Catfish Plants At Oak Grove Regional Park Scheduled Through Sept.

San Joaquin County Parks and Recreation will plant one to two-lb. size catfish each week during the fishing season at Oak Grove Regional Park.

Kids 15 years and under fish free, a \$3 fishing permit fee and valid CA. fishing license are required for those 16 years or older as all State Fish and Game laws. Vehicle entrance fees of \$3 weekdays and \$5 weekends and holidays also apply. Anglers must supply their own fishing equipment.

Plants are scheduled every week at Oak Grove through the end of September. Additional catfish plantings from the California State Dept. of Fish and Game may occur throughout the season.
