

Community Open House

Grant Line Road Corridor Study

Join us for a community open house regarding the Grant Line Corridor Study.

The objective of the Grant Line Corridor Study is to improve Grant Line Road between Interstate 5 and the City of Tracy to enhance traffic safety and improve traffic mobility within these limits. Based upon technical analysis and community feedback, the project team has developed a new alternative for the study.

The community open house will include information stations about the study and the new alternative. Community members are encouraged to stop by at their convenience between 6:00 - 7:30 p.m. to learn about the project and ask questions of project team members.

For more information, visit the project webpage at: www.sjgov.org/pubworks/dynamic?id=23779

Questions? Contact Nicole Porter at nporter@aimconsultingco.com or (916) 442-1168

Wednesday, April 5, 2017

6:00 – 7:30 p.m.

Banta Elementary School
22375 El Rancho Road
Tracy, CA 95304
