

Oak Grove Nature Center

Nature Nights Program

“Wild Mushrooms - a walk & talk”

presented by Grover Bethards, III,
member of the California Native Plant Society
and Lodi Lake Nature Area Docents.

Join us for a walk in Oak Grove Regional Park followed
by a talk inside the Nature Center.

Find out fascinating facts about the world of fungi;

Learn how to identify various groups of
mushrooms commonly found in the Central Valley;

Saturday, November 21st, 2009

2:30 pm – 4:00 pm
