

2010-2011 Fleet Services Mileage Rental Rates

Transportation and Travel - Fleet Services

(Account No. 6218000000)

Public Works recommends suspending all new vehicle purchases through the 2010-2011 budget year due to projected budget shortfalls. Changes in mileage rates for fiscal year 2010-2011 are a two to nine cents per mile reduction, including a two-cent per mile Vehicle Replacement Fund deduction.

Should you have any questions regarding the mileage rates, type of vehicles, vehicle turn-in process or new vehicle procurement, please contact Dan McCann, Fleet Manager at 468-3099 or dmccann@sjgov.org

¹ The mileage rate normally includes a portion set aside for the Vehicle Replacement Fund. Since the vehicle replacement fund has been temporarily suspended, 100% of the mileage rate may be claimed for any state or federal grant.

² Monthly Minimum Rate is 2010-11 mileage rate times the monthly minimum mileage of 500 miles.

³ Vehicles or equipment not owned by the Fleet Services, or those specialty units for which an accurate rate would be difficult to establish.
