Re: CAAS Accreditation

Dear Mr. Elzig,

Section 6.4 of the agreement between American Medical Response (AMR) and San Joaquin County requires AMR to achieve accreditation by the Commission on the Accreditation of Ambulance Services (CAAS) by November 1, 2007. The EMS Agency has verified the submission of your nearly 5000 page application to CAAS and recognizes this submission as substantial progress in earning accreditation. Please keep the EMS Agency informed of the progress of your application.

Sincerely,

Dan Burch
EMS Administrator
