Sacramento, CA 95812-3044

County Clerk

County of: San Joaquin

44 North San Joaquin Street #280

Stockton, California 95202

From: (Public Agency): Port of Stockton

2201 West Washington Street

Stockton, California 95201

(Address)

Project Title: Port of Stockton West Complex Marine Terminal Erosion (Emergency Declaration)

Project Applicant: Port of Stockton

Project Location - Specific:

Port of Stockton West Complex Transit Sheds and Open Docks and Breezeways

Project Location - City: Stockton

Project Location - County: San Joaquin

Description of Nature, Purpose and Beneficiaries of Project:

During repairs of concrete floor, a large void was discovered beneath the floor, which was inconsistent with original design of a reinforced concrete floor on ground. The void, caused by erosion, measures approximately 1 to 12 feet deep, extends 1 to 6 feet from the dock bulkhead, and spans roughly 100 feet along the bulkhead in Transit Shed 19. To further assess the scope and scale of the voids caused by erosion, the Port will involve verification drilling to confirm the presence of potential voids identified through the analysis of Ground Penetrating Radar scans. Once void areas are confirmed, repair options will be developed, and priority repair areas will be identified based on the planned use of the facility.

Name of Public Agency Approving Project: Port of Stockton

Name of Person or Agency Carrying Out Project: Port of Stockton

Exempt Status: (check one):

☐ Ministerial (Sec. 21080(b)(1); 15268);

☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));

☒ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));

☒ Categorical Exemption. State type and section number: Class 1, Existing Facilities 15301

☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The proposed project would be in accordance with Sections 15301, Class 1 (Existing Facilities) of the CEQA Guidelines as restoration and rehabilitation of a damaged structure. In accordance with Section 15300.2, which stipulates the exceptions to CEQA categorical exemptions, the proposed project would not result in a significant cumulative impact or significant effect on the environment, nor would it impact scenic highways, hazardous waste sites, or historical resources. Accordingly, the proposed project is exempt from the requirements of CEQA.
