MEMORANDUM OF UNDERSTANDING

PEACE OFFICERS MISCELLANEOUS BARGAINING UNIT

PREAMBLE:

This Memorandum of Understanding, hereinafter referred to as "Memorandum", is made by and between the County of San Joaquin and the San Joaquin District Attorney Investigators Association, hereinafter referred to as "SJDAIA" or "Association", representing employees who are members of the Peace Officers Miscellaneous bargaining unit. This Memorandum of Understanding constitutes the result of meeting and conferring in good faith pursuant to the California Government Code and the San Joaquin County Employer-Employee Relations Policy.

DURATION:

This Memorandum shall be in effect from the date of adoption by the Board of Supervisors through March 31, 2021.

1 EMPLOYER-EMPLOYEE RIGHTS AND RESPONSIBILITIES

1.1 Management Rights

SJDAIA and the County of San Joaquin recognize that it is the exclusive right of the County except as may be provided otherwise by Civil Service Rules, this Memorandum of Understanding, or the Employer-Employee Relations Policy to make all decisions of a managerial or administrative character, including but not limited to:

- (a) Hire, promote, transfer, assign, classify positions, retain employees, and to suspend, demote, discharge or take disciplinary action against employees.
- (b) Lay off or demote employees from duties because of lack of funds, in the interest of economy, or other legitimate reasons.
- (c) Determine the policies, standards, procedures, methods, means and personnel by which County operations are to be conducted.
- (d) Take whatever actions may be necessary to carry out the mission of the County in situations of emergency.
- (e) Nothing in this Memorandum shall be construed to interfere with the County's right to manage its operations in the most economical and efficient manner consistent with the best interests of all the citizens of San Joaquin County.

1.2 Labor - Management Committees

The County and SJDAIA shall establish committees comprised of labor and management representatives to deal with specific areas of concern as specified by separate letter.

1.3 Employees' Rights - Employer-Employee Relations

SJDAIA and the County of San Joaquin recognize that each employee shall have the following rights which he/she may exercise in accordance with this Memorandum, Employer-Employee Relations Policy, applicable law, ordinances and rules and regulations:

(a) The right to form, join, and participate in the activities of any labor organization of his/her own choosing for the purpose of representation on all matters within the scope of representation.

(b) The right to be free from interference, intimidation, restraint, coercion, discrimination, or reprisal on the part of the County, other employees or employee organizations, with respect to his/her membership or non-membership in any employee organization or with respect to any lawful activity.

(c) The right to refuse to join or participate in the activities of any employee organization.

(d) The right to represent himself/herself individually in his/her employee relations with the County.

The Association or any employee or group of employees who has a complaint regarding the exercise of rights under this provision may file charges in writing with the Board of Supervisors and serve the charged party in accordance with Section 13 of the Employer-Employee Relations Policy.

1.4 Discrimination in Employment Prohibited

No employee, or applicant for employment, shall be discriminated against in any aspect of employment because of, age, ancestry, color, creed, marital status, medical condition (cancer or genetic characteristics), national origin, physical or mental disability, political affiliation or belief, pregnancy, race, religion, sex, or sexual orientation as outlined in Civil Service Rule 20.

Any employee who believes he or she has been harassed or discriminated against because of any of the above reasons, may bring the matter to the attention of the supervisor or may consult with his or her Department Equal Employment Opportunity Coordinator/Officer. The initial contact should be made as soon as possible, but no later than 60 days after the employee should reasonably have been aware of the alleged act of discrimination or harassment occurred.

The Equal Employment Opportunity Coordinator/Officer shall act as investigator, and the complaint shall be processed in accordance with Civil Service Rule 20, Section 3. Informal Complaint Process.

San Joaquin County shall comply with the provisions of the Americans With Disabilities Act (ADA). Individuals requesting reasonable accommodation under the ADA shall make a request in writing to their supervisor or manager, supported by medical documentation provided by an approved medical physician. The request shall identify the specific accommodation required and the anticipated duration needed for the accommodation. The manager or supervisor shall meet with the employee to confirm any documentation or verification received, in compliance with the ADA. The manager or supervisor shall respond to the written request in writing within 10 days of receipt of supplemental materials. Any such documentation, which discloses employee medical information, shall be provided directly to the Human Resources Disability Management Unit. The County ADA Coordinator in Human Resources shall be consulted if any dispute arises in regard to an ADA accommodation.

1.5 SJDAIA Rights

SJDAIA shall have the following rights:

(a) REPRESENTATION: Upon request, to meet and confer in good faith with appropriate levels of County management regarding matters within the scope of representation.

(b) ADVANCE NOTICE: Except in cases of emergency, SJDAIA shall be given reasonable advance written notice of any ordinance, resolution, rule or regulation, proposal or other action directly relating to matters within the scope of representation proposed to be adopted by the County and shall be given the opportunity to meet and confer in good faith with management prior to its adoption. Written notice will customarily be provided by furnishing SJDAIA with advance copies of the agenda of the Board of Supervisors and Civil Service Commission meetings.

In cases of emergency when County management determines that an ordinance, resolution, rule or regulation must be adopted immediately without prior notice or negotiations with the Association, County management shall provide such notice and opportunity to negotiate at the earliest practicable time following the adoption of such ordinance, resolution, rule or regulation, proposal, or other action.

(c) REPRESENTATIVES - MEETING ATTENDANCE: SJDAIA may have a reasonable number of employees who serve as official representatives released from work without loss of compensation when meeting and conferring with management representatives where matters within the scope of representation are being considered. SJDAIA shall submit a request for such release and shall include therewith a listing of such employees including their titles and departments to the management representative and departments concerned in advance of the meeting. The use of County time for this purpose shall not be excessive, nor shall it unreasonably interfere with the performance of County services as determined by the County. The reasonableness of the number of such employees shall be the subject of negotiation.

