

SAN JOAQUIN COUNTY
DEPARTMENT OF PUBLIC WORKS
ANNUAL LEAF PICKUP SCHEDULE 2019 (First Round)

The first round of the County's annual leaf pickup program is scheduled to start on the dates noted on the maps in unincorporated areas that have curbs and gutters. While local residents benefit from this program, the objectives are to minimize drainage and safety concerns created by leaves blocking drain inlets, and to keep leaves from entering the storm drainage system and nearby waterways.

Residents are asked to deposit leaves only in the street twelve inches from the curb, and clear of any parked vehicles. Leaves must be in place for removal by 7:00 AM, on the day of scheduled pickup. Pruning's, garden refuse, trash bags and other debris will not be collected. The leaves are taken to a recycling company that will not accept other products. Areas with curbed gutters that are not listed will be serviced on an as needed basis. The schedule for a second round of leaf collection will be posted on the county website, www.sjgov.org approximately one week prior to the starting date.
