**Categorical Exemption**

---

**9. Categorical Exemption(s) Applied**

This project is categorically exempt from the California Environmental Quality Act pursuant to:

- **Class 3 (New Construction or Conversion of Small Structures), CEQA Guidelines §15303, and/or**
- **Class 11 (Accessory Structures), CEQA Guidelines §15311**

The project consists of a small-scale structure and/or accessory feature located within an existing developed public facility and involves negligible expansion of use.

---

**10. Reasons Why Project is Exempt**

The project involves installation of a minor structure within an existing developed site. The work is limited in scope, does not result in expansion of use, and will not have a significant effect on the environment.

Furthermore, none of the exceptions to categorical exemptions identified in CEQA Guidelines §15300.2 apply. The project will not result in cumulative impacts, is not located in a sensitive

environment, does not affect scenic resources, and will not impact any known historical resources.

## **Quick Tips for Using This**

- **File with County Clerk** → starts 35-day statute of limitations
- **Keep a copy in procurement/project file**
- **Attach a simple site map or aerial** (helps defensibility)
- **If the memorial is very small (plaque/bench), Class 11 alone is usually sufficient**