(d) REPRESENTATIVES ACCESS TO EMPLOYEES:

(1) Authorized representatives of SJDAIA shall be allowed reasonable access to employees of the unit at their work locations during the working hours of the employees

concerned for the purpose of discussing matters within the scope of representation, including but not limited to the processing of grievances and complaints and distributing materials and information provided that the work of the employee and the service to the public are not unduly impaired. The authorized representative shall give advance notice to the department head when contacting departmental employees during their duty period.

(2) Reasonable solicitation for membership or other internal Association business or campaigning shall be conducted only during the non-duty hours of all employees concerned, so long as normal work functions of County are not interfered with.

(e) ASSOCIATION REPRESENTATIVES: Association Representatives employed and recognized by San Joaquin County may assist employees in resolving complaints and grievances at the lowest possible administrative level of review. Representatives will be allowed a reasonable amount of County time, to investigate process and meet with management on a complaint or grievance. Such time shall not exceed four hours per case. Representatives may use County time to meet with management only at the first or second level of review of the complaint procedure.

A request for release time for the purposes outlined above shall be made prior to taking the release time. Such a request shall not be unreasonably denied.

NUMBER OF REPRESENTATIVES: The Association may have a reasonable number of Representatives in this unit to represent employees at County work sites. If the County believes that the Association's Representatives number is unreasonable, the parties will meet and confer at the request of the County. The Association shall provide a current list of all designated Representatives to the Human Resources Division at the beginning of each calendar year and whenever there is a change in the list of Representatives. The list shall show the employee name and classification. No representative shall be recognized as such by the County without written authorization from SJDAIA.

(f) SJDAIA - COUNTY FACILITIES USE: County facilities shall be available to SJDAIA as follows:

(1) County Buildings: SJDAIA may be granted the use of County facilities for meetings composed of County employees within the bargaining unit provided space can be made available without interfering with County needs. SJDAIA shall obtain the permission of the designated County official for the use of such facilities.

(2) Bulletin Boards: SJDAIA has the right to the reasonable use of existing bulletin board space in each building or department at a location agreed upon by the Association and the department, under the following conditions:

(a) Material shall be posted on space as designated.

(b) Posted material shall bear the name of the Association.

(c) Posted material shall not be misleading, contain any deliberate misstatements or violate any Federal, State or County laws.

(d) Material shall be neatly displayed and shall be removed when no longer timely.

(g) **EMPLOYEE PAYROLL DEDUCTIONS:** SJDAIA shall have the exclusive right to payroll deduction for its members in this unit including regular dues and employee benefit program costs. Regular dues and employee benefit program costs may be deducted from the employee's individual paycheck. Except as otherwise provided in this Memorandum, payroll deductions shall be made only upon the revocable written authorization of the individual employee.

A continuation of SJDAIA payroll deductions, without resigning a payroll deduction card, shall be allowed after an employee returns from a leave of absence.

(h) **FAIR SHARE FEE:** SJDAIA agrees that it has a duty to provide fair and nondiscriminatory representation to all employees in the units for which this Agreement is applicable regardless of whether they are members of SJDAIA. Subject to the remaining provisions of this section, all covered employees employed on or after the effective date of this Agreement and continuing until the termination of this Agreement, shall as a condition of employment either:

(1) Become a member of SJDAIA and remain a member for the duration of this MOU, provided that such members may elect to resign from the Association between 120 and 90 days prior to expiration of the MOU; or

(2) Pay to SJDAIA a fair share fee in an amount which does not exceed the amount of its standard initiation fee, periodic dues, and general assessments.

Prior to collection of agency fees and on an annual basis thereafter, the Association shall notify all bargaining unit members of the Association's expenses, with adequate breakdown of expenses into reimbursable and non-reimbursable areas. If objections are received, the Association shall provide those procedures set forth in the case of *Chicago Teachers Union v. Hudson*.

(i) **ASSOCIATION RELEASE TIME:** SJDAIA representatives shall be allocated a total of twenty (20) hours for Association business for this bargaining unit for each 365-day period or part thereof under this Memorandum. The Association shall pay to the County the cost of such representatives' County salary for this period in cash or method to be agreed upon by the Human Resources Division and SJDAIA.

BONA FIDE RELIGIOUS EXCEPTION

Any employee who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations

shall not be required to join or financially support any public employee organization as a condition of employment. Such employee shall be required, in lieu of periodic dues, initiation fees, or agency shop fees, to pay sums equal to such dues, initiation fees, or agency shop fees to a non-religious, non-labor charitable fund exempt from taxation under section 501(c)(3) of the Internal Revenue Code, chosen by such employee from the following list:

1. St. Mary's Interfaith Dining Room
2. The Women's Center
3. Salvation Army

Proof of such payments shall be made on a monthly basis to the public agency as a condition of continued exemption from the requirement of financial support to the public employee organization.

SEPARATION FROM UNIT

The provisions of this Agreement shall not apply during periods that an employee is separated from the representation unit but shall be reinstated upon the return of the employee to the representation unit. The term "separation" includes transfer out of the unit, layoff, and leave of absence with a duration of more than thirty (30) days.

COMPLIANCE

An employee in or hired into a job classification represented by SJDAIA shall be provided with an Employee Authorization for Payroll Deduction form by SJDAIA. If the form authorizing payroll deduction is not returned within thirty (30) calendar days after notice of this fair share fee provision and the SJDAIA dues, fair share fee, initiation fee or charitable contribution required are not received, SJDAIA may, in writing, direct that the County withhold the fair share fee and the initiation fee from the employee's salary, in which case the employee's bi-weekly salary shall be reduced by an amount equal to the fair share fee and the County shall pay an equal amount to SJDAIA.

FORFEITURE OF DEDUCTIONS

If the balance of an employee's wages, after all other involuntary and insurance premium deductions are made in any one pay period, is not sufficient to pay deductions required by this Agreement, no such deduction shall be made for that period.

HOLD HARMLESS

The authorization for payroll deductions described in this agreement shall specifically require the employee to agree to hold the County harmless from all claims, demands, suits or other forms of liability that may arise against the County for or on account of any deduction made from the wages of such employee.

