- Provide Evidence based Programming for Probation Youth
- Provide Evidence Based Case Management of Probation Youth
- Assist Probation Youth in reconnecting and remaining in the community in lieu of custody

Evidence Based Programming

Aggression Replacement Training (ART®)

- Anger Control
- Social Skills
- Moral Reasoning

Provides 10 weeks of group training sessions for each of Aggression Replacement Training's targeted interventions: Social Skills Training, Anger Control Training, and Moral Reasoning.

- **Social Skills Training**—Teaches participants what to do, helping them replace antisocial behaviors with positive alternatives.
- **Anger Control**—Teaches participants what not to do, helping them respond to anger in a nonaggressive manner and rethink anger-provoking situations.
- **Moral Reasoning**—Helps raise participants' level of fairness, justice, and concern for the needs and rights of others.
