March 3, 2020 Presidential Primary Election
Election Results Reporting Schedule
(subject to change)

*Polling place precinct results will be released hourly as they become available, starting at approximately 10:00 p.m. The California Secretary of State requires that results be reported at least every two hours until complete. The final election night report will be titled: **Final Election Night Results Report.**

Subsequent updates will continue every Tuesday and Thursday at approximately 5:00 p.m. The results schedule and results can be viewed on the San Joaquin County Registrar of Voters website. Please note the results schedule is subject to change.

Results by precinct will be available with Final Official Results once the election is certified, on or before, April 2, 2020.
