

<b>Charge Scenarios</b>	
<b>Bidder: City of Stockton</b>	<b>Proposed Rates Under Option: C</b>

*Charges are to be based on the rate schedule submitted in this proposal. If an item is included in the base rate, or if there is no charge for an item, indicate this on the form. Identify additional specific charges (e.g., charges to perform any of the identified skills) or routine charges (e.g., infection control charge) in the blanks provided. The total shall reflect all specific and routine charges that a patient in this type of scenario would be billed.*
