TO: Board of Supervisors

FROM: Fritz Buchman, Director 

SUBJECT: HANDEL ROAD RESURFACING

The Department of Public Works (Public Works) plans to advertise the Handel Road Resurfacing (Project) for bids beginning on April 8, 2025. The bid opening date is scheduled for May 1, 2025.

The Project, in general, consists of repairing and resurfacing approximately 1.0 mile of existing roadway with asphalt concrete. The Project Plans, Specifications, and Estimate have been prepared by Public Works staff. Construction is tentatively scheduled to begin in August 2025 and be completed within 15 working days. The road will be temporarily closed to through traffic during construction; however, residential access will be maintained at all times. The estimated construction cost is \$390,000 and is primarily funded by Road Maintenance and Rehabilitation Account (RMRA) funds.

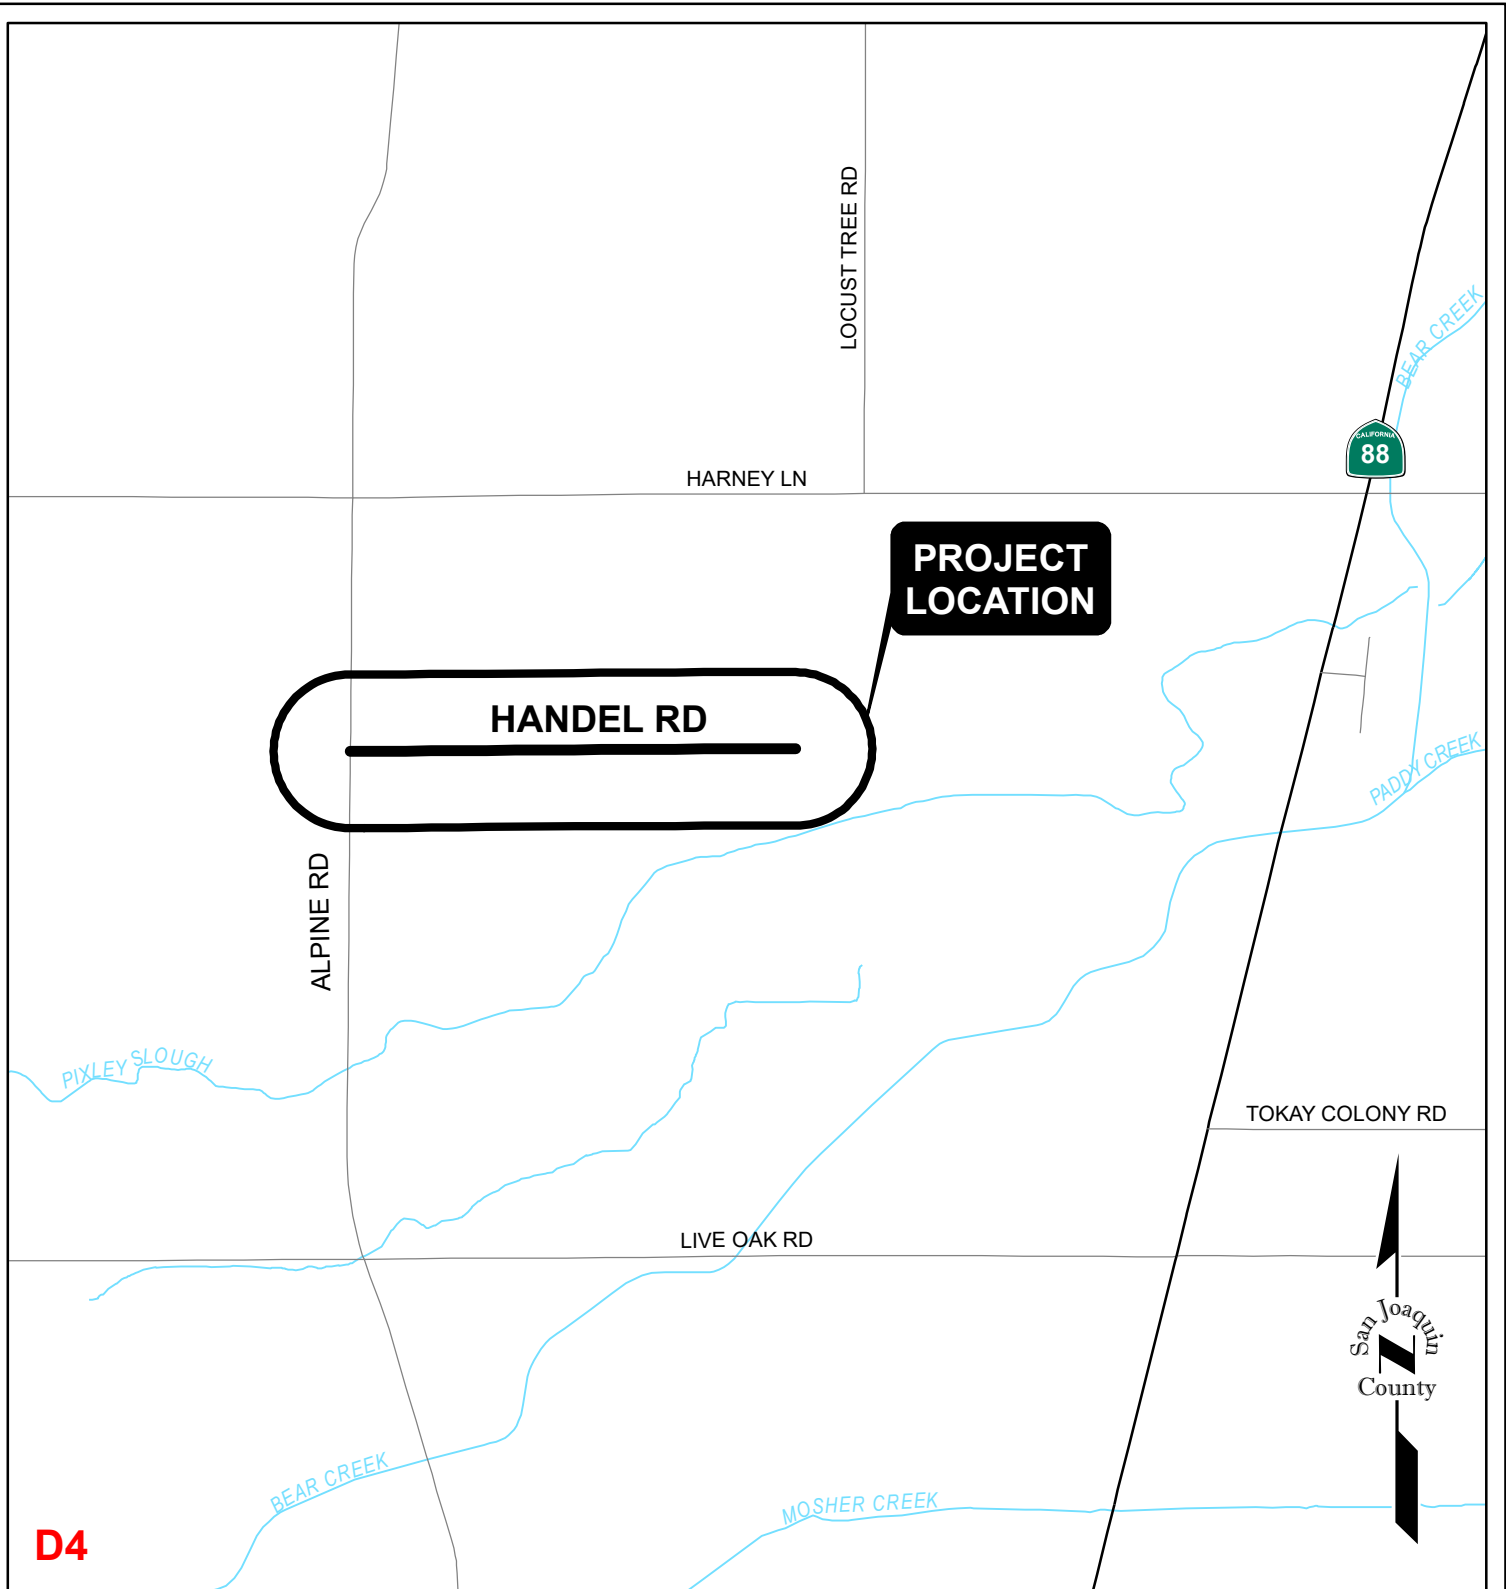

Once bids are received by Public Works, staff will review the bids and present a recommendation for consideration by the Board of Supervisors (Board) at a regularly scheduled Board meeting.

If you have any questions, please contact Najee Zarif, Deputy Director - Engineering at (209) 468-3053 or by email at nzarif@sjgov.org.
