Before a final inspection can be made by the Building Inspection Division, and prior to issuance of a Certificate of Occupancy by the Building Official, APPROVAL SIGNATURES must be obtained from the agencies indicated below. It is the applicant's responsibility to obtain all signatures and return this form to the Building Division. Please be aware that advanced notice and a field inspection time may be required by each agency prior to signature. If your project is in a flood zone, the Building Division must have the Elevation Certificate properly signed before approval can be granted. NOTE: PLEASE BRING YOUR APPROVED BUILDING PLANS WHEN OBTAINING SIGNATURES ON THE CERTIFICATE OF OCCUPANCY ROUTING FORM.