SJDAIA shall defend, indemnify and save the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that shall arise out of or by reason of, action taken or not taken by the County under this Agreement. This includes not only the County's reasonable attorney fees and costs but the reasonable cost of management preparation time as well. The County shall notify SJDAIA of such costs on a case-by-case basis.

RESCINDING FAIR SHARE FEE

This section may be rescinded by a majority vote of the employees in a bargaining unit in accordance with the provisions Government Code Section 3502.5(b). The following is the Fair Share Fee Rescission Procedure agreed to by represented units and SJDAIA:

1. **TIME FRAMES:** A request for a vote to rescind a fair share fee agreement may be filed no sooner than 90 days and no later than 60 days before the expiration of the applicable Memorandum of Understanding containing the fair share fee agreement.

2. **VALID REQUESTS:** A request for a rescission vote must be accompanied by proof of approval of the request by at least 30% of the employees of the representation unit covered by the fair share fee agreement. Proof of approval shall require:

- a. valid signatures of individuals who were on payroll and members of the representation unit as of the first pay day date to occur no sooner than 90 days and no later than 60 days before the expiration of the fair share fee agreement with the unit in question. Printed names must accompany the signatures so that signatures may be verified.
- b. a statement that the intent of the signer is to secure approval for a vote to rescind the fair share fee agreement for the signer's representation unit. Each petition must be for a single representation unit.
- c. a date beside each signature attesting that the signature has been executed within thirty calendar days prior to the date of submission of the request.

The County Administrator or designee shall verify that the request meets the above criteria.

3. **RESCISSION ELECTION:** If a valid request for rescission has been verified, the County Administrator or designee shall arrange for a secret ballot:

- a. Such election shall be conducted by the State Mediation and Conciliation Services pursuant to its rules.
- b. The election shall occur no sooner than 15 days and no later than 45 days following the submission of a valid request by members of a representation unit to rescind fair share fee provisions for their unit.

c. The issue shall be presented to unit members in the form of a question on which to vote yes or no: "Shall the fair share fee provisions of the Memorandum of Understanding for the Peace Officers Miscellaneous Unit be rescinded?"

d. If "yes" is marked by a majority of unit members, the fair share fee provisions shall be rescinded. A majority is defined as 50% plus one of all the eligible members of the unit.

e. The Board of Supervisors shall certify the results of the election.

4. ELIGIBILITY TO VOTE: Members of the unit who meet the criteria of 2a above shall be eligible to vote in the rescission election.

5. ELECTION CHALLENGES: Unfair election practices or challenges made to the conduct of an election which are not resolved by the State conciliation service during the course of the election shall be filed with the Board of Supervisors. Such challenges or unfair election practice charges shall be heard in accordance with the hearings provisions of Section 8-3(b) of the employer-Employee Relations Policy.

6. ELECTION COSTS: Any costs resulting from a rescission election shall be borne by SJDAIA in accordance with the hold harmless clause of the fair share fee agreement.

FINANCIAL REPORT

Annually, SJDAIA shall provide the County with copies of the financial report required pursuant to the Labor Management Disclosure Act of 1959. Such report shall be available to covered employees. Failure to provide such a report within sixty (60) days after December 31 of each calendar year shall result in the termination of all fair share fee deductions without jeopardy to any employee, until said report is filed.

1.6 Work Stoppage

No employee shall be eligible for paid leave as a result of, or while participating in or engaged in, any concerted work action.

It is mutually agreed and understood that during the period this Agreement is in force and effect the Association will not authorize or engage in any strike, slowdown, or work stoppage. Represented employees are also bound by the above.

2 INSURANCE

2.1 Compliance with Applicable Benefits Laws and Eligibility

During the life of this agreement, the County will maintain its health plans in compliance with provisions of the Affordable Care Act (ACA) and all other applicable state and federal laws governing public sector employee benefits plans.

All regular full-time and contract and part-time employees, who by such contract or parttime provisions are immediately eligible for County health insurance coverage, will be eligible for benefits upon hire. Eligibility for health benefits for variable-time employees will be determined based on the measurement and stability period provisions of the ACA. Coverage in the full-time health plans will be extended to employees who work on average 30 or more hours per week during each measurement period. This provision will be implemented at the start of the 2015-16 plan year as required by the provisions of the ACA, or later if amended by federal mandate.

Eligible employees who receive a paycheck that does not have sufficient funds to pay their share of health plan premiums during any period of eligibility may continue benefits coverage by making arrangements to pay their share of the premium with the Employee Benefits Office.

2.2 Effective Date of Coverage

The effective date of coverage for newly eligible employee members in the health, dental, and vision insurance plans shall be the first day of the first bi-weekly pay period following the date of appointment to employment as a regular employee or as a contract or part-time employee, who, by such contract or part-time provisions, is eligible for the stated insurance coverage, provided that coverage shall not be effective until the first day of the first bi-weekly pay period after the employee has completed the required enrollment forms.

For part-time employees who first become eligible for benefits coverage by operation of the ACA either following their initial measurement period (first year of continuous employment) or following any subsequent measurement period, coverage shall be offered to the employee within the time frames specified by the ACA and shall become effective on the first day of the pay period specified by the County and in compliance with the ACA, provided that the employee has properly enrolled in coverage.

All eligible employees shall enroll in insurance coverage or complete an Opt Out form within the time frame established for enrollment. Employees failing to enroll within the specified time frame shall be deemed to have waived coverage under the plans. Eligible employees who are not covered under the plan may elect to participate at the next Open Enrollment period by signing the required enrollment forms, or upon the occurrence of a Qualifying Status Change Event, as permitted under IRS regulations.

2.3 Health Insurance Options

The County shall continue to provide an option for health insurance coverage for eligible employees and dependents in one of three plans. The three plans shall be: (1) a Kaiser Plan; (2) a Select Plan; and (3) a Premier Plan. Health plans offered to employees may be either self-funded

by the County or fully insured. If any plan is self-funded, a plan document shall be adopted by the Board of Supervisors.

If the County decides to provide health insurance coverage with other than the above health insurance providers, the County shall 1) continue to provide at least two (2) options for health insurance plans for eligible employees and dependents, including, at minimum a PPO and an HMO plan; and 2) at least one of the health providers will be a non-County, fully insured provider.

