SUBJECT: LINCOLN VILLAGE STREETS RESURFACING 2023

Dear Resident:

The San Joaquin County Department of Public Works is pleased to announce an upcoming project to repair and resurface the following Lincoln Village streets: Grigsby Place from the Stockton City Limits to Benjamin Holt Drive; and Swain Court from Swain Road to North End (Project).

Construction is scheduled to commence on or around August 31, 2023, and is expected to be completed in about three weeks.

During construction activities, expect temporary restrictions on street parking and driveway access; however, these restrictions will be lifted during the night. Additionally, Grigsby Place may experience temporary road closures to through traffic; nevertheless, the road will remain accessible for residents.

We understand that construction can be disruptive, and we value your patience and cooperation as we endeavor to complete the Project as efficiently as possible.

For inquiries regarding this Project, please contact me at (209) 968-4874 or by email at fsalcedo@sjgov.org.

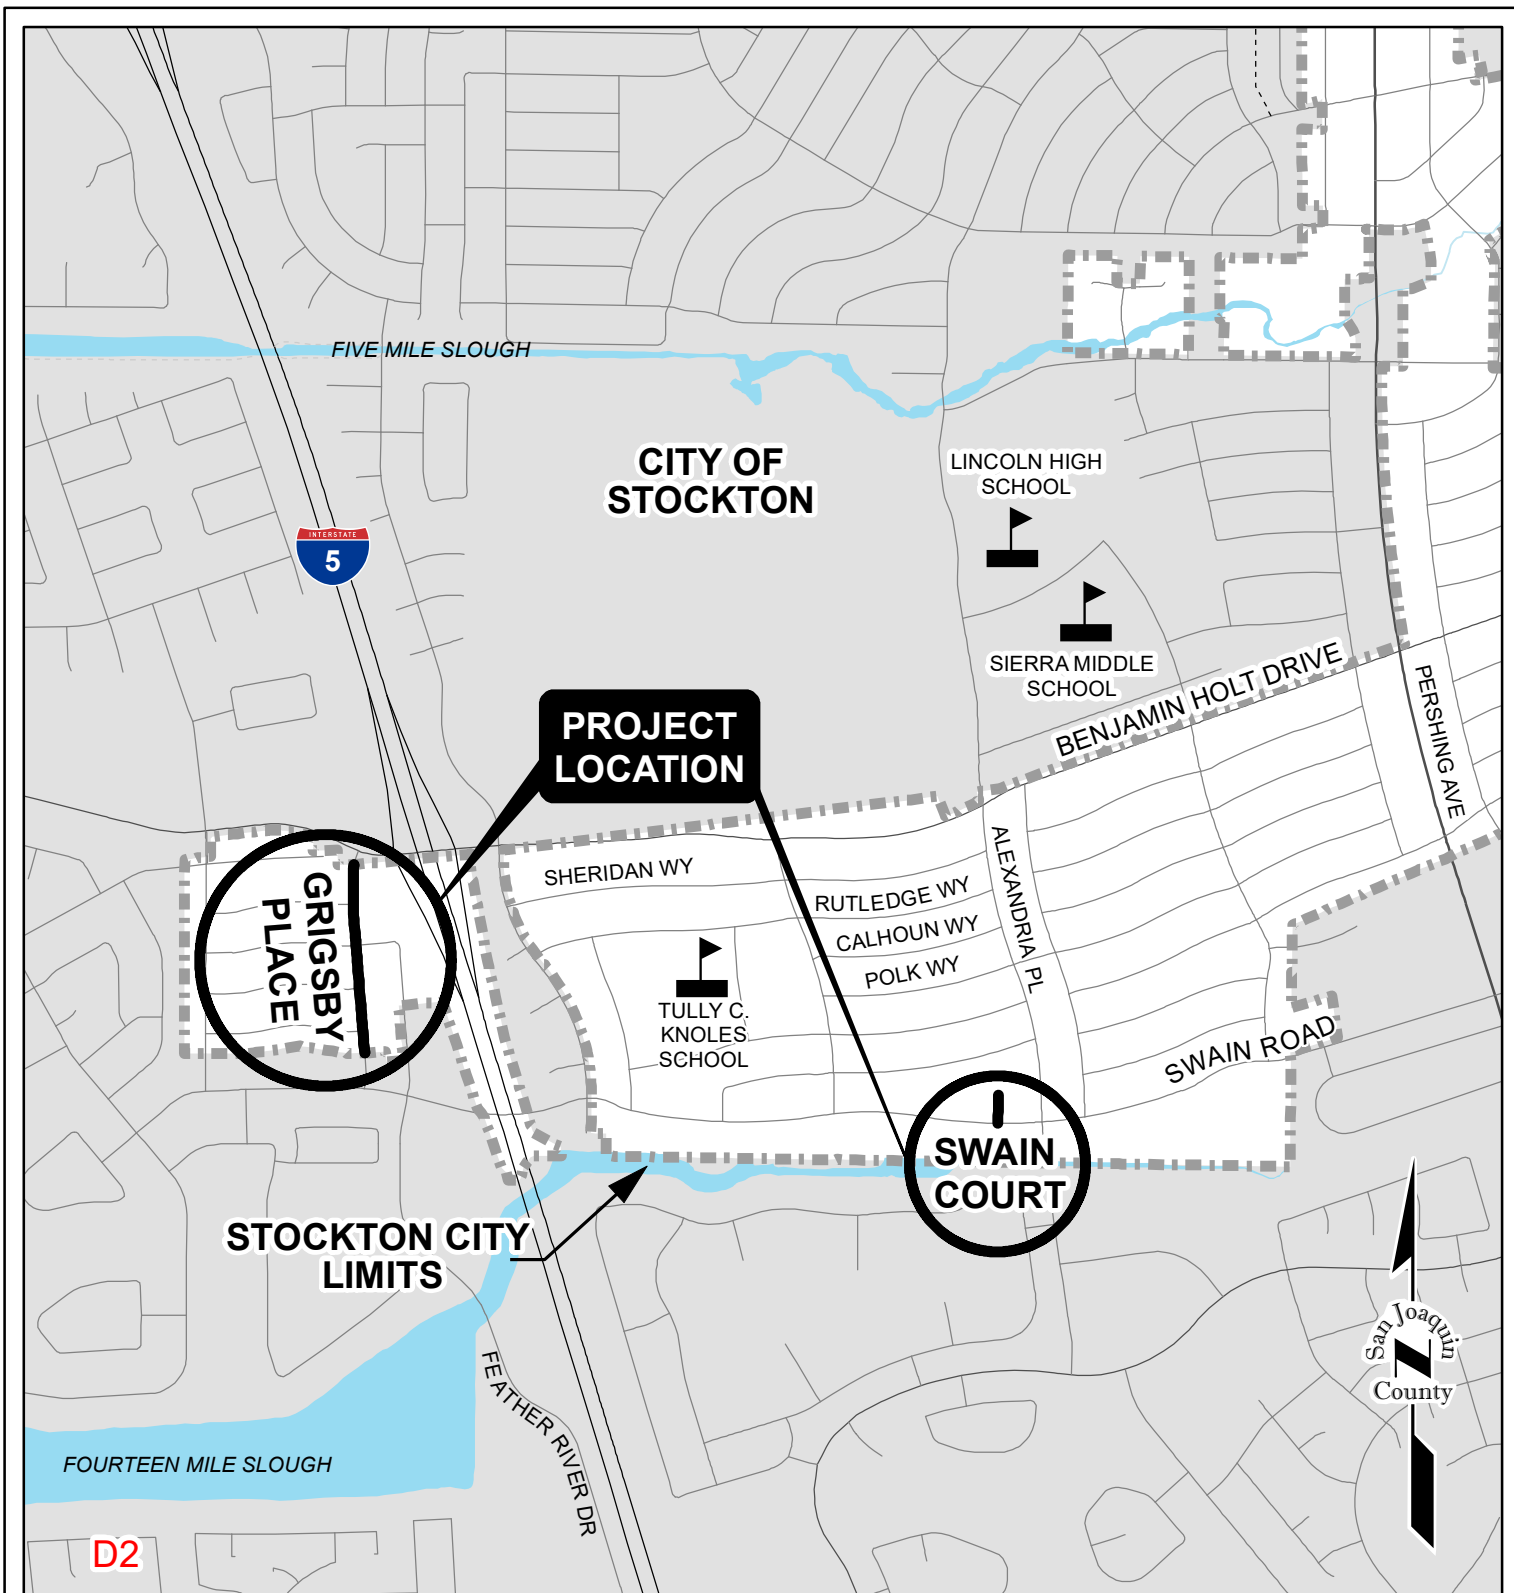

Sincerely,

Francisco Salcedo
