

Extension and Amendments to the Attorney Bargaining Unit MOU (A-14-341)

Subject to adoption by the Board of Supervisors, the San Joaquin County Attorneys Association and the County of San Joaquin agree to modify the below provisions of the Memorandum of Understanding for the Attorney Bargaining Unit as follows:

1) Duration

MOU (A-14-341) expiration date is extended through June 30, 2020.

2) Section 2.3.1 Premiums is amended to read:

Health insurance premiums will be paid as follows:

For the Kaiser and Select plans, the County will pay 80% and the employee will pay 20%.

For the Premier plan, the County will pay the amount that is equal to 80% of the Select plan for the coverage level selected (employee only, employee +1, or family), and the employee will pay the remaining amount.

3) Section 3.4.3.3 Flexible Holidays is added as follows:

Each fiscal year, effective July 1, 2017, the following days are established as flexible holidays for regular full-time employees hired on or after July 1, 2012.

- (a) Each regular employee's birthday*
- (b) September 9 – Admission Day*
- (c) The second Monday in October – Columbus Day*
- (d) February 12 – Lincoln's Birthday*

4) Section 3.4.3.4 Flexible Holiday Observance is added as follows:

Regular full-time employees may individually, with the approval of the department head, take such flexible holiday on the date of the holiday, on the day preceding the holiday in the case of holidays which fall on a Saturday, or the day following the holiday in the case of holidays which fall on Sunday, or may accumulate up to thirty-two (32) hours of flexible holiday time to be used at a deferred date, within the fiscal year. Hours accrued shall not be carried over beyond the end of the fiscal year and have no cash value. Such flexible holiday time off shall be scheduled at a time mutually agreeable to the employee and the department head. County offices and departments shall remain open for business on any day deemed to be a flexible holiday and employees who elect to accumulate flexible holiday time shall receive their regular compensation for working on the holiday.

Any regular full-time employee whose regularly scheduled day off falls on a flexible holiday shall accrue flexible holiday time as provided in this Section.

5) Section 3.7 Military Leave is amended to read:

The following procedures and restrictions shall apply to military leave:

- (a) To be eligible for paid military leave, an employee must have at least twelve (12) months of qualifying service immediately prior to the leave. Qualifying service is continuous and consecutive County service or recognized military service. Recognized military service is defined as full-time service in the armed forces during a national or state emergency. Generally, recognized military service would be that during World War II, the Korean War, the Vietnam Conflict, or any conflict for which an expeditionary medal was awarded. This time requirement does not apply to declared emergency situations. Under such emergencies, any employee ordered to active duty is eligible for paid temporary military leave.*
- (b) Temporary military leave with pay can be authorized for eligible employees only when they are ordered to active duty.*
- (c) Weekend drills are not active duty. Departments will make reasonable attempts to change an employee's schedule to allow for off-duty attendance at monthly drills. If such accommodation is not possible, the employee may use leave as specified in (j).*
- (d) A copy of the employee's order to active duty must accompany any military leave with pay.*
- (e) The County shall pay, beyond the 30-calendar day per fiscal year minimum, the difference between the eligible employee's regular County salary, if the employee's military pay is less than the employee's regular salary.*
- (f) The County shall continue to provide employee and dependent medical, dental and vision benefits, if applicable consistent with regular employment and subject to payment of employee premiums, if any, of such coverage.*
- (g) The eligible employee's military service shall be considered as paid employment for purposes of benefits under the County's retirement system subject to the payment of the employee contribution for periods of continuous military leave.*
- (h) In calculating leave, holidays (floating or regular) which occur during an employee's military leave will be charged as holidays used rather than military leave.*
- (i) All other calendar days encompassed by the order will be counted as military leave whether normally scheduled days or days off.*
- (j) Employees will not be denied the right to use leave to attend active or inactive military duty. If the employee is not eligible for temporary military leave with pay, the employee may request a leave of absence without pay or use accrued vacation, holiday, or compensatory time off.*

6) Section 4.1 Salaries

The following salary adjustments will be effective on the dates indicated below:

July 10, 2017 – 5% COLA
July 9, 2018 – 1% COLA

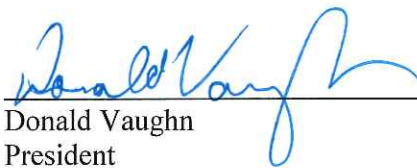

7) Section 9.7 Professional Expense Reimbursement is amended to read:

Attorney members shall be reimbursed up to \$520 per fiscal year for base (statutorily required) membership dues for the State Bar of California and upon the discretion of the department head, the minimum base dues for no more than one (1) additional membership organization for CA District Attorneys Association, CA Public Defenders Association and/or the San Joaquin County Bar Association.

Except for the changes identified in this agreement, the terms of MOU (A-14-341) remain unchanged through June 30, 2020.

MEMORANDUM OF UNDERSTANDING
ATTORNEY BARGAINING UNIT **A-14-341 10/07/14**

PREAMBLE:

This Memorandum of Understanding, hereinafter referred to as "Memorandum", is made by and between the County of San Joaquin and the San Joaquin County Attorneys Association, hereinafter referred to as "SJCAA" or "Association", representing employees who are members of the Attorney Bargaining Unit. This Memorandum of Understanding constitutes the result of meeting and conferring in good faith pursuant to the California Government Code and the San Joaquin County Employer-Employee Relations Policy.

DURATION:

This Memorandum is effective from the date of adoption by the Board of Supervisors through June 30, 2017.

1 MANAGEMENT RIGHTS

1.1 Management Rights

SJCAA and the County of San Joaquin recognize that it is the exclusive right of the County except as may be provided otherwise by Civil Service Rules, this Memorandum of Understanding, or the Employer-Employee Relations Policy to make all decisions of a managerial or administrative character, including but not limited to:

- (a) Hire, promote, transfer, assign, classify positions, retain employees, and to suspend, demote, discharge or take disciplinary action against employees.
- (b) Lay off or demote employees from duties because of lack of funds, in the interest of economy, or other legitimate reasons.
- (c) Determine the policies, standards, procedures, methods, means and personnel by which County operations are to be conducted.
- (d) Take whatever actions may be necessary to carry out the mission of the County in situations of emergency, subject to meeting and conferring after the emergency to the extent required by section 1.5(b).
- (e) Nothing in this Memorandum shall be construed to interfere with the County's right to manage its operations in the most economical and efficient manner consistent with the best interests of all the citizens of San Joaquin County.

1.2 Labor - Management Committees

The County and SJCAA shall establish committees comprised of labor and management representatives to deal with specific areas of concern as specified by separate letter.

1.3 Employees' Rights - Employer-Employee Relations

SJCAA and the County of San Joaquin recognize that each employee shall have the following rights which he/she may exercise in accordance with this Memorandum, Employer-Employee Relations Policy, applicable law, ordinances and rules and regulations:

- (a) The right to form, join, and participate in the activities of any labor organization of his/her own choosing for the purpose of representation on all matters within the scope of representation.
- (b) The right to be free from interference, intimidation, restraint, coercion, discrimination, or reprisal on the part of the County, other employees or employee organizations, with respect to his/her membership or non-membership in any employee organization or with respect to any lawful activity.
- (c) The right to refuse to join or participate in the activities of any employee organization.
- (d) The right to represent himself/herself individually in his/her employee relations with the County.

The Association or any employee or group of employees who has a complaint regarding the exercise of rights under this provision may file charges in writing with the Board of Supervisors and serve the charged party in accordance with Section 13 of the Employer-Employee Relations Policy.

