Stockton, CA 95202

Dear Supervisors Omellas, Mow, Gutierrez, and Sieglock:

The purpose of this letter is to convey my continuing support of the Stockton Fire Department and their partner, Rural Metro Corporation, regarding their bid to become the exclusive ambulance provider for the greater Stockton area (Zone B).

My agency has always had a positive working relationship with the Stockton Fire Department while it has provided exemplary educational, health and safety services to the staff and children we serve.

Sincerely,

Mark S. Phelps
