NEW FACILITY RESERVATION SYSTEM FOR ROBERT J. CABRAL AGRICULTURAL CENTER

The Agricultural Commissioner's Office is excited to announce the launch of a new facility request software system at the Robert J. Cabral Agricultural Center located at 2010 E. Earhart Avenue in Stockton. In an ongoing effort to improve customer service, we have migrated to ML Schedules.

What This Means for You

Starting April 2025, we are no longer utilizing the IVVY facility reservation system and have migrated to ML Schedules. To get started, simply click on the link for ML Schedules:
