FROM: Dan Burch, EMS Administrator

SUBJ.: Med Net Radio Channels 1 and 2

San Joaquin County Medical Network "Med Net" channels 1 and 2 are designated for advanced life support (ALS) paramedic contact with the base hospital at San Joaquin General.

Based upon computer models and testing Med Net channel 1 is designated for use North of Eight Mile Road and Med Net channel 2 is designated for use South of Eight Mile Road (see the attached map). Although each channel is capable of operating beyond Eight Mile Road the EMS Agency has determined that the highest level of performance occurs within these described boundaries.

Questions regarding this memo may be directed to Phil Cook, Disaster Medical Health Specialist, at (209) 468-6818 or by email at pcook@sjgov.org.
