

Regional Agricultural Pesticide Amnesty Program

Amador County Calaveras County - San Joaquin County - Sacramento County - Yolo County

Agricultural Pesticide Collection and Disposal Event – Pre-Registration Form

Please Note: This is for agricultural use pesticides from growers in either Amador, Calaveras, Sacramento, San Joaquin, and/or Yolo counties. All containers must contain product to be disposed of. **This is NOT an empty container collection event.** This event is only for the collection and disposal of unwanted and legacy pesticides. Agricultural Commissioner Personnel will use this information to gather an accurate cost estimate and bid from a hazardous material disposal company and for event planning purposes. This is an amnesty event, and no regulatory action will be pursued because of your participation. If you would like to complete this form electronically, please visit the following website <https://www.surveymonkey.com/r/legacypesticides> or by scanning the QR Code.
