TO THE RED TIER

LET'S DO OUR PART & GET BACK TO RED—THIS IS A SHARED RESPONSIBILITY

Slow the spread - Public Health guidelines:

- ⇒ Social distance by at least 6ft
- ⇒ Wear a face mask
- ⇒ Wash your hands for at least 20 seconds with soap & water/use hand sanitizer
- ⇒ Disinfect high touch surfaces regularly
- ⇒ Stay home if you are sick
- ⇒ Contact your primary care physician if you experience symptoms
- ⇒ **Avoid gathering with people outside of your household**

FREE LOCAL TESTING - Testing 1-2-3

- ⇒ Get tested often; New exposures can lead to new results
- ⇒ Test whether you feel symptomatic or not
- ⇒ Negative test results drive up the chance to move back to the red tier
- ⇒ Walk up & appointments available
- ⇒ For **FREE** local testing options visit:
SJReady.org or
sjgov.org/covid19/employees

**Roads? Where we're going...
(If we all do our part & stay home)
We won't need roads!**
