

SITUATION REPORT NO. 009

Spring Storms 2006 (Order # 02-947)

San Joaquin Operational Area

Date: - April 15, 2006 - Published at: 0900 Hours

Emergency Operations Center – Staffing Level: 1 (Modified)

Operational Period: April 14, 2006 – 0600 Hrs. — April 15, 2006 – 0600 Hrs.

CURRENT SITUATION:

Roads:

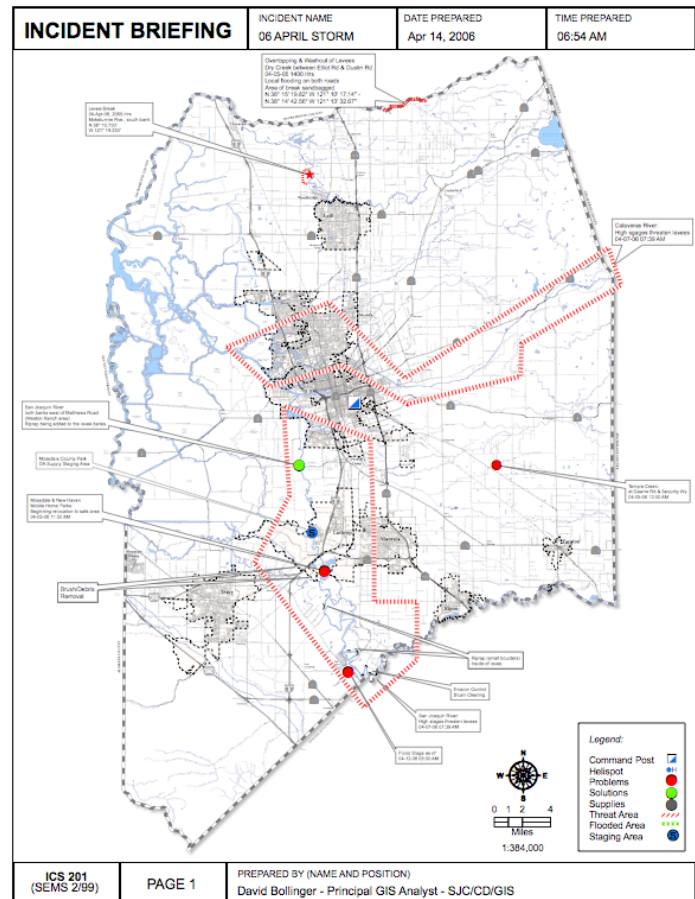

- Woodward Ave closed between McKinley and Airport Way.
- Perrin Road closed west of Airport Way (open to local traffic only)
- Cort Road closed west of Airport Way (open to local traffic only).
- McMullen closed west of Airport (open to local traffic only)
- HWY 99 Frontage road closed east and west sides of underpass at Mokelumne river.
- Two Rivers road closed at Two Rivers RV park entrance. Road damaged by sinkholes
- Division Road closed, Avenue D closed (open to local traffic only)

Relocations:

- Residents at Mossdale Trailer Park and Two Rivers RV Park have relocated RVs from low-lying areas. Some residents from other RV parks have also relocated.
- No relocations have been reported from other locations of the county.

River Status:

- San Joaquin River water levels continue to be monitored at Vernalis Station. As of 0400 a.m., Saturday morning, water level was at 28.99 feet. The station is now at Monitor level.