1.4 Discrimination in Employment Prohibited

No employee, or applicant for employment, shall be discriminated against in any aspect of employment because of, age, ancestry, color, creed, marital status, medical condition (cancer or genetic characteristics), national origin, physical or mental disability, political affiliation or belief, pregnancy, race, religion, sex, or sexual orientation as outlined in Civil Service Rule 20.

Any employee who believes he or she has been harassed or discriminated against because of any of the above reasons, may bring the matter to the attention of the supervisor or may consult with his or her Departmental Equal Employment Opportunity Coordinator. The initial contact should be made as soon as possible, but no later than 60 days after the alleged act of discrimination or harassment occurred.

The Equal Employment Opportunity Coordinator shall process the complaint in accordance with Civil Service Rule 20, Section 3 Informal Complaint Process.

San Joaquin County shall comply with the provisions of the Americans With Disabilities Act (ADA). Individuals requesting reasonable accommodation under the ADA shall make a request in writing to their supervisor or manager, supported by medical documentation provided by an approved medical physician. The request shall identify the specific accommodation

required and the anticipated duration needed for the accommodation. The manager or supervisor shall meet with the employee to confirm any documentation or verification received, in compliance with the ADA. The manager or supervisor shall respond to the written request in writing within 10 days of receipt of supplemental materials. Any such documentation, which discloses employee medical information, shall be provided directly to the Human Resources' Disability Management Unit. The County ADA Coordinator in Human Resources shall be consulted if any dispute arises in regard to an ADA accommodation.

1.5 SJCAA Rights

SJCAA shall have the following rights:

(a) REPRESENTATION: Upon request, to meet and confer in good faith with appropriate levels of County management regarding matters within the scope of representation.

(b) ADVANCE NOTICE: Except in cases of emergency, SJCAA shall be given reasonable advance written notice of any ordinance, resolution, rule or regulation, proposal or other action directly relating to matters within the scope of representation proposed to be adopted by the County and shall be given the opportunity to meet and confer in good faith with management prior to its adoption. Written notice will customarily be provided by furnishing SJCAA with advance copies of the agenda of the Board of Supervisors and Civil Service Commission meetings.

In cases of emergency when County management determines that an ordinance, resolution, rule or regulation must be adopted immediately without prior notice or negotiations with the Association, County management shall provide such notice and opportunity to negotiate at the earliest practicable time following the adoption of such ordinance, resolution, rule or regulation, proposal, or other action.

(c) REPRESENTATIVES - MEETING ATTENDANCE: SJCAA may have a reasonable number of employees who serve as official representatives released from work without loss of compensation when meeting and conferring with management representatives where matters within the scope of representation are being considered. SJCAA shall submit a request for such release and shall include therewith a listing of such employees including their titles and departments to the management representative and departments concerned in advance of the meeting. The use of County time for this purpose shall not be excessive, nor shall it unreasonably interfere with the performance of County services as determined by the County. The reasonableness of the number of such employees shall be the subject of negotiation.

(d) REPRESENTATIVES ACCESS TO EMPLOYEES:

(1) Authorized representatives of SJCAA shall be allowed reasonable access to employees of the unit at their work locations during the working hours of the employees concerned for the purpose of discussing matters within the scope of representation, including but not limited to the processing of grievances and complaints and distributing materials and information provided that the work of the employee and the service to the

public are not unduly impaired. The authorized representative shall give advance notice to the department head when contacting departmental employees during their duty period.

(2) Reasonable solicitation for membership or other internal Association business or campaigning shall be conducted only during the non-duty hours of all employees concerned, so long as normal work functions of County are not interfered with.

(e) SHOP STEWARDS: Shop Stewards employed and recognized by San Joaquin County may assist employees in resolving complaints and grievances at the lowest possible administrative level of review. Shop stewards will be authorized up to three hours release time per case at the 1st and 2nd levels of the grievance and complaint process. Stewards may also be present during “right to representation” discussions. The right to representation is established by individual managers or supervisors. Once it is determined by the manager or supervisor that a right to representation exists, shop stewards may then represent employees using no more than three hours per case.

A request for release time for the purposes outlined above shall be made prior to taking the release time. Such a request shall not be unreasonably denied.

NUMBER OF STEWARDS: The County authorizes a reasonable number of shop stewards for all SJCAA represented units. The Association shall provide a current list of all designated Stewards to the Labor Relations Division at the beginning of each calendar year and whenever there is a change in the list of Stewards. The list shall show the employee name, classification, department and work location and normal area to be covered. No steward shall be recognized as such by the County without written authorization from SJCAA

(f) SJCAA - COUNTY FACILITIES USE: County facilities shall be available to SJCAA as follows:

(1) County Buildings: SJCAA may be granted the use of County facilities for meetings composed of County employees within the bargaining unit provided space can be made available without interfering with County needs. SJCAA shall obtain the permission of the designated County official for the use of such facilities.

(2) Bulletin Boards: SJCAA has the right to the reasonable use of existing bulletin board space in each building or department at a location agreed upon by the Association and the department, under the following conditions:

- (a) Material shall be posted on space as designated.
- (b) Posted material shall bear the name of the Association.
- (c) Posted material shall not be misleading, contain any deliberate misstatements or violate any Federal, State or County laws.
- (d) Material shall be neatly displayed and shall be removed when no longer timely.

(g) EMPLOYEE PAYROLL DEDUCTIONS: SJCAA shall have the exclusive right to payroll deduction for its members in this unit including regular dues and employee benefit program costs. Regular dues and employee benefit program costs may be deducted from the employee's individual paycheck. Except as otherwise provided in this Memorandum, payroll deductions shall be made only upon the revocable written authorization of the individual employee.

A continuation of SJCAA payroll deductions, without resigning a payroll deduction card, shall be allowed after an employee returns from a leave of absence.

(h) FAIR SHARE FEE: SJCAA agrees that it has a duty to provide fair and nondiscriminatory representation to all employees in the units for which this Agreement is applicable regardless of whether they are members of SJCAA. Subject to the remaining provisions of this section, all covered employees employed on or after the effective date of this Agreement and continuing until the termination of this Agreement, shall as a condition of employment either:

(1) Become a member of SJCAA and remain a member for the duration of this MOU, provided that such members may elect to resign from the Association between 120 and 90 days prior to expiration of the MOU; or

(2) Pay to SJCAA a fair share fee in an amount which does not exceed the amount of its standard initiation fee, periodic dues, and general assessments.

Prior to collection of agency fees and on an annual basis thereafter, the Association shall notify all bargaining unit members of the Association's expenses, with adequate breakdown of expenses into reimbursable and non-reimbursable areas. If objections are received, the Association shall provide those procedures set forth in the case of *Chicago Teachers Association v. Hudson*.

(i) ASSOCIATION RELEASE TIME: SJCAA representatives shall be allocated a total of twenty (20) hours for Association business for this bargaining unit for each 365-day period or part thereof under this Memorandum. The Association shall pay to the County the cost of such representatives' County salary for this period in cash or method to be agreed upon by the Labor Relations Division and SJCAA.

BONA FIDE RELIGIOUS EXCEPTION

Any employee who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment. Such employee shall be required, in lieu of periodic dues, initiation fees, or agency shop fees, to pay sums equal to such dues, initiation fees, or agency shop fees to a non-religious, non-labor charitable fund exempt from taxation under section 501(c)(3) of the Internal Revenue Code, chosen by such employee from the following list:

1. St. Mary's Interfaith Dining Room
2. The Women's Center
3. Salvation Army
4. Hospice of San Joaquin

Proof of such payments shall be made on a monthly basis to the public agency as a condition of continued exemption from the requirement of financial support to the public employee organization.

