

INTRODUCTION

To support the business community's need for critical personal protective equipment, the County of San Joaquin has established the Personal Protective Equipment (PPE) Grant Program.

OVERVIEW

1. The objective of this program is to offer PPE to businesses as part of a broader County strategy to combat the spread of COVID-19. The grant is intended to help businesses located in the boundaries of San Joaquin County, in both the unincorporated and incorporated portions of the County.
2. Grants will be awarded on a first-come, first-served basis for qualified applicants.
3. Currently, the PPE the County has available for this grant is limited to masks. The County intends to add other PPE (hand sanitizer, disinfectant wipes, etc.) to the grant program as it becomes available.
4. The number of masks provided will be determined based upon the number of workers the business currently has employed (full-time, part-time, contract, etc.). The PPE will be awarded as follows:
 - 1 employee – 40 masks
 - 2 - 5 employees – 80 masks
 - 6 – 12 employees – 160 masks
 - 13 – 25 employees – 320 masks
 - More than 25 employees – 400 masks
5. Approved grant applicants will be directed to a County-owned facility to pick up the grant-awarded PPE. The date and time that the applicant can pick up the PPE will be determined once the grant application is approved.
