**Project Applicant:** Kaiser Foundation Hospitals, Tina Wehrmeister, 1 Kaiser Plaza, 22<sup>nd</sup> Floor, Oakland, CA 94612

**Project Description:** The project will consist of a site plan review to allow for a 27,476 sq ft expansion of the existing Emergency Department. A Conditional Use Permit is required for hospital uses in the PQP Zoning District. A series of Lot Line Adjustments is requested to merge two parcels and multiple paper lots into one parcel to accommodate the proposed structure and required parking and landscaping. A Master Sign Program is requested because Kaiser owns multiple buildings on site and leases some medical office space to non-Kaiser tenants. Parking displaced by the proposed development will be relocated to the east along St. Dominics Drive and the existing turf and pergola landscape feature will be removed. The parking area to the west of the future emergency department will remain but will be reconfigured to include an ambulance drop-off zone. The property is situated on the northwestern corner of the intersection of W. Yosemite Avenue and St. Dominics Drive.

**Date and Description of Project Approval:** On October 16, 2025, the Planning Commission of the City of Manteca adopted a Resolution certifying an Initial Study / Mitigated Negative Declaration for the Kaiser ED Expansion project and approving the Site Plan/Design Review SPC-24-81, Use Permit UPJ-25-02; Lot Line Adjustment LLA-24-82 and Master Sign Program MSP-25-02 with Conditions of Approval.