SEPARATION FROM UNIT

The provisions of this Agreement shall not apply during periods that an employee is separated from the representation unit but shall be reinstated upon the return of the employee to the representation unit. The term "separation" includes transfer out of the unit, layoff, and leave of absence with a duration of more than thirty (30) days.

COMPLIANCE

An employee in or hired into a job classification represented by SJCAA shall be provided with an Employee Authorization for Payroll Deduction form by SJCAA. If the form authorizing payroll deduction is not returned within thirty (30) calendar days after notice of this fair share fee provision and the SJCAA dues, fair share fee, initiation fee or charitable contribution required are not received, SJCAA may, in writing, direct that the County withhold the fair share fee and the initiation fee from the employee's salary, in which case the employee's bi-weekly salary shall be reduced by an amount equal to the fair share fee and the County shall pay an equal amount to SJCAA.

FORFEITURE OF DEDUCTIONS

If the balance of an employee's wages, after all other involuntary and insurance premium deductions are made in any one pay period, is not sufficient to pay deductions required by this Agreement, no such deduction shall be made for that period.

HOLD HARMLESS

The authorization for payroll deductions described in this agreement shall specifically require the employee to agree to hold the County harmless from all claims, demands, suits or other forms of liability that may arise against the County for or on account of any deduction made from the wages of such employee.

SJCAA shall defend, indemnify and save the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that shall arise out of or by reason of, action taken or not taken by the County under this Agreement. This includes not only the County's reasonable attorney fees and costs but the reasonable cost of management preparation time as well. The County shall notify SJCAA of such costs on a case-by-case basis.

RESCINDING FAIR SHARE FEE

This section may be rescinded by a majority vote of the employees in a bargaining unit in accordance with the provisions Government Code Section 3502.5(b). The following is the Fair Share Fee Rescission Procedure agreed to by represented units and SJCAA:

1. **TIME FRAMES:** A request for a vote to rescind a fair share fee agreement may be filed no sooner than 90 days and no later than 60 days before the expiration of the applicable Memorandum of Understanding containing the fair share fee agreement.

2. **VALID REQUESTS:** A request for a rescission vote must be accompanied by proof of approval of the request by at least 30% of the employees of the representation unit covered by the fair share fee agreement. Proof of approval shall require:

- a. Valid signatures of individuals who were on payroll and members of the representation unit as of the first pay day date to occur no sooner than 90 days and no later than 60 days before the expiration of the fair share fee agreement with the unit in question. Printed names must accompany the signatures so that signatures may be verified.
- b. A statement that the intent of the signer is to secure approval for a vote to rescind the fair share fee agreement for the signer's representation unit. Each petition must be for a single representation unit.
- c. A date beside each signature attesting that the signature has been executed within thirty calendar days prior to the date of submission of the request.

The County Administrator or designee shall verify that the request meets the above criteria.

3. **RESCISSION ELECTION:** If a valid request for rescission has been verified, the County Administrator or designee shall arrange for a secret ballot:

- a. Such election shall be conducted by the State Conciliation Services pursuant to its rules.
- b. The election shall occur no sooner than 15 days and no later than 45 days following the submission of a valid request by members of a representation unit to rescind fair share fee provisions for their unit.
- c. The issue shall be presented to unit members in the form of a question on which to vote yes or no: "Shall the fair share fee provisions of the Memorandum of Understanding for the Attorney Unit be rescinded?"

d. If “yes” is marked by a majority of unit members, the fair share fee provisions shall be rescinded. A majority is defined as 50% plus one of all the eligible members of the unit.

e. The Board of Supervisors shall certify the results of the election.

4. ELIGIBILITY TO VOTE: Members of the unit who meet the criteria of 2a above shall be eligible to vote in the rescission election.

5. ELECTION CHALLENGES: Unfair election practices or challenges made to the conduct of an election which are not resolved by the State conciliation service during the course of the election shall be filed with the Board of Supervisors. Such challenges or unfair election practice charges shall be heard in accordance with the hearings provisions of Section 8-3(b) of the employer-Employee Relations Policy.

6. ELECTION COSTS: Any costs resulting from a rescission election shall be borne by SJCAA in accordance with the hold harmless clause of the fair share fee agreement.

FINANCIAL REPORT

Annually, SJCAA shall provide the County with copies of the financial report required pursuant to the Labor Management Disclosure Act of 1959. Such report shall be available to covered employees. Failure to provide such a report within sixty (60) days after December 31 of each calendar year, shall result in the termination of all fair share fee deductions without jeopardy to any employee, until said report is filed.

1.6 Work Stoppage

It is mutually agreed and understood that during the period this Memorandum is in force and effect the Association will not authorize or engage in any strike, slowdown, or work stoppage. Represented employees are also bound by the above.

2 INSURANCE

2.1 Compliance with Applicable Benefits Laws and Eligibility

During the life of this agreement, the County will maintain its health plans in compliance with provisions of the Affordable Care Act (ACA) and all other applicable state and federal laws governing public sector employee benefits plans.

All regular full-time and contract and part-time employees, who by such contract or part-time provisions are immediately eligible for County health insurance coverage, will be eligible for benefits upon hire. Eligibility for health benefits for variable-time employees will be determined based on the measurement and stability period provisions of the ACA. Coverage in the full-time health plans will be extended to employees who work on average 30 or more hours

per week during each measurement period. This provision will be implemented at the start of the 2015-16 plan year as required by the provisions of the ACA, or later if amended by federal mandate.

Eligible employees who receive a paycheck that does not have sufficient funds to pay their share of health plan premiums during any period of eligibility may continue benefits coverage by making arrangements to pay their share of the premium within 7 days of the pay period date. If payment is not received, benefits coverage will be terminated. Benefits for eligible employees whose benefits have terminated will be reinstated at such time as the employee receives a paycheck with sufficient funds for their payroll deductions for health benefits.

2.2 Effective Date of Coverage

The effective date of coverage for newly eligible employee members in the health, dental, and vision insurance plans shall be the first day of the first bi-weekly pay period next following the date of appointment to employment as a regular employee or as a contract or part-time employee, who, by such contract or part-time provisions, is eligible for the stated insurance coverage, provided that coverage shall not be effective until the first day of the first bi-weekly pay period after the employee has completed the required enrollment forms.

Upon first becoming eligible for health insurance coverage, all eligible employees have 60 calendar days to enroll in such insurance coverage or to complete an Opt Out form. Employees failing to enroll within the specified time frame shall be deemed to have waived coverage under the plans. Eligible employees who are not covered under the plan may elect to participate at the next Open Enrollment period by signing the required enrollment forms, or upon the occurrence of a Qualifying Status Change Event, as permitted under IRS regulations or other applicable law.

Under the provisions of the ACA, the County may be required to automatically enroll newly eligible employees into a “default” health insurance plan and allow eligible employees to opt out of such coverage. This requirement shall become effective as required by federal rule making. For purposes of this section the “default” plan shall be employee-only coverage for the least expensive self-funded plan offered by the County that would otherwise be made available to the employee.

2.3 Health Insurance Options

The County shall continue to provide an option for health insurance coverage for eligible employees and dependents in one of several plans. The plans shall, at minimum, include a PPO and an HMO plan. The County may modify the number and type of plans available, subject to prior notice and will be available for discussion with Association representatives. Health plans offered to employees may be either self-funded by the County or fully insured. If any plan is self-funded, a plan document shall be adopted by the Board of Supervisors. Employees may opt-out of health insurance coverage at the time of their initial opportunity to enroll, or during each

open enrollment period for which they are eligible for benefits, by completing an Opt Out Form provided by the County.

