Stale Address - It is important that you notify us if you change your address. Going forward, your address may change in our records either at your or your employer's direction, or as a result of an address confirmation service provided under our agreement with your employer. Under this service, the addresses in our records are compared against and updated quarterly with addresses received from commercial address update services (e.g., the U.S. Postal Service). If your mail is returned to us or your employer tells us your address is incorrect, we are likely to suspend future mailings until a new address is obtained. Unless preempted by federal law, failure to give us a current address may also result in uncashed distributions from your participant account being considered abandoned property under state law, and remitted to the applicable state. To update your address, contact your Plan Administrator or, if permitted by your Plan, log in to our website at thehartford.com/retirement-plans/access and select the change address link under your personal settings.