2.3.1 Premiums

The County will pay 80% of the employee-only premium and the employee shall pay 20% of the premium for employees electing the restricted PPO or the HMO plans. For employees electing dependent coverage the County shall contribute 80% of the premium and the employee shall pay 20% of the premium.

For employees electing the expanded PPO, the County shall contribute at the same coverage level as the restricted PPO County contribution for employee-only coverage and dependent coverage. Employees will pay the difference between the County contribution and the full rate of the expanded PPO at each coverage level.

Employees may opt out of health insurance coverage during each open enrollment period.

2.3.3 Coverage For Surviving Dependents

Consistent with the Federal Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), any County employee who is covered by County-offered health insurance and who dies while employed, whether in paid or unpaid status, their surviving dependents shall be allowed to retain their dependents' coverage, provided that the dependents elect COBRA coverage and pay their applicable premiums by the due date.

2.4 Dental Insurance

The County shall provide an option for dental insurance coverage for eligible employees and dependents in either the Delta Dental or the Pacific Union Dental, dental plans. The County shall pay the employee-only premium and any increases thereof for the term of this memorandum. Dependent dental coverage is available in either of the two plans at the employee's expense.

Orthodontia coverage for dependents up to the age of 18 will be available through the Delta Dental plan for employees electing dependent coverage. The plan will pay 50% of actual costs. The maximum amount of orthodontia coverage for dependents is \$1200, lifetime, per dependent.

The maximum annual Delta Dental benefit per person shall be \$3,000.

2.5 Vision Insurance

The County shall provide vision insurance coverage for eligible employees under the Vision Service Plan for the life of this agreement. The County shall pay the employee-only premium and any increases thereof for the term of this memorandum. Dependent vision coverage is available at the employee's expense.

2.6 Life Insurance

The County shall provide each eligible employee with life insurance coverage as follows:

- (a) At least one but less than three continuous years of service -
- \$1,000.
- (b) Three but less than five continuous years of service -- \$3,000.
- (c) Five but less than ten continuous years of service -- \$5,000.
- (d) Ten continuous years of service or more -- \$10,000.

For the purposes of this subsection only, a year is defined as twelve (12) consecutive calendar months of employment.

2.6.1 Additional Life Insurance

Eligible employees in this unit shall have the option to purchase additional term life insurance in increments of \$25,000 to a maximum of \$200,000 at the County's rate.

2.8 Flexible Benefits

Employees in this bargaining unit shall have the option to participate in a flexible benefit program (as allowed and prescribed by Section 125 of the Internal Revenue Code and applicable IRC sections and regulations) which permits the pre-taxing of insurance premiums and reimbursement of eligible dependent care costs and un-reimbursed healthcare expenses with pre-tax dollars. Any Internal Revenue Code amendments that affect deductible expenses and/or County liability will void that portion of the flexible benefit program.

2.9 Continuation of Insurance Benefits While On Leave of Absence

When an employee is on an authorized leave of absence without pay, the employee shall be allowed at the employee's own expense to remain under the health, dental, vision, and life insurance coverage for up to twenty-six (26) bi-weekly pay periods provided that such employee shall pay the applicable premiums at least two (2) weeks prior to the premium due date. Specific arrangements for such coverage shall be made with the Human Resources Division.

2.10 Insurance Reopener

Either party may request to reopen this section of the MOU in December of any calendar year to discuss current insurance provisions or to propose new insurance provisions. Any modifications to current insurance provisions or any new provisions will be effective no earlier than July 1 of the succeeding calendar year, unless agreed to otherwise by the parties.

3 LEAVES FROM EMPLOYMENT

3.1 Vacation

Except as specified below, regular employees in this unit shall accrue and accumulate vacation according to the following schedule:

Leave without pay or disciplinary suspension shall delay the advancement to the next higher accrual rate until the employee has been on payroll the number of pay periods specified above.

Each department head shall make every possible effort to ensure that vacation time off requested by an employee is utilized at times which are mutually agreeable to the employee and the department; however, the department head has final authority to grant or deny such request.

3.2 Vacation Time For Illness

3.3.1 Accrual

The granting of sick leave with pay is a privilege and not a right. All regular employees shall accrue .0462 hours of sick leave for each straight-time hour on payroll not to exceed eighty (80) straight-time hours per pay period (annual accrual rate, approximately 96 hours).

- (f) An amount sufficient which, when added to an employee's disability indemnity under State Disability Insurance (if applicable), will result in a payment to the employee not more than the employee's regular salary.
- (g) Employees who have sick leave accruals can use up to forty (40) hours of such sick leave time to care for a new or adopted child.

3.3.3 Sick Leave Exclusion

The requirement, need and form for such verification shall be made known to the employee in advance of any absence, but no later than the time the employee calls in sick. An appointing authority shall not require "after the fact" verification.

3.3.5 Sick Leave Abuse

Upon information and after investigation and the determination of the Director of Human Resources that an employee has abused the privilege of sick leave benefits, the Director may suspend the employee's privilege of sick leave accrual and/or usage with pay for such period as the Director determines necessary to deter the employee from again abusing the privilege.

3.3.6 Sick Leave Conversion

Upon separation from employment and concurrent assumption of a retired status in the San Joaquin County Employees Retirement Association, each employee on payroll on or prior to August 27, 2001, shall use his/her sick leave balance to implement Section 8.4 of this Memorandum provided that the employee has more than one hundred sixty (160) hours of sick leave accumulated as of the date of separation.

Any amount received from conversion of sick leave under this Section shall not be considered compensation for purposes of contributions to, or benefits from the San Joaquin County Employees Retirement Association.

3.3.7 Sick Leave Incentive Program

In an effort to reduce the level of sick leave usage, the County agrees to the following sick leave incentive plan.

(1) **CONDITIONS OF PARTICIPATION:** An employee must be on payroll with the County during the entire calendar year to be eligible for incentive rewards.

