- IV. Old Business**
- a. Delta Issues: None
 - b. Ag Commissioner's Report:
 - i. Press release from EPA, which indicated rather than going thru the appeal process the registrants have voluntarily agreed to cancel the registration of chlorpyrifos. After February 6 of next year, dealers cannot sell or distribute products on the cancellation list, in the State of California.
 - ii. DPR is looking at Telone, which is used by our tree growers once in a 30 year time period during replanting of orchards, DPR is looking at putting extra restrictions on this fumigant statewide. CACASA is opposed to it.
 - iii. Paraquat, the label change took place earlier this year, new labels are out, you have to be a certified applicator to apply, also the label requires the applicator to go through EPA training online.
 - iv. Continuing education meeting flyer went out, and there were some mistakes, there is no meeting on November 11th, there is a CE meeting on November 5th 9:00 a.m. to 11:00 a.m. here at the Ag Center. A new flyer was e-mailed to all the contacts and is available on our website.

- v. Permit renewal starts on November 13th permits will be issued by appointment only.
- vi. Hemp ordinance went into effect on October 25th, and we are accepting applications, currently we have seven applications and two have been approved. Ordinance and application packet is on our website.
- vii. AgVenture event in Manteca was a success. Our healthy dinner program was a winner at the State Farm Bureau.