All health and health-related plan or benefit years shall coincide with the fiscal year, except for the plan year for the Section 125 cafeteria benefits plan, which runs from July 1 to the following June 30. The County may modify the start and end dates of any plan year, subject to prior notice.

2.3.1 Premiums

The County shall contribute 90% of the employee-only premium and the employee will contribute 10% of the employee-only premium for Kaiser (HMO).

The County will contribute 80% of the employee-only premium and the employee will contribute 20% of the employee-only premium for the Select Plan (restricted PPO). For employees hired after July 1, 2012, electing employee-only coverage on the County's HMO or restricted PPO plan, the County shall contribute 80% of the premium and the employee shall contribute 20% of the premium. For employees hired before July 1, 2012, effective the first full pay period following the board's adoption of this agreement, the County will pay 80% of the employee only premium for Kaiser and the employee will pay 20%. For employees electing Premier (or an expanded PPO) the County shall contribute at the same coverage level as the Select Plan (or restricted PPO) for employee-only and dependent coverage. Employees will pay the difference between the County contribution and the full rate of the Premier (or expanded PPO) at each coverage level. No impact on dependent premium cost share.

2.3.2.2 Coverage for Part-Time Employees (Non-Healthcare Professionals)

Eligible part-time employees who have worked an average of 50 hours/bi-weekly in the previous year (assessed on a semi-annual basis) and have a minimum of 3120 total hours of unbroken service shall receive healthcare benefits (for employee only) in a County specified plan with Health Care Services as the sole provider except as designated in the plan. The County will pay 80% of the premium and the employee pays the remaining 20%. Participation is mandatory for all eligible employees, provided, however, that employees may waive participation in this plan by completing an Opt Out Form.

Effective upon implementation of the ACA, this section terminates and section 2.3.2.3 becomes effective.

2.3.2.3 Post ACA Implementation Coverage for Part-Time Employees (Non-Healthcare Professionals)

Effective upon implementation of the ACA as required by federal law, all part-time employees in this unit, not eligible for health insurance coverage upon hire, shall be measured in accordance with the provision of the ACA to determine their eligibility for health benefits.

Eligible part-time employees who have worked at least an average of 50 hours per bi-weekly pay period as assessed during any measurement period shall receive healthcare benefits, as provided by law, in a County specified plan with Health Care Services as the sole provider except as designated in the Plan. The County will pay 80% of the premium and the employee pays the remaining 20%. Participation is mandatory and automatic for all eligible employees provided, however, that employees may waive participation in this plan by completing an Opt Out Form.

For part-time employees who first become eligible for benefits coverage by operation of the ACA either following their initial measurement period (first year of continuous employment) or following any subsequent measurement period, coverage shall be offered to the employee within the time frames specified by the ACA and shall become effective on the first day of the pay period specified by the County and in compliance with the ACA.

- (c) Notify departments of changes in leave balances by noting Auditor adjustments on the payroll certs for the next payday.
- (d) Retain a confidential file of donation authorizations.

3.10.3 Treatment of Donated Time

Donated time is treated as sick leave accrued by the recipient of the donation.

Donated time does not alter the employment rights of the County or the recipient, nor extend or alter limitations otherwise applicable to Leaves of Absence or Sick Leave, except as noted in this agreement.

Employees who are utilizing donated sick leave hours will continue to accrue vacation and sick leave in accordance with the provisions of this Memorandum of Understanding.

If catastrophic leave donations are made due to the medical condition of an employee's immediate family member, the 80 hour limitation on the use of family sick leave is waived for absences resulting from that condition only.

3.11 Leave for Promotional Examinations

Employees shall be allowed the necessary time off with pay to participate in promotional examinations for the County, which are held during their regular work hours.

3.12 Effect of Re-Employment or Reinstatement on Leave Accrual Rates

A former employee who returns to County service shall not be entitled to accumulated sick leave benefits unless the return to County service is the result of reinstatement within one year of termination of employment OR is a result of re-employment after a layoff due to lack of work, lack of funds, or in the interest of economy.

Employees who are reinstated to County service within one year of termination of employment will be returned to the same vacation accrual rate and salary grade step that was held at the time of separation.

4 COMPENSATION

4.1 Salaries

Unless expressly provided to the contrary by this Memorandum or Board Order, Resolution, or Ordinance, salaries and hourly rates of pay for all earned leave time, including but not limited to sick leave, vacation, compensatory time off, holiday, and bereavement leave, and salaries and hourly rates of pay for all additional compensation, including but not limited to overtime, supplemental pay, standby pay, call-back pay, holiday premium pay and pay for work above class, shall be computed solely by reference to an employee's base salary or base hourly rate. All negotiated salaries shall remain as adopted for the life of this Memorandum unless mutually agreed otherwise in writing.

Effective the first full pay period after adoption of this agreement by the Board of Supervisors, all employees shall receive a 1% cost of living adjustment to the base salary.

Effective the first full pay period after March 1, 2015, all employees shall receive between 0% and 1% cost of living adjustment to the base salary, based on the County's General Purpose Revenue Index ("GPR Index"). The GPR Index is defined as 50% of the one year rate of growth, between fiscal years 2012-13 and 2013-14, of revenues included in the County Budget Unit #1010803000 GF-General Purpose Revenues (Attachment A), except those accounts listed under TRANSFERS IN, rounded to the nearest 0.5%.

Effective the first full pay period after September 1, 2015, all employees shall receive a 1% cost of living adjustment to the base salary.

Effective the first full pay period after September 1, 2016, all employees shall receive a 1% cost of living adjustment to the base salary.

Effective the first full pay period after March 1, 2017, all employees shall receive between 0% and 1% cost of living adjustment to the base salary, based on the County's General Purpose Revenue Index ("GPR Index"). The GPR Index is defined as 50% of the one year rate of growth, between fiscal years 2014-15 and 2015-16, of revenues included in the County Budget Unit #1010803000 GF-General Purpose Revenues (Attachment A), except those accounts listed under TRANSFERS IN, rounded to the nearest 0.5%.

Payment of base salary increases or other increases in the salary range during the agreement will be made pursuant to the County's salary grid that was made effective June 29, 1992.

The County and SJCAA agree that the parties will negotiate, upon request, the salaries of new classes established as a result of a reclassification of positions.

Consistent with the clarifying decision of the Board of Supervisors on April 6, 2004, in calculating the appropriate cost of living adjustment the methodology utilized will be the State of California Division of Labor Statistics & Research Consumer Price Index Annual Average Calculator.

4.2.1 General

No employee shall receive supplemental pay when on vacation, sick leave, sick leave in conjunction with the receipt of State Disability Insurance or Worker's Compensation temporary disability payments, compensatory time off, holiday, or paid military leave unless such employee shall have been performing duties for a period of not less than four (4) full bi-weekly pay periods or such supplemental duties are scheduled, upon assignment, to last not less than four (4) full bi-weekly pay periods. Unless otherwise specified by the appointing authority or the appointing authority's designee, such shift assignment shall be presumed to be scheduled upon assignment for at least four (4) full bi-weekly pay periods.

4.2.2 Special Assignment Supplement

The Director of Human Resources may authorize a 5% salary increase to any employee designated by the County Administrator to be on special assignment.