(2) **QUALIFICATIONS AND REWARDS:** Eight (8) hours of administrative leave will be granted to an employee who, at the end of each calendar year, has a sick leave balance which equals at least one half of the cumulative amount that the employee was eligible to accrue based on years of service.

(3) **DEFINITIONS: Administrative Leave -** For the purposes of this program, administrative leave will be granted at the beginning of the calendar year which follows the year in which it was earned. Furthermore, this leave will have no cash conversion value and can only be taken during the year in which it was granted. Should the leave not be used during that calendar year, it will be lost. Scheduling of this time off shall be consistent with the procedures for scheduling compensatory or vacation time. In all instances, it shall require mutual agreement of the employee and the department head or designee.

Generally, recognized military service would be that during World War II, the Korean War, the Vietnam Conflict, or any conflict for which an expeditionary medal was awarded. This time requirement does not apply to

b) Declared emergency situations. Under such emergencies, any employee ordered to active duty is eligible for paid temporary military leave.

c) Temporary military leave with pay can be authorized for eligible employees only when they are ordered to active duty.

d) Weekend drills are not active duty. Departments will make reasonable attempts to change an employee's schedule to allow for off-duty attendance at monthly drills. If such accommodation is not possible, the employee may use leave as specified in (h).

e) A copy of the employee's order to active duty must accompany any military leave with pay.

f) Paid temporary military leave can be authorized for a maximum of thirty (30) calendar days in each fiscal year.

g) In calculating leave, holidays (floating or regular) which occur during an employee's military leave will be charged as holidays used rather than military leave.

h) All other calendar days encompassed by the order will be counted as military leave whether normally scheduled days or days off.

3.8.3 Educational Leave of Absence

Educational leave of absence without pay may be granted to permanent employees by the department if the leave furthers the department's goals and the employee's last performance evaluation was at least satisfactory. Initially, leave of up to one (1) year may be granted and may be extended up to an additional year.

3.8.4 Personal Leave of Absence

Personal Leave of Absence may be granted to a permanent employee by the department head for reasons acceptable to the department head. 3.8.5 Effect of Unpaid Leave of Absence on Other Leaves

No employee who has been granted a leave of absence without pay shall accrue any vacation, sick leave or holiday during the time of such leave nor shall such time count toward gaining permanent status.

3.9.1 State Family Leave

In accordance with State law, any employee with more than 12 months of service with the County and who has worked a minimum of 1250 hours in the 12 months prior to the start date of the leave, may take a family care leave of up to twelve (12) weeks or 480 hours in a 12-month period. An employee who takes such family care leave shall be returned to employment in the same or comparable position upon return from said leave.

Family care leave may be utilized in conjunction with the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care placement of the child, for the serious medical condition or illness of the employee, or to allow the employee to care for a parent, spouse, registered domestic partner, or child who has a serious health condition.

For the purposes of this Section, the terms "employment in the same or a comparable position", "child", "parent", and "serious health condition" are as defined in Section 12945.2 of the Government Code.

The reasonable advanced notice, scheduling and certification requirements of 12945.2 (h), (i), (j) and (k) shall also apply.

An employee who takes family care leave shall be required to use accrued vacation, compensatory time, floating holiday and regular holiday time during such leave. In accordance with County regulations governing the use of sick leave, the employee may also use accrued sick leave time. An employee on State Disability Insurance shall not be required to use more leave than is necessary, in conjunction with SDI, to receive a full paycheck.

An employee who takes family care leave in an unpaid status shall be eligible for fringe benefits on the same terms as an employee on any other unpaid leave of absence.

For issues related to illness, this section applies to medical leaves of absence that meet the definition of a “serious health condition” as defined in Section 12945.2 of the Government Code or Section 29 CFR 825.113 of the federal Family and Medical Leave Act.

3.9.2 Federal Family and Medical Leave Act

San Joaquin County will comply with the federal Family and Medical Leave Act, maintaining all rights or restrictions that are permitted by the federal Family and Medical Leave Act.

3.9.3 School Activities

The County of San Joaquin shall comply with any federal or state law requiring an employer to grant time off to participate in a child's school activities. Current state law provides that parents may take up to 40 hours per year, but not more than eight (8) hours per month, to participate in their children's school activities. Current state law provides that at the request of the employer the employee shall provide documentation as proof of the employees' participation in their children's school activities on a specific date and at a particular time. For purposes of this section “documentation” means whatever written verification of parental participation the school or licensed child day care facility deems appropriate and reasonable. Employees working a shift greater than eight (8) hours per day may take one full shift per month, subject to the 40 hour maximum. An employee may take unpaid leave or may use accrued vacation, compensatory, or floating holiday.

3.10 Catastrophic Leave Program

3.10.1 Conditions of Participation

Applications for receipt of catastrophic leave donations will be processed by the San Joaquin District Attorney Investigators Association (SJDAIA).

- (a) A County employee becomes eligible to receive catastrophic leave donations when the following two (2) conditions both occur:

1) The employee has exhausted, or will soon exhaust all his/her accrued leave, as a result of a verifiable long-term illness or injury suffered by either the employee or an immediate family member, as defined in San Joaquin County Ordinance Code Section 2-5230.

(2) The employee has received approval for an unpaid leave of absence from his/her Department Head.

(b) Employees may donate accrued vacation, compensatory time or holiday time; sick leave may not be donated.

(c) Donations may be made in whole hour increments from a minimum of four (4) to a maximum of sixteen (16) hours per donor in each donation period.

(d) Donors must have an overall leave balance of 80 hours remaining after donated time has been deducted.

(e) Once donated to an individual, donated leave cannot be reclaimed by the donor.

3.10.2 Processing of Donations

Upon receipt of donation authorizations, the Auditor-Controller shall take the following actions:

(a) Verify that donating employee has minimum required leave balance required for the donation and convert donated time to dollars at the hourly rate of the donor and subtract from the designated leave category. Pay supplements which are a percentage of base salary (except above class pay and special assignment pay) shall be added to the base salary prior to converting the value of the donated time to the recipient.

(b) Convert donated dollars as computed above to hours at the hourly rate of the recipient, and add to recipient's sick leave balance.