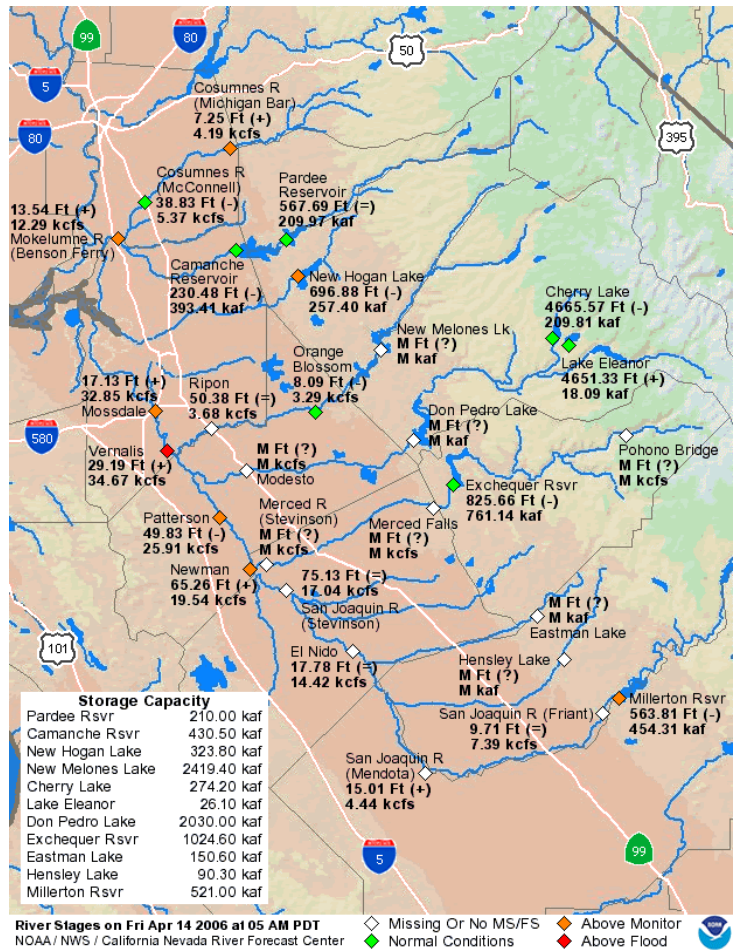

Flooding (Residential):

- None reported at this time, beyond localized pools in low-lying areas adjacent to levees. People living near San Joaquin river system levees are encouraged to pay attention to NOAA weather radio or your local media for the latest updates on this situation. Be prepared to take action if an evacuation is ordered in your area.
- County Public Works continues to engage in pumping storm water runoff from low-lying areas of Boggs Tract as required.

Flooding (Rivers):

All major rivers in San Joaquin County are being monitored. A restriction on Recreational Vessel traffic remains in place for the San Joaquin River system south of the Stockton Main Ship Channel. The San Joaquin river and its tributaries will remain at elevated water levels for an extended period. Flood warnings from the National Weather Service have been issued for San Joaquin County. State Flood Operations Center estimates the San Joaquin River level will drop to 28’ by late Friday or Saturday. The trend shows this occurring.

CONSEQUENCES:

- 1. Relocations** – Mossdale Trailer Park; Two Rivers RV Park. None due to Mokelumne River levee conditions
- 2. Sheltering** – American Red Cross has planned shelter areas in the county.
- 3. School Closings** – None at this time
- 4. Power Outages and Utilities** – No reports.
- 5. Government Closings** - None at this time.
- 6. Fatalities and Injuries** – No reports
- 7. Boil Water Notices** – No reports

WEATHER:

- **Friday:** Showers are likely in the afternoon with a chance of rain in the evening. Afternoon temperatures will range from 63 to 70. Light southerly winds predicted to 7 mph. A significant storm cell moved through parts of the southern county in the evening.
- **Saturday:** Overcast in the morning changing to shower and rain in the evening. Southeast winds to 10 mph.
- **Sunday:** Rain showers throughout the day. Should not see same intensity as previous activity. South winds to 10 mph.
- **Monday-Wednesday:** Partly cloudy to clear.

OPERATIONAL AREA ACTIONS: (New information in red)

Planning Area	EOC Level	Local Emergency	Protective Actions	Government Closing	Shelter Status	School Closing
NORTH ZONE						
THORNTON AREA						
NONE						
LODI AREA						
4/9/06	I		Mokelumne River levee break. No impact on houses.			
LOCKEFORD AREA						
4/11/06	I		Mokelumne River levee break. No impact on houses.			
CENTRAL ZONE						
DELTA AREA						
NONE						
STOCKTON AREA						
RD17	I		Beginning patrols of District Levees			
RD17	I		Reinforcing eastern levee section near Mathews Rd.			
LINDEN AREA						
NONE						
SOUTH ZONE						
TRACY AREA						
NONE						
MANTECA AREA						
4/9/06	I		DWR has reinforced Trahern Road levee as flood fighting line			
4/9/06	I		Spot control of erosion areas by laying riprap, debris and brush cleared from confluence of San Joaquin and Stanislaus Rivers continues through the day.			
4/11/06	I		Restriction of vessel operation on San Joaquin River system south of Stockton Deepwater Channel			
4/13/06	I		Emergency Order from County allowing access to Public and Private levees.			
ESCALON AREA						
NONE						

SAN JOAQUIN COUNTY ACTIONS:

- **The County has issued an emergency order to grant access to all private and, or public levees or property on, near or adjacent to the San Joaquin River and the Stanislaus River. See the SJC OES website for more details.**