4.2.3 Shift Differential

Effective the first pay period after ratification by the Board of Supervisors, the Shift Differential shall be \$1.00 per hour for p.m. and split shifts and \$1.26 per hour for night shifts. Effective July 2, 2002 the Shift Differential will be increased to \$1.15 per hour for p.m. and split shifts and \$1.45 per hour for night shifts.

For purposes of payment of shift differential the following times shall apply:

DAY: Any work shift which begins on or after 4:00 a.m. and before 12:00 noon.

P.M.: Any work shift which begins on or after 12:00 noon and before 8:00 p.m.

NIGHT: Any work shift which begins on or after 8:00 p.m. and before 4:00 a.m.

4.2.4 Standby Pay

A department head, with the approval of the County Administrator, may designate employees in certain classes to be in a standby status. An employee who is on standby status must be at a location where the employee can be reached at all times and upon being called shall return to work immediately. An employee who is recalled to work shall be deemed to be off standby status and the employee shall not receive standby pay for the hours the employee is paid to work, whether on a straight time or overtime basis.

Employees who perform standby duty shall be compensated at 20% of their regular hourly rate.

4.2.5 Work Above Class

A department head may temporarily assign any employee to perform duties normally assigned to a classification with a higher salary without changing the salary of such employee provided the temporary assignment does not exceed five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period. If an employee is assigned to a classification with a higher salary range for more than five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period, the employee shall be compensated, beginning with the sixth day of such above-class assignment, at an amount equal to what the employee would receive if promoted to the higher class, or 5% if no class exists. Such assignment must receive approval of the Director of Human Resources. Assignments to cover routine vacation or sick leave absences will not be approved. Vacation or sick leave absences in excess of two weeks shall not be considered routine.

Employees who are being paid for working in a higher classification are not eligible for merit increases in the higher classification. Whenever an employee working in a higher classification receives a merit increase in the employee's regular classification or the employee's regular salary is otherwise increased or decreased, the employee's pay for working above class shall be adjusted so that the employee continues to be compensated at the rate specified above.

4.2.12 Bilingual Pay

- a) Employees in the Attorney Unit may receive bilingual pay at 41 cents per hour only if they meet all of the following criteria:
 - 1) Have passed a bilingual proficiency examination administered by the Human Resources Division;
 - 2) Have been approved by the County Administrator or designee;
 - 3) Have been designated by the appointing authority in a position designated as requiring bilingual skills at least 40% of the time, such as an assigned bilingual caseload.
- b) Although effort will be made to use as interpreters employees receiving bilingual pay, no employee shall refuse to assist in interpretation for clients or patients on an occasional basis. When the bilingual skill is no longer required, the department head shall terminate the bilingual compensation by written notice to the Human Resources Director and shall notify the employee.

4.2.16 Parking Supplement Downtown

Effective upon implementation of the Select and Premier Healthcare Plans the County agrees to contribute the actual cost not to exceed \$17.00 per biweekly pay period, directly to the Central Parking District, for eligible employees who work in the Downtown Core Area as defined in the report on Employee Parking in Downtown Stockton as adopted by the Board of Supervisors February 13, 2001. Eligible employees utilizing parking lots that are not part of the Central Parking District will be reimbursed for the actual amount of their monthly parking receipt to \$36.83 per month as submitted with a County Expense Reimbursement Claim form through their departments normal reimbursement process.

During the term of the agreement the County may explore alternative downtown parking options which will be in lieu of the parking supplement as described above.

4.3 Paycheck Exceptions

A paycheck exception is defined as the incorrect reporting of payroll or failure to process the following payroll actions, causing an employee to receive less than the pay to which he/she is entitled for that pay period: step increases, supplemental pays, overtime. Paycheck exceptions (except overtime exceptions) in excess of \$100 in terms of gross pay, if presented by noon on the Friday following payday, shall be paid within two (2) working days of presentation of the claim to the Auditor-Controller. Overtime exceptions shall be paid no later than the following paycheck.

All payroll errors resulting in gross pay overpayment, net pay overpayment or granting of other compensation or benefits in error must be repaid to the County. Employees shall be allowed, at employee's option, to use accrued annual and holiday leave and compensatory time to repay the County in cases of payroll errors resulting in gross salary overpayment. Such errors may result from use of an incorrect salary rate, reporting the wrong number of hours worked, or misclassification of hours worked.

Accrued annual and holiday leave and compensatory time may not be used to repay the County for net salary overpayments that do not result from gross salary errors. Such errors include, but are not limited to, underwithholding of deductions for employee-paid benefits and taxes. Employees may repay a net salary overpayment, due to an underwithholding, over the same amount of pay-periods that the underwithholding occurred.

4.4 Mileage And Travel Expenses

If it is legally possible to do so, the County shall grant advance travel pay when requested by the employee at such times as the employee is traveling outside the County on County business.

Effective upon adoption by the Board of Supervisors the mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate the beginning of the first full

bi-weekly pay period following announcement of the changed rate by the Internal Revenue Service.

Meal and lodging reimbursement shall be authorized and paid in accordance with procedures and requirements listed in Section 3500 of the Administrative Manual of San Joaquin County. Those reimbursement limits shall not be changed without meeting and conferring with SJCAA.

Travel time for County-authorized training shall be computed in accordance with FLSA procedures.

4.5 Deferred Compensation Contribution

The County of San Joaquin may maintain a Section 457 Deferred Compensation Plan. The allowable contribution shall be the maximum allowed by the Internal Revenue Service Code.

The County, at its sole discretion, will have the right at any time during the period covered by this agreement to develop charges necessary for the administration of the plan or plans, and implement said charges for active and inactive participants, to be paid by active and inactive participants. In any case, the charge will not exceed the actual cost to the County for administration of the plan or plans as computed by the Auditor-Controller under standard accounting practices for cost allocation purposes.

Before implementing a payroll deduction charge, the County will make every effort to negotiate with the plan vendors and/or third-party administrator(s) to recoup the County cost from their management fees.

4.6 Severance Pay

Any member of this bargaining unit employed by the County in an allocated position on April 3, 2012, who is laid off from regular County employment or voluntarily accepts a lay off in lieu of another employee shall receive \$2,500 in severance pay. The employee may elect to receive the money in lump-sum payment or defer receipt for purchase of eligible insurance benefits through an Internal Revenue Code, Section 125 Plan. To qualify for severance pay, employees are required to sign a waiver and release affirming that, in exchange for their receipt of severance pay, they waive any right to initiate claims against the County pertaining to their employment and the severance thereof.

5 DAYS AND HOURS OF WORK — OVERTIME

5.1 Work Week

Unless otherwise provided for in this Memorandum or in any Resolution or Board Order, the base compensation for employees shall be deemed to be compensation per bi-weekly pay period and is predicated upon a forty (40) hour work week. A bi-weekly pay period shall consist

of eighty (80) working hours and the base compensation provided shall be payment in full for all services rendered to the county except as otherwise provided.

5.1.1 Work Site Closure

If the County Administrator or designee closes a work site because it is unsafe or because work operations cannot be carried out, regular employees who are scheduled to work and who are not reassigned to alternate work sites and are subsequently sent home shall receive administrative pay for the remainder of the scheduled work day. Other regularly scheduled employees who are sent home may be paid, at the discretion of the department head, for the balance of their scheduled work day. Such employees sent home shall remain available to return to the work site for the duration of the time on which they are on administrative leave.

The County will make all reasonable efforts to relocate or reassign employees affected by such situations and may continue affected employees on paid leave for the duration of the closure. Employees will not be assigned to work in job functions for which they are not qualified.

All attempts shall be made by the County Administrator or designee to locate another work site/facility as quickly as possible.