(c) Notify departments of changes in leave balances by noting Auditor adjustments on payroll certs for the next payday.

(d) Retain a confidential file of donation authorizations.

3.10.3 Treatment of Donated Time

Donated time is treated as sick leave accrued by the recipient of the donation.

Donated time does not alter the employment rights of the County or the recipient, nor extend or alter limitations otherwise applicable to Leaves of Absence or Sick Leave, except as noted in this agreement.

Employees who are utilizing donated sick leave hours will continue to accrue vacation and sick leave in accordance with the provisions of this Memorandum of Understanding.

If catastrophic leave donations are made due to the medical condition of an employee's immediate family member, the 80-hour limitation on the use of family sick leave is waived for absences resulting from that condition only.

3.11 Leave for Promotional Examinations

Employees shall be allowed the necessary time off with pay to participate in promotional examinations for the County, which are held during their regular work hours.

3.12 Effect of Re-Employment or Reinstatement on Leave Accrual Rates

A former employee in County service shall not be entitled to accumulative sick leave benefits unless the return to County service is the result of reinstatement within one year of termination of employment OR is a result of re-employment after a layoff due to lack of work, lack of funds, or in the interest of economy.

Employees who are reinstated to County service within one year of termination of employment will be returned to the same vacation accrual rate and salary grade that was held at the time of separation.

4 COMPENSATION

4.1 Salaries

Unless expressly provided to the contrary by this Memorandum or Board Order, Resolution, or Ordinance, salaries and hourly rates of pay for all additional compensation, including but not limited to supplemental pay, standby pay, call-back pay, and pay for work above class, shall be computed solely by reference to an employee's base salary or base hourly rate. All negotiated salaries shall remain as adopted for the life of this Memorandum unless mutually agreed otherwise in writing.

The County and SJDAIA agree that the parties will negotiate, upon request, the salaries of new classes established as a result of a reclassification of positions.

Effective the first full pay period following adoption of this agreement by the Board of Supervisors, all employees shall receive a 2.85% cost of living adjustment to the base salary.

Effective 52 pay periods after the first increase, all employees shall receive a 1.6% cost of living adjustment to the base salary.

4.2 Supplemental Pay

4.2.1 General

No employee shall receive supplemental pay when on vacation, sick leave, sick leave in conjunction with the receipt of State Disability Insurance or Worker's Compensation temporary disability payments, compensatory time off, holiday, or paid military leave unless such employee shall have been performing duties for a period of not less than four (4) full bi-weekly pay periods or such supplemental duties are scheduled, upon assignment, to last not less than four (4) full bi-weekly pay periods. Unless otherwise specified by the appointing authority or the appointing authority's designee, such shift assignment shall be presumed to be scheduled upon assignment for at least four (4) full bi-weekly pay periods.

4.2.2 Special Assignment Supplement

The Director of Human Resources may authorize a 5% salary increase to any employee designated by the County Administrator to be on special assignment.

4.2.3 Shift Differential

Shift differential shall be \$0.75 per hour for p.m. and swing shifts and \$0.91 per hour for night shifts.

For purposes of payment of shift differential the following times shall apply:

DAY:	Any work shift which begins on or after 4:00 a.m. and before 12:00 noon.
P.M.:	Any work shift which begins on or after 12:00 noon and before 8:00 p.m.
NIGHT:	Any work shift which begins on or after 8:00 p.m. and before 4:00 a.m.

4.2.4 Standby Pay

A department head with the approval of the County Administrator may designate employees in certain classes to be in a standby status. An employee who is on standby status must be at a location where the employee can be reached at all times and upon being called shall return to work immediately. An employee who is recalled to work shall be deemed to be of standby status and the employee shall not receive standby pay for the hours the employee is paid to work, whether on a straight time or overtime basis.

Employees, except those in the District Attorney Investigator series designated to respond to Officer Involved Critical Incidents, who perform standby duty, shall be compensated at 20% of their regular hourly rate.

Employees in the District Attorney Investigator series designated to the rotation of standby duty for purposes of implementing the Officer Involved Critical Incident Protocol shall regularly be assigned a take-home County vehicle in lieu of standby pay for as long as the Protocol exists. This will ensure the Investigator's ability to respond immediately. If the protocol agreements should terminate, District Attorney Investigators will be given no less than 30 days notice that take-home vehicles will no longer be provided. Any other standby assignment is eligible for standby pay.

4.2.5 Work Above Class

A department head may temporarily assign any employee to perform duties normally assigned to a classification with a higher salary without changing the salary of such employee provided the temporary assignment does not exceed five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period. If an employee is assigned to a classification with a higher salary grade for more than five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period, the employee shall be compensated, beginning with the sixth day of such above-class assignment, at an amount equal to what the employee would receive if promoted to the higher class, or 5% if no class exists. Such assignment must receive approval of the Director of Human Resources. Assignments to cover routine vacation or sick leave absences will not be approved. Vacation or sick leave absences in excess of two weeks shall not be considered routine.

Employees who are being paid for working in a higher classification are not eligible for merit increases in the higher classification. Whenever an employee working in a higher classification receives a merit increase in the employee's regular classification or the employee's regular salary is otherwise increased or decreased, the employee's pay for working above class shall be adjusted so that the employee continues to be compensated at the rate specified above.

Once an employee establishes eligibility for working above class pay in a calendar year, the employee shall retain eligibility for out of class pay for the remainder of that calendar year.

The furlough days will be chosen by the employee with the supervisor approval and will be scheduled the same as other paid time off but prior to vacation days. A furlough day may not be taken while on on-call status. The value of the furlough days shall be charged on a uniform basis throughout the year. The salary value of the furlough days shall be 2.3%, with a corresponding reduction to salary reflected on each pay check.

Paycheck exceptions (except overtime exceptions) in excess of \$100 in terms of gross pay, if presented by noon on the

Friday following payday, shall be paid within two (2) working days of presentation of the claim to the Auditor-Controller. Overtime exceptions shall be paid no later than the following paycheck.

