San Joaquin County Leaf Pick Up

The County’s annual leaf pickup program is scheduled to start in November in unincorporated areas that have curbs and gutters. While local resident benefit from this program, our objectives are to minimize drainage and safety concerns created by leaves blocking drain inlets and to keep leaves from entering the storm drainage system and nearby waterways.

Tips for residents:

- Residents are asked to deposit only leaves in the street, twelve (12) inches from the curb and to keep the gutters clear for storm water
- Crews will not pick up piles place after crews pass
- Tree or shrub pruning’s, garden refuse, Christmas trees will not be picked up
- Trach bags and other debris will not be picked up
- Place the leaves ten (10) feet away from any obstruction (car, boat, etc.)
- Do not put pet waste in any leaf pile

The date schedule for the leaf collection program will be posted on the county website [www.sjgov.org](http://www.sjgov.org) prior to the starting date. San Joaquin County Road Maintenance can be contacted at 209-468-3074.
The second round of the County’s annual leaf pickup program is scheduled to start on the dates noted on the maps in unincorporated areas that have curbs and gutters. While local residents benefit from this program, the objectives are to minimize drainage and safety concerns created by leaves blocking drain inlets, and to keep leaves from entering the storm drainage system and nearby waterways.
