SECTION 4-1000. ADOPTION. That certain document in book form entitled California Fire Code, ~~2013~~ 2016 Edition including Appendix B and Appendix C, published by the California Building Standards Commission, 2525 ~~Natoma~~ Natomas Park Drive, Suite 130, Sacramento, California 95833-2936, and incorporates by adoption the ~~2012~~ 2015 International Fire Code of the International Code Council, one (1) copy of which is on file in the office of the Clerk of the Board of Supervisors of the County of San Joaquin, is hereby adopted and enacted by the Board of Supervisors as the Fire Code of the County of San Joaquin including those portions which are specifically amended or added hereinafter.

SECTION 4-1001. BUREAU OF FIRE PREVENTION. The San Joaquin County Bureau of Fire Prevention is created under the direction of the County Fire Warden as directed by the Community Development Director.

SECTION 4-1002. COUNTY FIRE WARDEN.

(a) The County Fire Warden is the Director of the Community Development Department, or designated representative and is the fire code official responsible for the administration and enforcement of the California Fire Code.

(b) The County Fire Warden and members of the Fire Prevention Bureau shall have the powers of a peace officer in performing their duties under this Code. When requested by the County Fire Warden, the San Joaquin County Sheriff's Office is authorized to assign such available officers as necessary to assist the County Fire Warden in enforcing the provisions of this Code. The County Fire Warden may appoint deputies to assist in the enforcement of said laws, and such deputies shall include the Chief of all Fire Districts, and their authorized representatives within the County.

SECTION 4-1003. APPLICATION FOR PERMIT. Section 105.1.2 and 105.7 of Chapter 1 of the California Fire Code, ~~2013~~ 2016 Edition, are hereby amended to read as follows:

Section 105.1.2. 1. Operational Permits required by this Code shall be obtained from the County Fire Warden in such form, detail and procedures as the County Fire Warden may prescribe. Permit fees shall be paid prior to the issuance of such operational permits. Fees shall be set by a board resolution of the Board of Supervisors of the County of San Joaquin. Issued permits shall be kept on the premises designated therein at all times and shall be readily available for inspection by the County Fire Warden. Such permits shall be issued on an annual basis unless otherwise noted. If a rural fire protection district has established a Bureau of Fire Prevention, it may issue permits and collect fees subject to this Code if it complies with County procedures set forth pursuant to this section.

Section 105.3.1 of Chapter 1. Expiration. Every construction permit issued by the Fire Warden under the provisions of this Code shall expire by limitation and become null and void if the building or work authorized by such permit is not commenced within 180 days from the date of such permit, or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days. Work shall be considered abandoned if an inspection has not been recorded and approved within 180 days. Before such work can be recommenced, a new permit shall be first obtained to do so, and the fee, therefore, shall be one-half the amount required for a new permit for such work, provided no changes have been made or will be made in the original plans and specifications for such work; and provided further that such suspension or abandonment has not exceeded one year. In order to renew action on a permit after expiration, the permittee shall pay a new full permit fee.

Any permittee holding an unexpired permit may apply for an extension of the time within which he may commence work under that permit when he is unable to commence work within the time required by this section for good and satisfactory reasons. The Fire Warden may extend the time for action by the permittee for a period not exceeding 180 days upon written request by the permittee showing that circumstances beyond the control of the permittee have prevented actions from being taken. A Notice of Code Violation may be recorded when a Fire construction permit is expired.

Section 105.7 Construction Permits required by this Code shall be obtained from the County Fire Warden in such form, detail and procedures as the County Fire Warden may prescribe. Fire plan check and inspection permit fees shall be paid prior to the issuance of a building permit. The fire plan check and inspection fees for construction permits associated with building permits and this Code shall be set by a board resolution of the Board of Supervisors of the County of San Joaquin. The Fire Warden shall certify plans of all occupancies requiring a permit from this Code.

SECTION 4-1004. BOARD OF APPEALS. Section 108.1 of Chapter One (1) of the California Fire Code, ~~2013~~ 2016 Edition is hereby amended to read as follows:

Section 108.1 Board of Appeals Established: The San Joaquin County Building Board of Appeals, as created by Section 8-1010, Chapter 1, Building Board of Appeals, Division 1, Building - Standards of Title 8 of the Ordinance Code of San Joaquin County will determine the suitability of alternate materials and types of construction, and to provide a reasonable interpretation of the provisions of this Code as previously adopted by San Joaquin County Ordinance Number 4262, July 19, 2005. ~~4445, December 10, 2013.~~

SECTION 4-1005. DEFINITIONS. The following definitions shall be added to Section 201 General Definitions of the California Fire Code, ~~2013~~ 2016 Edition.