All payroll errors resulting in gross pay overpayment, net pay overpayment or granting of other compensation or benefits in error must be repaid to the County. Employees shall be allowed, at employee's option, to use accrued annual and holiday leave and compensatory time to repay the County in cases of payroll errors resulting in gross salary overpayment. Such errors may result from use of an incorrect salary rate, reporting the wrong number of hours worked, or misclassification of hours worked.

Accrued annual and holiday leave and compensatory time may not be used to repay the County for net salary overpayments that do not result from gross salary errors. Such errors include, but are not limited to, underwithholding of deductions for employee-paid benefits and taxes.

In accordance with the Board of Supervisors' policy, a department head may change the working hours of individual employees to accommodate functional needs of the department so long as no change is made in the regular hours of the department.

5.3 Overtime

For the purposes of determining an employee's eligibility for overtime compensation, all straight time hours on payroll except sick leave shall be considered "hours worked".

If an employee is released from the worksite before the three hour minimum is reached and recalled back to work during the three (3) hour minimum the employee is not granted another three (3) hour minimum as the employee would continue working under the first call back three (3) hour minimum. An employee who performs call-back shall be compensated for the additional work hours according to the provisions of Section 5.6 if the additional time is deemed overtime.

5.6 Overtime or Exempt Compensatory Time

Employees shall be compensated for overtime or additional hours worked in accordance with their Group designation:

The decision to compensate in cash or compensatory time off shall be made at the discretion of the Department Head or appropriate designee for all county departments. The maximum compensatory time accumulation shall be eighty (80) hours and any additional overtime worked shall be compensated by cash payment at the rate of one and one-half (1-1/2) times the employee's hourly salary (including applicable supplements).

To promote maximum productivity and morale, it is the policy of San Joaquin County that, when County operations permit, each employee shall be entitled to two (2) rest periods not exceeding fifteen (15) minutes each, during a regular eight (8) hour shift. When County operations permit, such rest periods are to be taken as nearly as possible in the middle of each four (4) hour segment of each employee's work day. Time allowed for rest periods may not be accumulated from one half of the workday to another, nor may rest periods be used to alter an employee's normal work hours and meal periods.

5.7.2 Meals During Overtime

Meals which must be consumed on the job after the normal workday and while working in an overtime situation are not to be considered as an interruption of overtime work performed. The County shall neither pay for nor provide meals, nor is an employee who takes a break for a meal to be considered as being in a paid status. An employee, upon request, shall be allowed to take a thirty (30) minute meal break after two (2) hours overtime and every four (4) hours thereafter. The County retains the right to refuse requests for meal breaks in the event of emergency.

No flex schedule arrangement shall be implemented until the County and SJDAIA adopt a memorandum of understanding specifically setting forth provisions of the schedule with respect to overtime, holiday, sick leave and other affected benefits.

The County and SJDAIA agree that when a written request for flexible work schedules is denied, the Appointing Authority or designee shall respond to the request in writing (within 14 days) stating the reasons for the denial.

- k. For the purpose of interpreting minimum qualifications for open or promotional exams, work experience during the period the employee is participating in the job-share agreement will be calculated on a pro-rated basis.

5.10.1 Jury Duty

Any regular employee who is summoned for attendance to any court for jury duty shall be deemed to be on duty and there shall be no loss of pay, however, any jury fees (excluding payment for mileage) received by the employee shall be paid to the County. Employees who receive a jury summons are required to immediately notify the immediate supervisor.

Any employee who shall be called as a witness in a case arising out of and in the course of the employee's County employment shall be deemed to be on duty and there shall be no loss of pay. Any witness fees received by the employee shall be paid to the County together with any mileage allowed if the employee uses County-provided transportation. If such witness duty is performed on a day on which the employee would normally not be working, the employee shall be deemed to be

on duty and shall be compensated for overtime as provided in Section 5.3. An employee called as a witness in any other matter shall be deemed off duty.

A unit employee called as a witness in a case arising out of and in the course of employment on a day on which the employee normally would not be working the day shift, but is on scheduled vacation, shall be deemed to be on regular duty and shall have the option of working a complete shift. The number of hours worked will not be charged to vacation.

5.11 Reassignment

The County and SJDAIA agree that one of the factors to be assessed when involuntarily reassigning an employee shall be the seniority of the qualified employees.

Any employee who is involuntarily transferred may request a written statement from the appointing authority as to the reasons for the reassignment. This written response shall be issued within fourteen calendar days from the date of the request.

6 SALARY ADMINISTRATION

6.1 Salary Upon Appointment

New employees shall be appointed at the first step of the salary grade adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the grade commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary grade at which the new employee enters may be raised to that step or to a lower step in the grade upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2 Step Increases

6.2.1 Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary grade assigned to the classification of which the

employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from his/her department head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if his/her overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary grade shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary grade at one time except as provided in Section 6.1 above.

6.3 Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause but, upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step On Promotion

An employee appointed to a position with a higher salary grade shall have his/her salary adjusted to the first step of the new grade or to the step in the new grade which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new grade. For the purposes of this Section, pay supplements which are a percentage of base salary (except above-class pay, special assignment pay or supplemental pays that carry over to the promotion class) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new grade. The effective date of the promotion shall become the new merit advancement date for the employee and he/she shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5 Order of Adjustments

Whenever an employee is promoted and receives a grade change or the employee's position is reclassified to a class having a higher salary grade, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which he/she may be entitled and then receive such increases to which he/she may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6 Salary Step on Demotion

If an employee is demoted to a position having a lower salary grade because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the grade assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary grade, the employee shall receive the salary in the new grade which is equal to the salary in the prior position or, if none, the next lower salary in the grade assigned to the new position.

In accordance with Section 31873, the contributions required for the normal cost of post-retirement cost-of-living adjustments shall be shared equally between the County and employees who are members of SJCERA.

8.4 Retirement - Sick Leave Conversion

For employees who were employed on or before August 27, 2001, a nominal sick leave credit account, also commonly referred to as a "sick leave bank," shall be established for each employee who: (1) separates from employment and concurrently assumes a retired status, either deferred, service, or disability, in SJCERA; (2) continues or defers such employee's coverage under a County-sponsored group health, dental, or vision insurance plan; and (3) has at least one hundred and sixty (160) hours of accumulated sick leave as of the date of separation.

