# EMPLOYEE COVID-19 TESTING

San Joaquin County voluntary employee testing only sites are available for active County employees.

**Current Testing Dates:**  
**Thursday, September 17, 2020**  
**Thursday, September 24, 2020**  
**\*more dates to be added later**

## WHERE ARE THE TESTING LOCATIONS?

There is currently 1 active testing location:

**HSA Building  
(Northwest Entrance)  
102 S. San Joaquin St  
Stockton, CA 95202**

## WHERE DO I SIGN UP?

You will sign up directly with our third party vendor Stem Express:

<https://sanjoaquincounty.setmore.com/>

- Appointments are required
- Drop-ins will not be accepted
- County time will be allotted to take the test at a walk-up site nearest to your worksite (please see full FAQ's for more details)

## WHO SHOULD TEST?

- Only active San Joaquin County employees who have concerns they may have been exposed to the virus are authorized to test at the employee only site

## WHO SHOULD NOT TEST?

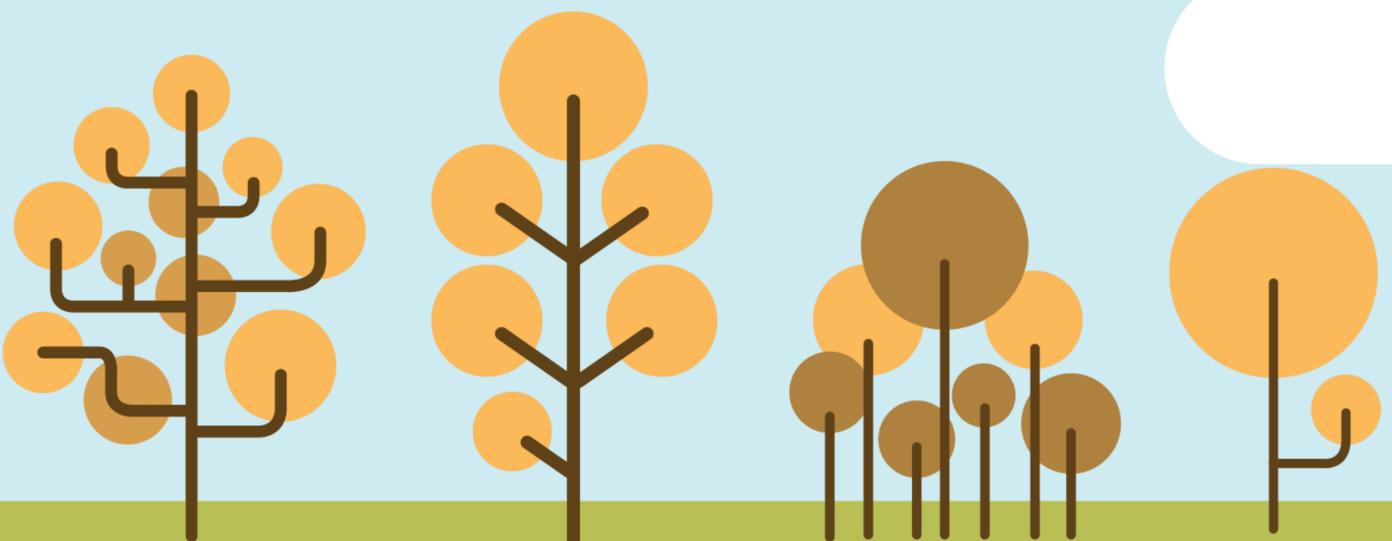

- If you are experiencing symptoms of COVID-19, you should not come to the employee only testing site and should contact your medical advisor for more information

## WHERE CAN I GET MORE INFORMATION

- You can visit the FAQ's under testing at: <https://www.sjgov.org/covid19/employees>
- You can email [COVID19employeetesting@sjgov.org](mailto:COVID19employeetesting@sjgov.org)

## WHO IS DOING THE TESTING

- We have hired a 3rd party vendor "Stem Express" who will be conducting the testing
- San Joaquin County Human Resources Risk Management Unit will receive data directly from Stem Express