(a) ~~"Driveway" shall mean a vehicular access that serves buildings on a single parcel.~~

(b) ~~"Fire Road" shall mean a vehicular access that serves more than one parcel.~~

- (c) (a) "Code" shall mean the California Fire Code, Title 24, California Code of Regulations, Part 9, incorporating the ~~2009~~ 2015 Edition of the International Fire Code of the International Code Council with necessary California amendments.
- (d) (b) "Chief or Fire Code Official" shall mean the Fire Warden or designated representative as defined in Section 4-1002.

SECTION 4-1006. ACCESS ROADWAYS FOR FIRE APPARATUS. Section 503.1 of the California Fire Code, 2013 ~~2016~~ Edition shall be amended to read as follows:

Section 503.1 Where Required: Fire apparatus access roads shall be provided and maintained in accordance with Sections 503 and the San Joaquin County Fire Chiefs Association, Fire Apparatus Access Road Standards.

SECTION 4-1007. LUMBER YARDS, PALLET YARDS AND WOODWORKING PLANTS. Chapter 28, Lumber Yards and Woodworking Facilities Section 2801.1 is hereby amended by adding the following:

PALLETS AND PALLETIZED PACKING BOXES AND BIN BOXES

- (a) A permit is required to store pallets, palletized packing boxes, bin boxes, and including plastic bin boxes in excess of 30,000 board feet or 50,000 cubic feet.
- (b) Pallets, palletized packing boxes and bin boxes shall be piled with due regard to stability of piles and in no case higher than 12 feet; where pallets are piled next to a property line, the distance from the property line shall not be less than one half the pile and in no case less than 5 feet.

Exception: Bin boxes may be stacked to a maximum height of 20 feet.

- (c) Driveways between and around pallets, bin boxes and palletized packing crates shall be at least 15 feet wide and maintained free from accumulation of rubbish, weeds and equipment or other articles or materials. Driveways shall be so spaced that a maximum grid system unit of 50 feet by 50 feet is produced.
- (d) Pallets, palletized packing boxes and bin box storage, operating under a permit, shall be surrounded with a suitable fence of at least 6 feet in height.

Exception: Storage is located inside the building.

- (e) Approved water supply and fire hydrants capable of supplying the required fire flow shall be provided to within 150 feet of all portions of the storage area, in accordance with the applicable sections of the California Fire Code.

SECTION 4-1008. EXPLOSIVES AND FIREWORKS. Chapter 56, Explosives and Fireworks Section 5601.1 is hereby amended by adding the following:

(a) **Fireworks defined:** "Fireworks" means and includes any combustible or explosive composition or any substance or combination of substances or articles prepared for the purpose of producing a visible or an audible effect by combustion, explosion, deflagration or detonation, including fireworks classified by the Health and Safety Code as "dangerous fireworks" and "safe and sane fireworks" and shall include firecrackers, torpedoes, skyrocketes, roman candles, bombs, sparklers, chasers, snakes, or other fireworks containing any explosive or flammable substance. This definition does not include ammunition used for target shooting or hunting, nor does it include what is ordinarily known as cap pistol caps.

(b) **Fireworks prohibited:** It is unlawful for any person to sell, offer for sale, transport, or cause to be transported, give away, posses, use or discharge any fireworks as defined in this Code in the un-incorporated portions of San Joaquin County.

Exception: This Code shall not prohibit public fireworks displays providing a permit is obtained from the Fire Warden as prescribed in Section 4-1003 of this Code. Public displays shall be performed under the direct supervision of a California State Licensed Pyrotechnic Operator. Public displays shall be performed in accordance with Section 5608 of the California Fire Code 2013 2016 Edition. This Code shall not prohibit the use by railroad or other transportation agencies, for signal or illumination purposes, torpedoes, flares, or fuses; nor the sale of blank cartridges for theatrical or ceremonial purposes, athletic events or military ceremonials or demonstrations.