For purposes of this Section, each eight (8) hours of sick leave is equal to one (1) day. The conversion rate is and shall not exceed \$221.24 for each eight (8) hours of accumulated sick leave.

As of the effective date the retired employee is first paid a retirement allowance by SJCERA, the retired employee may use the account to pay monthly premiums for County-sponsored health, dental, or vision plans in which the retired employee and/or his or her eligible dependents are enrolled, and shall continue until such account is fully depleted, the employee ceases to be a member of SJCERA, or the retired employee and all of his or her dependents cease to be enrolled in the plan(s), whichever first occurs.

Employees who separate from employment and assume a deferred retirement status are eligible to enroll in County-sponsored group health, dental, or vision plans, but may not utilize their sick leave credit account to pay for monthly premiums unless and until they retire and receive a monthly retirement allowance from SJCERA.

If the employee refuses to sign any report, a notation to that effect may be entered on the document. A copy will be provided to the employee upon request.

An employee shall have the right to submit written comments regarding any document in his/her personnel file and to have such comments included in his/her personnel file along with the document.

The County and County employees recognize their respective rights and obligations under these provisions of these laws as they exist at this time and as they may be amended or given final, binding judicial interpretation.

13 EMPLOYEE PROPERTY AND EQUIPMENT

13.1 Replacement of Damaged Property

Except for loss or destruction to currency, the county may provide for the payment of the cost of replacing or repairing property or prostheses of an employee, such as eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by the employee when any such items are lost or damaged in the line of duty without fault of the employee. If the items are damaged beyond repair, the actual value of such items may be paid. The value of such items shall be determined as of the time of the loss or damage. The Board of Supervisors delegates to the County Administrator the authority to grant or deny claims which do not exceed \$500.

14 LAYOFFS

14.1 Notice

Any permanent County employee who is a member of the County's Merit System and who is to be laid off or dismissed for other than disciplinary reasons shall be given fifteen (15) calendar days notice. This provision does not apply to probationary, provisional, or temporary employees. Nothing contained herein shall be deemed to require the County to pay an employee except for services rendered.

14.2 Laid Off Employees

Employees on the reemployment list at the time this agreement becomes effective will be treated as current employees for purposes of section 3.4.3 (Floating Holidays) and section 4.2.8 (P.O.S.T. Pay).

15 SUBSTANCE ABUSE REFERRALS

San Joaquin District Attorney Investigators Association (SJDAIA) acknowledges the

right of Department Managers (at the Middle Management level and above) to refer employees suspected of being under the influence of alcohol or drugs while on duty to San Joaquin General Hospital (Canlis Clinic or Employee Health Services) or to other physicians to be evaluated as to their ability to perform their job. In acknowledging this right, the Association does not relinquish its right of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall report to SJDAIA, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.

The County and SJDAIA jointly recognize the value of the County's Employee Assistance Program in the evaluation and resolution of employee problems associated with substance abuse.

If either party disagrees with the recommendation of the third party intervenor and wishes to have the recommendation reviewed by the Board of Supervisors, the party must submit their request to the Human Resources Division within thirty (30) days after the issuance of the recommendation for scheduling with the Clerk of the Board. Neither this Section nor the exercise of the option to utilize an impasse procedure shall be deemed as making any matter which is reserved to the County as a right of management in the Employer-Employee Relations Policy a matter subject to the meet and confer process.

19 DISCIPLINARY ACTIONS

19.1 Applicability

These procedures are not applicable to temporary, part-time, contract or probationary employees.

To initiate disciplinary action against a permanent, Civil Service employee, the appointing authority must follow the provisions of Civil Service Rule 18. The appointing authority must submit to the employee a written notice of intent to take disciplinary action and file a copy with the Human Resources Division. The notice must state specifically the reason(s) for the action and explain the employee's "Skelly" rights of appeal.

19.2 Request for Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the appointing authority within seven (7) calendar days of receipt of the notice. Upon receipt of a timely response, the appointing authority shall schedule and conduct a "Skelly" hearing as soon as possible.

19.3 Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

19.4 Representation

The employee may be represented at the hearing by a representative of the employee's choice.

19.5 Conduct of Skelly Hearing

The appointing authority, or a designee who has authority to amend the discipline, shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the appointing authority, or designee, may determine to uphold, modify, or revoke, the proposed disciplinary action.

19.6 Order of Disciplinary Action

If the employee does not respond to the notice of intent within the prescribed time limits, or if, after hearing, the appointing authority determines that disciplinary action is appropriate, the appointing authority shall submit to the employee a written order of disciplinary action. The order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

19.7 Appeal of Order of Disciplinary Action

The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Human Resources. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission or whether the matter will be submitted to binding arbitration. In accordance with the provisions of Civil Service Rule 18, selection of one appeal method shall exclude the possibility of appeal through the alternate procedure on the same issue.

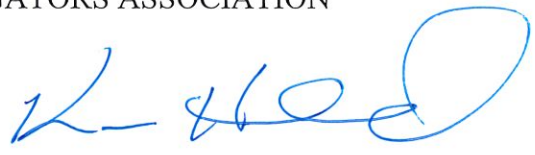

Appeal and arbitration hearings shall be conducted in accordance with Civil Service Rule 18.

20 ENTIRE AGREEMENT

Except as otherwise specifically provided herein, the Memorandum of Understanding (MOU) fully and completely incorporates the understanding of the parties hereto regarding the provisions contained in this MOU. The parties, for the term of this Agreement, do not waive the obligation to negotiate with respect to any practice, subject, or matter within the scope of bargaining not specifically referred to or covered in this Agreement. In the event the County proposes a change in any practice, subject, or matter which is within the scope of bargaining and is not covered by this Agreement, the County will give the association advance written notice of the proposal and will, upon request of the Union, meet and confer with the association concerning the proposal to the extent provided by law.
