

Oak Grove Nature Center

Nature Nights Program

“Galls of the Oak Grove – a Walk and Talk”

presented by

Dr. Kathy Schick

Join us for an adventure in the Oak Grove as we explore the trees and other plants for galls caused by tiny insects laying their eggs IN the plants.

Dr. Kathy Schick will lead this wonderful adventure with a slide presentation and a walk through the oaks around the Nature Center.

Friday, September 23rd, 2011

6:30 – 8:00 pm
