

Thirteen project renewal applications were submitted for review and ranking to the Stockton/San Joaquin Continuum of Care (CoC) under the current Notice of Funding Availability (NOFA). These renewal applications are for the operational year beginning in 2016 or January 1, 2017.

After review, all applications were determined to be acceptable and were then ranked according to the criteria earlier established by the CoC. As in the past several years, ranking results in two tiers for the projects. Below is the wording from the NOFA on establishing the tiers:

Although the available amount of funding is expected to be sufficient to fund anticipated eligible renewal projects in FY 2015, HUD will continue to require Collaborative Applicants to rank all projects, except CoC planning and UFA Costs, in two tiers. Tier 1 is equal to 85 percent of the CoC's FY 2015 Annual Renewal Demand (ARD) approved by HUD. Tier 2 is the difference between Tier 1 and the CoC's ARD.

The CoC Application score and the project application score(s) will determine which projects in Tier 2 will be conditionally selected for award.

If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1 and then, using CoC score and other factors described in this NOFA, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award project funds at the reduced amount provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively).

This CoC's ARD is \$4,863,668. Tier 1 is equal to \$4,134,118. The table below shows the ranking number, project name, type of project (permanent housing, transitional housing, or HMIS), the amount of the request, and the total amount requested or that project and all projects ranked higher.

Based on HUD's definitions, projects ranked 1 through 10 fall completely in Tier 1, project 11 straddles the tiers, and projects 12 and 13 fall completely in Tier 2.