5.2 Working Hours

In accordance with the Board of Supervisors' policy, a department head may change the working hours of individual employees to accommodate functional needs of the department so long as no change is made in the regular hours of the department.

5.3 Overtime

For the purposes of determining an employee's eligibility for overtime compensation, only actual hours worked shall be considered "hours worked".

If, in the judgment of a department head or duly-authorized designee, work beyond an employee's normal work day or work week is required, the department head or designee may order such overtime work. The department head or designee will give reasonable advance notice of such schedule changes, except in unusual or unforeseen circumstances. Except as provided in this Section, employees shall be eligible for overtime compensation when:

- (a) an employee works in excess of the number of hours in his/her normal work day except that any part-time employee shall not be eligible for overtime until such employee works at least 12 hours in a day.
- (b) an employee works in excess of eighty (80) hours in a bi-weekly pay period;

- (c) an employee whose normal work week is five (5) scheduled eight (8) hour days in a calendar week of seven (7) days works more than forty (40) hours and five (5) days in a calendar week;
- (d) an employee who, because of shift changes, works two (2) or more shifts in any twenty-four (24) hour period and is off duty less than eight (8) hours between shifts. In such case, the employee shall be compensated for any additional shift(s) in the same manner as for other overtime notwithstanding (b) and (c) above;
- (e) an employee is required to work during a lunch period for which the employee does not ordinarily receive compensation.

5.4 Overtime Exception

Employees whose normal work week varies from the normal five (5) days in a calendar week of seven (7) days shall not be eligible for overtime compensation except as described in (a), (b), and (d) above.

5.6 Compensation for Overtime

Employees shall be compensated for overtime in accordance with their Group designation:

- (a) Group 0 employees are those exempt from FLSA and do not receive Administrative Leave as described in Section 5.6(a) (1) of this Memorandum of Understanding.
- (b) Group 1 employees are those employed in classifications eligible for exemption from the overtime provisions of the Fair Labor Standards Act (FLSA) and designated by the Board of Supervisors to be salaried and, therefore, exempt from the overtime provisions of the FLSA. These employees may be required to periodically or routinely work long or irregular hours to fulfill the responsibilities of their positions. These employees are not eligible to receive overtime compensation or compensatory time off. However, in recognition of the sometimes long and irregular hours which these employees are required to work to accomplish program objectives, the County will provide paid administrative leave as follows:
 - (1) Each fiscal year, the Department Head shall grant ten days of administrative leave to eligible salaried employees.
 - (2) The benefits provided by this program are not related to hours worked nor subject to accrual, and under normal circumstances may not be carried over beyond the end of the fiscal year.
- (c) Group 2 employees shall be compensated for overtime by either cash payment at the rate of one and one-half (1-1/2) times the employee's hourly salary (including applicable supplements) or by the accrual of compensatory time at the rate of one and

one-half(1-1/2) times the overtime hours worked. The maximum compensatory time accumulation shall be eighty (80) hours and any additional overtime worked shall be compensated by cash payment at the rate of one and one-half (1-1/2) times the employee's hourly salary (including applicable supplements).

- (d) Group 4 employees are those working in positions which have been found to be non-exempt from the overtime provisions of the Fair Labor Standards Act (FLSA). Group 4 employees shall be compensated for overtime worked in the same manner as Group 2 employees.

For employees in Group 2 and Group 4, if the department head concludes that the department's budgetary situation allows latitude to confer either compensatory time off or overtime, the department will give good faith consideration to employee preference. Departmental conditions can change within fiscal years and determinations under this section are not grievable.

If an employee moves from a Group 2 or 4 position or class to a Group 0 or 1 position or class, or the employee's position is determined to be a Group 0 or 1 position or class, any accrued compensatory time off (CTO) will be paid to the employee.

5.7 Meals and Rest Periods

5.7.1 Rest Periods

To promote maximum productivity and morale, it is the policy of San Joaquin County that, when County operations permit, each employee shall be entitled to two (2) rest periods not exceeding fifteen (15) minutes each, during a regular eight (8) hour shift. When County operations permit, such rest periods are to be taken as nearly as possible in the middle of each four (4) hour segment of each employee's work day. Time allowed for rest periods may not be accumulated from one half of the workday to another, nor may rest periods be used to alter an employee's normal work hours and meal periods.

5.7.2 Meals During Overtime

Meals which must be consumed on the job after the normal workday and while working in an overtime situation are not to be considered as an interruption of overtime work performed. The County shall neither pay for nor provide meals, nor is an employee who takes a break for a meal to be considered as being in a paid status. An employee, upon request, shall be allowed to take a thirty (30) minute meal break after two (2) hours overtime and every four (4) hours thereafter. The County retains the right to refuse requests for meal breaks in the event of emergency.

5.8 Alternative Schedule

5.8.1 Flex Hours

The County and SJCAA shall negotiate, on request, flex time schedules on a department by department basis. Such negotiations shall be conducted between SJCAA and the County's designated negotiator.

The County and SJCAA agree that when a written request for flexible work schedules is denied, the Appointing Authority or designee shall respond to the request in writing (within 14 days) stating the reasons for the denial.

Flex time schedules are those alternate work schedules, including but not limited to a "4-10" plan or a "9-80" plan, which do not violate the Fair Labor Standards Act or Section 5.3 of this memorandum, unless otherwise agreed by the parties. No flex schedule arrangement shall be implemented until the County and SJCAA adopt a memorandum of understanding specifically setting forth provisions of the schedule with respect to overtime, holiday, sick leave and other affected benefits.

5.8.2 Job Sharing

Any regular, permanent full-time employee may agree to job-share a position, subject to approval by a Department Head and the Director of Human Resources.

5.8.2.1 Conditions of Participation

Employees must have permanent Civil Service status.

- a. Bi-weekly salary for job-sharing employees will be pro-rated. Pro-rated compensation will be based on each individual's step on the salary range.
- b. Vacation, sick leave, floating and regular holiday will be earned on a pro-rated basis.
- c. The dollar value of the County's contribution to health, dental and vision insurance, and the retirement value for one full-time allocated position will be pro-rated.
- d. Employees participating in a job-share agreement will be treated as temporary employees for retirement purposes only.
- e. If a vacancy does not exist when an employee who is participating in a job-share arrangement wishes to resume full-time employment, the employee will be required to maintain job-share status until a vacancy in the appropriated classification occurs. Job-share participants will be entitled to the first vacancy that occurs in the appropriate classification in their department or may consider the transfer option to another County department. Participants will be notified prior to the implementation of a position freeze or if the position is to be filled.

- f. Worker's Compensation will be administered in accordance with the Labor Code of the State of California.
- g. Employees are eligible for overtime compensation only after 40 hours in a work week.
- h. Limits to trading time, coverage during illness or vacation, the work schedule and total hours each employee will work during a pay period, will be set by the department head.
- i. If one participant in the job-share agreement terminates employment during the agreement and a replacement cannot be found within a reasonable time period, the remaining employee will be required to return to full-time status.
- j. For the purpose of interpreting minimum qualifications for open or promotional exams, work experience during the period the employee is participating in the job-share agreement will be calculated on a pro-rated basis.

5.10 Jury and Witness Duty

5.10.1 Jury Duty

Any regular employee who is summoned for attendance to any court for jury duty shall be deemed to be on duty and there shall be no loss of pay, however any jury fees (excluding payment for mileage) received by the employee shall be paid to the County.

