The San Joaquin County Environmental Health Department is proposing an adjustment of Environmental Health operating permit and hourly rate service fees for small public water systems located in San Joaquin County. The proposed fee changes would take effect on August 1, 2009.

A meeting to discuss these proposals with small public water system owners and operators, as well as members of the general public, has been set for **Thursday, May 14, 2009, at 3:00 p.m.** The meeting will be held at the San Joaquin County Environmental Health Department office located at **600 E. Main Street (corner of Main and American Streets), Stockton, California.**

Proposed changes in program fees are printed on the back of this notice and will be discussed at the meeting. The opportunity for public and industry comment is being provided in preparation for the public fee hearing to be held before the San Joaquin County Board of Supervisors, tentatively scheduled for Thursday, June 25, 2009, in the Board Chambers, 7<sup>th</sup> Floor of the County Courthouse, 222 E. Weber Avenue, Stockton, California.

Please contact Bonnie Woodward, Senior Office Assistant, at (209) 468-3450, if you plan to attend, and Margaret Lagorio, Program Coordinator, at (209) 468-3449, if you have any questions or comments regarding the proposed fees or the workshop. Thank you for your assistance with this important matter.
