

San Joaquin County EMS Field Care Audits 2007

**Held at San Joaquin General Hospital
Conference Room 1 A&B**

Advanced AIRWAY Training

Monday, May 21, 2007

Lecture - 10:00am—12:00 pm

Skills Lab- 12:30 pm—2:30 pm (Limited to 20
Spaces with Priority given to participants with Advanced Airway in
their scope of practice.)

To register for & attend this Field Care Audit you
MUST work for a San Joaquin County EMS Provider
as an First Responder, EMT, Paramedic, or MICN.

EMS Field Care Audits are provided at no cost.

This Field Care Audit is being coordinated with and taught by REACH Air Ambulance. The lecture is instructor based and intended to serve as an educational opportunity for all participants. The skills portion of this training will only accommodate **20 people** that must be pre-registered (Priority will be given to participants that have Advanced Airway in their scope of practice. Confirmation of registration must be given to attend this portion.). Please contact Christine Tualla at San Joaquin County EMS Agency, 468-6818, for additional information. Registration forms are available on the San Joaquin County EMS website at:

<http://www.sjgov.org/ems>

Approved by the San Joaquin County EMS Agency, Provider # 39-0001 and the California Board of Registered Nursing, CEP Provider # 1524 for up to four (4) contact hours.
