

APPENDIX 15-A

Storm Drainage Criteria

MASTER PLAN APPENDIX 15-A

STORM DRAINAGE CRITERIA

The following guidelines and standards are used for the design of the Master Plan and Specific Plan storm drainage system.

1. *Improvement Standards for San Joaquin County, California*, Department of Public Works, July, 1992.
2. *State of California Municipal Storm Water Best Management Practice Handbook*, March, 1993.
3. *State of California Industrial/Commercial Best Management Practice Handbook*, March, 1993.
4. *HEC-1 Flood Hydrograph Package*, CPD-1A, US Army Corps of Engineers, September, 1990.
5. *HEC-2 Water Surface Profiles*, CPD-2A, US Army Corps of Engineers, September, 1990.
