# HOT SHEET

*The 411 from District 1*

DECEMBER  
**2025**

As 2025 comes to an end and we start again in January, I want to take a moment to thank each of you for your continued care and concern for all members of our community. Especially during the holidays, it is important to check in on your neighbors, visit those who are homebound or ill, and renew our dedication to building a stronger community for all of us. Here are a few things we are proud to highlight as accomplishments for the year.

## What We Did in 2025

- **Trash Relief:** Helped families stuck with overflowing garbage during the Republic Services strike by providing dump vouchers to County residents.
- **Honor Veterans:** Put a clear policy in place to guide how and when we raise the POW/MIA flag with proper respect.
- **Smart Pause:** Temporarily halted new cannabis shops while setting fair guidelines that protect neighborhoods and support responsible businesses.
- **Cleaner Corridors:** Coordinated cleanup efforts along major I-5 ramps and made sure unhoused neighbors were offered real placement options.
- **Safer Parks:** Laid the groundwork for major upgrades and stronger security at seven County parks to make them safer and more welcoming.
- **Recovery Growing:** Secured funding to expand the Gospel Rescue Mission's recovery program so more people can rebuild their lives.
- **Pet Support:** Partnered with animal groups to offer more low-cost spay and neuter vouchers, helping families care for pets and reduce strays.

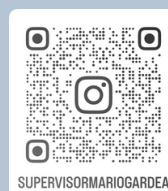

## A Year to Remember

## Stay Connected

I'm proud of what we got done this year, but I'm not stopping here. There's still real work ahead, and as we head into 2026, I'm doubling down on my commitment to serve every resident of District One and push for a stronger, brighter future. I'm ready to keep going, and I hope you'll be right there with me.
