FOR IMMEDIATE RELEASE
April 1, 2016

**McHenry Avenue / River Road
Temporary Roundabout**
San Joaquin County & Stanislaus County

Beginning Wednesday, April 6th, pending weather conditions, a temporary roundabout will be constructed by San Joaquin County Department of Public Works at the intersection of McHenry Avenue and River Road in San Joaquin County, south of Escalon, California. The roundabout will replace the current 4-way stop and is a temporary solution to reduce traffic delays at this intersection until the construction of a traffic signal, which is anticipated to begin in the summer of 2017. During the estimated 12-day construction timeframe, the intersection will remain open to all traffic, with delays through the work zone. The only planned closure is scheduled to occur on Saturday April 16th, from approximately 8 a.m. to 2 p.m., to finalize the striping in the intersection. For more information about roundabouts, or if you have questions, please visit the San Joaquin County Department of Public Works' website at <http://sjgov.org/pubworks/>.
