. Latex Gloves
2. Two plastic bags
3. 1 shovel
 1 outdoor garbage container

Instructions:

1. Report the dead bird or tree squirrel, FIRST (1-877-WNV-BIRD or 1-877-968-2473)
2. Using gloves, pick the dead bird or tree squirrel up with a shovel. If a shovel or latex gloves are not available, use an inverted plastic bag
3. Put the dead bird or tree squirrel in a plastic bag
4. Double bag it with another plastic bag
5. If your local agency is unable to collect the dead bird or tree squirrel, put the plastic bag in an outside garbage container
6. Wash hands with soap and water
