**SUBJECT:** ROAD CLOSURES - LOOMIS ROAD, D STREET, AND 13<sup>TH</sup> STREET

On behalf of KB Homes, Knife River Construction (KRC) is constructing improvements for the Pock Lane Estates subdivision project (Project) located east of Pock Lane and south of Loomis Road. The Project consists of 79 residential lots served by public drainage, sewer, and water services. To accommodate construction of drainage and sewer infrastructure, KRC has requested road closures of the following road segments:

- Loomis Road, from Pock Lane to D Street, starting November 11, 2024, to February 28, 2025.
- D Street from Loomis Road to 13<sup>th</sup> Street, starting November 11, 2024, to February 28, 2025.
- 13<sup>th</sup> Street from D Street to South B Street, starting January 29, 2025, to February 28, 2025.

The Public Works Department has reviewed the improvement plans and traffic control plans and determined that closing Loomis Road, D Street, and 13<sup>th</sup> Street is the safest solution to accomplish the proposed construction while minimizing the inconvenience to the traveling public. Access will be maintained for local residents, businesses, and emergency vehicles at all times. The closure will allow the work to be completed efficiently, and is taking place with the involvement or notification of the following agencies:

- San Joaquin County Office of Emergency Services
- San Joaquin County Sheriff's Department
- San Joaquin Regional Transit District
- Lifecom (emergency dispatch)
- California Highway Patrol
- City of Stockton
- Local Post Office
- Monroe Elementary School
- Hamilton Elementary School
- Kennedy Community Center