5.10.2 Witness Duty

Any employee who shall be called as a witness in a case arising out of and in the course of the employee's County employment shall be deemed to be on duty and there shall be no loss of pay. Any witness fees received by the employee shall be paid to the County together with any mileage allowed if the employee uses County-provided transportation. If such witness duty is performed on a day on which the employee would normally not be working, the employee shall be deemed to be on duty and shall be compensated for overtime as provided in Section 5.3. An employee called as a witness in any other matter shall be deemed off duty.

5.11.1 Reassignment

The County and SJCAA agree that one of the factors to be assessed when involuntarily reassigning an employee shall be the seniority of the qualified employees.

Any employee who is involuntarily transferred may request a written statement from the appointing authority as to the reasons for the reassignment. This written response shall be issued within fourteen calendar days from the date of the request.

6 SALARY ADMINISTRATION

6.1 Salary Upon Appointment

New employees shall be appointed at the first step of the salary range adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the range commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary range at which the new employee enters may be raised to that step or to a lower step in the range upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2 Step Increases

6.2.1 Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary range assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from his/her department head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if his/her overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary range shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary range at one time except as provided in Section 6.1 above.

6.2.3 Eligibility for Step Increases for Part-Time Employees (Non-Healthcare Professionals)

Effective the pay period nearest January 1, 2001 employees designated as part-time with 1300 hours of service in the prior calendar year and 2080 hours of unbroken service (not taken

off payroll) shall be eligible for an increase to Step B. Thereafter, eligible part-time employees shall receive a further step increase for each additional 2080 hours of service.

6.3 Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause but, upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step On Promotion

An employee appointed to a position with a higher salary range shall have his/her salary adjusted to the first step of the new range or to the step in the new range which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new range. For the purposes of this Section, pay supplements which are a percentage of base salary (except above class pay, special assignment pay, or supplemental pay that carry over to the promotional class) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new range. The effective date of the promotion shall become the new merit advancement date for the employee and he/she shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5 Order of Adjustments

Whenever an employee is promoted and receives a range change or the employee's position is reclassified to a class having a higher salary range, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which he/she may be entitled and then receive such increases to which he/she may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6 Salary Step on Demotion

If an employee is demoted to a position having a lower salary range because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the range assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary range, the employee shall receive the salary in the new range which is equal to the salary in the prior position or, if none, the next lower salary in the range assigned to the new position.

6.7 "Y" Rates

Whenever an incumbent of a Civil Service exempt position accepts a demotion for reasons other than a disciplinary action to a class of position having a lower salary range, the Board of Supervisors may direct that the capital letter "Y" be set opposite the position to which the incumbent was demoted in the department budget and all payroll and other personnel records.

Whenever the effect of a reclassification is to place the incumbent in a Civil Service classified position having a lower salary range, the Board of Supervisors, upon the recommendation of the Civil Service Commission, may direct that the capital letter "Y" be set opposite the reclassified position in the department budget and all payroll and other personnel records.

Whenever the "Y" is set opposite a position, the incumbent shall continue to receive his/her previously authorized salary until termination of employment in the position, or until a higher rate of pay may be authorized, whichever comes first.

7.1 Definitions of Temporary and Part-Time

Definitions for part-time and temporary employment shall be as follows:

Part-Time: The status of an employee who is appointed to a position which is less than three quarters time (defined as not more than 1560 hours in a calendar year). A part-time position is ongoing in nature and anticipated to exceed six months' duration.

Temporary: The status of an employee who is appointed to a position which is either seasonal in nature (not to exceed seven months in a calendar year) and recurs year to year, or who covers peak workloads or regular employee absences (not to exceed nine months in a calendar year) in a position which is not ongoing in nature.

Part-time employees who meet the appropriate eligibility criteria may receive health insurance benefits (see Section 2.3.2.2), Step increases (see Section 6.2.3) and/or holiday pay (see Section 3.4.2.5).

7.2 Compliance With Part-Time/Temporary Definitions

The County will provide the Association with payroll data showing the number of hours worked by part-time employees in the prior six months on the pay period closest to June 1 and December 1 of each year. The County will provide the Association with payroll data showing the number of hours worked by temporary employees in the prior year on the pay period closest to January 1 of each year.

Disputes regarding violations of the part-time and temporary employee definitions shall be submitted directly to Labor Relations pursuant to the complaint procedure set forth in Section 17.

7.3 Combination of Part-Time Hours

An employee designated as part-time may combine the hours worked in two different positions in the same department for the purpose of establishing part-time status and eligibility for benefits.

Employees' retirement contributions to SJCERA shall be made on a pre-tax basis.

Tier I members contributions as determined annually by the plan actuary pursuant to Section 31621.3 for General Members of SJCERA Tier I and expressed as a percentage of payroll shall be known as the "Basic Member Contribution Rate." Effective the first pay period following September 1, 2015, employees who are members of SJCERA Tier I shall pay the Basic Member Contribution Rate applicable to their member category plus the increase in that rate as specified in Government Code Section 31631.5 (a) (1), not to exceed 50% of the normal cost of benefits.

Tier II members shall pay member contributions pursuant to Government Code Section 7522.30, which shall be at least 50% of normal cost as determined annually by the plan actuary and expressed as a percentage of payroll. The County shall not pay any of the required member contribution.

Employees who were General Members of SJCERA on March 7, 1973, and remained continuously in membership until having credit for thirty (30) or more years of service who, for that reason, are not making contributions to SJCERA, shall receive, in addition to their regular rate of pay, an amount equal to what their retirement contributions would be if they were still making such contributions. (Government Code Sections 31625.2 and 31664.1)

8.3.1 Retirement COLA Cost Share

Effective July 1, 2012, the County modified Resolution R-75-1592 whereby it agreed to pay the costs of the contributions which would otherwise be assessed to individual members of SJCERA for their cost of living contributions. In accordance with Section 31873, the contributions required for the normal cost of post-retirement cost-of-living adjustments shall be shared equally between the County and employees who are members of SJCERA.

8.4 Retirement - Sick Leave Conversion

For employees who were employed on or before August 27, 2001, a nominal sick leave credit account, also commonly referred to as a “sick leave bank,” shall be established for each employee who: (1) separates from employment and concurrently assumes a retired status, either deferred, service, or disability, in SJCERA; (2) continues or defers such employee's coverage under a County-sponsored group health, dental, or vision insurance plan; and (3) has at least one hundred and sixty (160) hours of accumulated sick leave as of the date of separation.

The account shall be credited upon the employee's separation with a dollar value based on the total accumulated sick leave hours to be converted to sick leave bank. For purposes of this Section, each eight (8) hours of sick leave is equal to one (1) day. The conversion rate is and shall not exceed \$221.24 for each eight (8) hours of accumulated sick leave.

As of the effective date the retired employee is first paid a retirement allowance by SJCERA, the retired employee may use the account to pay monthly premiums for County-sponsored health, dental, or vision plans in which the retired employee and/or his or her eligible dependents are enrolled, and shall continue until such account is fully depleted, the employee ceases to be a member of SJCERA, or the retired employee and all of his or her dependents cease to be enrolled in the plan(s), whichever first occurs.

Employees who separate from employment and assume a deferred retirement status are eligible to enroll in County-sponsored group health, dental, or vision plans, but may not utilize their sick leave credit account to pay for monthly premiums unless and until they retire and receive a monthly retirement allowance from SJCERA.

Pursuant to San Joaquin County Ordinance No. 4122, employees eligible for sick leave credit accounts under this section who so elected will receive additional retirement service credit pursuant to Section 31641.03 for their accumulated sick leave at retirement in lieu of a sick leave credit account.

Any employee hired after August 27, 2001 shall not be eligible for sick leave conversion under this Section.

