SUBJ: San Joaquin County EMS Agency promotions

The purpose of this memo is to communicate recent San Joaquin County EMS agency (SJCEMSA) internal staffing and leadership changes.

Effective September 25, 2023, Christine Tualla has been promoted from an EMS Specialist position to EMS Analyst. Christine will be focused on our SJCEMSA paramedic training program, EMS system performance analyst activities, and other internal leadership coordination.

Effective October 9, 2023, Mathew Esposito has been promoted from Pre-Hospital Care Coordinator position to the EMS Coordinator. Mathew will be transitioning into the EMS Coordinator role over time as his Quality Improvement duties transition to a new candidate as soon as one is recruited and selected.

Both Christine and Mathew come with decades of EMS experience locally and will serve our EMS system with passion and pride. I look forward to the recruitment of our remaining openings over the next few months.

Please join me in welcoming them into their new roles.

Sincerely,