(c) **Seizure and destruction of fireworks:** The Fire Warden or designated representatives including the San Joaquin County Sheriff and Fire Chiefs or their designated representatives in the un-incorporated portions of San Joaquin County shall seize, take, remove or cause to be removed and arrange for destruction at the expense of the owner, all stocks of fireworks offered for sale or exposed for sale, stored, possessed or transported or otherwise in violation of this Code.

(e) **Violations:**

1. It shall be unlawful for any Person to violate or to permit the violation of, any provisions of this Chapter. All Owners, Occupants and other Persons at or on the property or premises where Fireworks are possessed, sold, ignited, exploded, discharged, projected, or otherwise fired or used may be sited for and convicted of violations of this Chapter, provided, however, that an Owner who is not in possession of his/her property, and who has instead permitted another Person(s) to occupy the property, shall not be convicted of a violation unless the Owner had notice that persons in possession of the property were in possession of, sold, ignited, exploded, discharged, projected, or otherwise fired or used, or the Owner otherwise negligently allowed a violation of this Chapter to occur on his/her property.
2. A violation of this Chapter shall constitute a misdemeanor, provided, however, that in the discretion of the District Attorney, may be charged and

prosecuted as an infraction. Each conviction of a misdemeanor under this Chapter shall be punishable as set forth in California Health and Safety Code Section 12700, as may amended from time to time. Every violation determined to be an infraction is (shall be) punishable by (1) a fine not exceeding one hundred dollars (\$100) for a first violation; (2) a fine not exceeding two hundred dollars (\$200) for a second violation of the same ordinance within one year; (3) a fine not exceeding five hundred dollars (\$500) for each additional violation within one year.

3. Violations of this Chapter shall be prosecuted by the District Attorney.
4. The provisions of this Chapter shall be enforced by the Fire Warden or designated representatives including the San Joaquin County Sheriff and Fire Chiefs or their designated representatives in the un-incorporated portions of San Joaquin County. All such persons are authorized to enter upon, inspect, and examine any property or premises to determine whether a violation of this Chapter exists or has occurred. If the Owner or Occupant of the property or premises refuses to permit entrance, inspection or examination pursuant to this Chapter. The Fire Warden or designated representatives including the San Joaquin County Sheriff and Fire Chiefs or their designated representatives may seek an inspection warrant pursuant to California Code of Civil Procedure Section 1822.50, et seq., as may be amended from time to time.

(f) Application of state law: Nothing in this Chapter shall limit any of the penalties provided in the California Health and Safety Code or the California Penal Code with regard to the offer for sale, exposing for sale, sale at retail, use or discharge of any fireworks.

(g) Response costs.

1. A person who has violated this chapter may be liable for response costs incurred in responding to the unpermitted use, discharge or storage of fireworks.
2. If a person who violated this chapter is a minor charge, the responsible guardian(s) of the minor charge and the minor charge shall be jointly and severally liable for the response costs incurred pursuant to this chapter.
3. To incur liability for response costs imposed by this chapter, a person who violates this chapter need not be present at the event that causes the response giving rise to the imposition of response costs.
4. Response costs imposed by this chapter are in addition to any other costs that may be recovered under this Code.

SECTION 4-1009. FEES. Chapter 1, Division II – Section 113, shall be amended to read as follows:

Permit Fees: The fee for each permit shall be as set forth from time to time by resolution of the San Joaquin County Board of Supervisors. The County may establish fees sufficient to recover its costs in administering this Code. No permit shall be issued until such fees have been paid.

(a) Public Agencies. Fees shall be required, pursuant to this Section, of a municipal corporation, State of California, political subdivisions of the State of California, or the United States of America.

(b) Fee Refund. The Fire Warden may authorize refunding of any fee paid hereunder, which was erroneously paid or collected. The Fire Warden may authorize refunding of not more than eighty percent (80%) of the permit fee paid when no work has been done under a permit issued in accordance with this Code. Except that no refunds will be processed for permits 360 days from date of issue with no work done or for permits of \$100.00 or less.

(c) Fees for Applications to Correct Violations. Applications made to correct violations of the requirements of this Code shall pay a fee equal to two (2) times the application fee normally charged for the application, up to a maximum of five hundred dollars (\$500.00) over the application fee normally charged.

(d) Disposition of Fees. All fees collected under the provisions of this Code shall be paid into the Country Treasury, to credit of the General Fund.
