Project Title: El Dorado Irrigation District Temporary Reservoir Re-operation Water Transfer Project

Project Applicant: El Dorado Irrigation District

Project Location: Alameda, Alpine, Amador, El Dorado, Fresno, Imperial, Kern, Kings, Los Angeles, Merced, Orange, Riverside, Sacramento, San Benito, San Bernardino, San Diego, San Joaquin, San Luis Obispo, Santa Barbara, Santa Clara, Stanislaus, Tulare, and Ventura counties

Project Description: The El Dorado Irrigation District (EID) proposes to transfer water to the Buyers during summer and fall 2026. EID would make the water available through re-operations of three EID reservoirs to release water otherwise planned to be consumed by EID customers and/or stored within the EID network of reservoirs. The water proposed for transfer is not necessary to meet EID customer demands during 2026 or 2027. The reservoirs and rivers/creeks involved would all operate consistent with their historic flow and release schedules, and would meet all applicable rules and requirements, including but not limited to lake level, minimum streamflow, and ramping rate requirements. The total potential quantity available from the three reservoirs exceeds the maximum transfer volume of 5,000 AF, with up to 620 AF available from Weber Reservoir and up to 4,880 AF combined available from Caples and Silver Lakes. Under the proposed project, EID would rely on water stored in Jenkinson Lake to meet consumptive demands during the transfer period in lieu of using water from Caples and Silver lakes.

This is to advise that the El Dorado Irrigation District (Lead Agency) has considered the above-described project on June 22, 2026 and has made the following determinations regarding the above described project.

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☐ were ☒ were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
5. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration and record of project approval are available to the General Public at: **The El Dorado Irrigation District, 2890 Mosquito Road, Placerville, CA 95667.**