8.5 Retirement Death Benefits

The death benefits provisions of Section 31789.3 shall be maintained for employees who are members of SJCERA.

Any required contributions paid by a member of SJCERA for additional service credit shall become part of the member's accumulated contributions with SJCERA. Any additional liability assumed by or contributions paid by the County because of an employee's purchase of additional service credit shall not become part of the employee's accumulated contributions and shall not be considered compensation for purposes of contributions to or benefits from SJCERA.

8.7 Retirement Buy Back

For employees who wish to purchase previous temporary San Joaquin County service under the provisions of Government Code Section 31641.5, the County shall assume responsibility for 50% of the amount of the contribution the employee is required to pay in order to be credited with such service. 9 TRAINING AND EDUCATION

9.1 In-Service and Job-Related Training

10.1 Worker's Compensation

The waiting period for employees disabled out of or in the course of employment before an injured employee may begin collecting temporary disability payments shall be three (3) days. Such days shall be charged against sick leave or other applicable accrued leave time unless the employee is hospitalized as a result of the disability or the disability lasts for more than seven (7) days.

Employees who are receiving temporary disability indemnity payments under Division 4 or Division 4.5 of the Labor Code shall accumulate vacation (including seniority credit for the purposes of vacation accrual under Section 3.1), holidays and sick leave during such period of time that they are drawing such temporary disability indemnity. The County shall continue to provide health, dental, vision, and life insurance plan coverage for such employees as if they were on payroll as regular employees.

10.2 Worker's Compensation Leave

Notwithstanding other provisions of this Section, an employee who is disabled as a result of an injury or illness arising out of and in the course of employment and eligible for Worker's Compensation benefits shall have an automatic leave of absence until a ruling is made that recovery from disability is sufficient to release the employee. The County shall comply with all applicable laws and regulations pertaining to workplace health and safety.

The following constitutes the sole health and safety appeal procedure between the parties and the issues brought to this Committee are not subject to appeal under Complaint Procedure.

The Safety Committee will be comprised of one member from each SJCAA represented bargaining unit, and an equal number of members designated by the County and will meet for organizational purposes within one month of ratification of this agreement by the Board of Supervisors. Either side may designate alternates. The committee will meet monthly and the committee may change the frequency of the meetings by majority vote.

Members shall be advised of Safety Committee meetings and their agendas in advance.

By majority vote of the Committee, as assigned and scheduled, the Safety Committee members, in Labor Management pairs, will be responsible for conducting workplace safety and health surveys and inspections to identify safety and health hazards at worksites and address worker concerns. County safety personnel will be kept fully apprised of all committee activity, and will assist the committee as requested.

Employees shall report any health and safety concerns first to their immediate supervisor. In no case shall the reviewing officer sign the evaluation form until a review has occurred.

Any regular or special evaluation with a rating of "unsatisfactory" shall include plans for employee development. Except in cases of termination, release from probation, or leave of absence, employees who receive an unsatisfactory performance evaluation must receive a follow-up evaluation. The follow-up evaluation shall cover a period of time no greater than ninety (90) calendar days from the date of the final review of the initial unsatisfactory evaluation.

11.3 Employee Personnel Files

Employees shall have the right to review and at their own expense obtain copies of their personnel file. Their official personnel file is located in the County's Human Resources Division. Authorization shall be valid for sixty (60) calendar days from the date of signature.

The County reserves the right to withhold from employee review reports of an employee's pre-employment physical examination, records of an employee relating to investigation of possible criminal offense or other legally privileged records.

Employees shall be given an opportunity to read and initial any report to be added to their personnel files, but an employee shall not be required to sign any such report. An employee's signature on a report shall be understood to be acknowledgment of receipt and shall not be construed as agreement or disagreement with its content. If the employee refuses to sign any report, a notation to that effect may be entered on the document. A copy will be provided to the employee upon request.

An employee shall have the right to submit written comments regarding any document in his/her personnel file and to have such comments included in his/her personnel file along with the document.

11.4 Letters of Reprimand

An employee has the right to request in writing that a letter of reprimand be removed from the employee's personnel file if two years have elapsed from the date of reprimand and there has been no recurrence of the issue contained in the reprimand.

If the reprimand is in the department or division personnel file, the request must be directed to the department head or designee. If the reprimand is in the central Human Resources Division files, the request must be directed to the Director of Human Resources. The department head or designee, or the Director of Human Resources, whichever is appropriate, shall review the request and, within fourteen (14) calendar days render a decision on the request. The decision of any of the above individuals shall be final.

Indemnification and defense of County employees, for claims against them arising out of acts or omissions within the scope of their employment, are set out in Article 4, Division 3.6 of Title 1 of the Government Code of the State of California.

The County and County employees recognize their respective rights and obligations under these provisions of these laws as they exist at this time and as they may be amended or given final, binding judicial interpretation.

13 EMPLOYEE PROPERTY AND EQUIPMENT

13.1 Replacement of Damaged Property

Except for loss or destruction to currency, the county may provide for the payment of the cost of replacing or repairing property or prostheses of an employee, such as eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by the employee when

any such items are lost or damaged in the line of duty without fault of the employee. If the items are damaged beyond repair, the actual value of such items may be paid. The value of such items shall be determined as of the time of the loss or damage. The Board of Supervisors delegates to the County Administrator the authority to grant or deny claims which do not exceed \$500.

14 LAYOFFS

14.1 Notice

Any permanent County employee who is a member of the County's Merit System and who is to be laid off or dismissed for other than disciplinary reasons shall be given fifteen (15) calendar days notice. This provision does not apply to probationary, provisional, or temporary employees. Nothing contained herein shall be deemed to require the County to pay an employee except for services rendered.

14.1.1 Meet and Confer

Fifteen calendar days prior to issuing any layoff notices, the County shall notify the Association in writing of the proposed layoffs. Such notice will identify the proposed layoffs by department and by classification. Upon the request of the Association in writing, the County will meet and confer with the Association regarding the effects of the proposed layoffs and will consider any proposals advanced by the Association regarding the effects of the proposed layoffs.

14.1.2 Mitigation

In order to mitigate the effect of lay-offs the County will provide employees identified for layoff with the opportunity to participate in an orientation program. The County will make all reasonable efforts to place employees who have been placed on any resulting layoff list. The County shall also provide a monthly mailing of the County Employment Bulletin and any other information deemed relevant by the Human Resources Division to all employees who remain on the layoff list.

14.1.3 Benefits

Employees who are provided a notice of layoff pursuant to section 14.1 of this Agreement shall have their eligibility for employee benefits extended for one pay period beyond the date coverage would have terminated due to the notice of layoff. In such situation the County will make payment for benefits as provided in section 2.3.1 of this Agreement.

15 SUBSTANCE ABUSE REFERRALS

The San Joaquin County Attorneys Association acknowledges the right of Department Managers (at the Middle Management level and above) to refer employees suspected of being under the influence of alcohol or drugs while on duty to San Joaquin General Hospital (Satellite Clinic or Employee Health Services) or to other physicians to be evaluated as to their ability to

perform their job. In acknowledging this right, the Association does not relinquish its right of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall report to SJCAA, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.

The County and SJCAA jointly recognize the value of the County's Employee Assistance Program in the evaluation and resolution of employee problems associated with substance abuse.

After completion of the review meeting, the reviewing manager shall determine whether there was a sufficient basis for the serious discipline. The reviewing manager shall then affirm, modify, or revoke the serious discipline in a written decision setting forth the basis for the decision. This decision shall be final, binding and non-appealable.
