Project Title: Streambed Alteration Agreement No. EPIMS-SJN-54865-R3
Authorizing Routine Maintenance of Paradise Cut, Sugar Cut, and
Tom Paine Slough for Pescadero Reclamation District 2058

Project Applicant: Pescadero Reclamation District 2058

Project Location: Levees within the boundaries of Pescadero Reclamation District
2058, San Joaquin County, California. The District is located in the
southern portion of the Sacramento-San Joaquin Delta, on the
westerly and southerly side of Paradise Cut.

Description of Nature, Purpose and Beneficiaries of Project:

The Agreement authorizes Pescadero Reclamation District 2058 (District) to perform annual routine maintenance and repair of the levees within the District's boundaries in order to maintain the functional and structural integrity of its facilities. The Agreement requires the District to comply with general and specific measures when performing such work in order to prevent any substantial adverse impacts to fish and wildlife resources, including compliance with all applicable environmental laws.

Name of Public Agency Approving Project: Pescadero Reclamation District 2058

Name of Person or Agency Carrying Out Project: Pescadero Reclamation District 2058

Exempt Status: Categorical Exemption, Existing Facilities (Pub. Res. Code § 21084; CEQA
Guidelines §15301)

Reasons Why Project Is Exempt:

The work authorized by the Agreement consists of routine maintenance and repair of existing facilities in order to maintain the functional and structural integrity of the facilities. The work does not expand the use or size of any of the existing facilities. As such, it is exempt from CEQA under section 15301 of the CEQA Guidelines (Cal. Code Regs., tit. 14, § 15301).
