### **Board Approves Supervisor Rickman’s Proposal to Provide District Five Funds in Support of a Local Transportation Program Serving Seniors and Veterans**

STOCKTON – At its Board meeting on Tuesday, June 16, 2026, the San Joaquin County Board of Supervisors approved Supervisor Rickman’s proposals to provide dedicated District 5 Funds to a local transportation program serving seniors and veterans in San Joaquin County.

Knights of Care is a nonprofit organization providing scheduled local transportation for seniors and veterans in San Joaquin County. Their notably branded – wrapped – vehicle is currently in active service and has already completed more than fifty (50) rides for community members. Funds will be used for program materials that will increase outreach and improve service for current and future clients.

Fifth District Supervisor Robert Rickman said, “Transportation can become challenging for our seniors and our aging veterans. It gives me pleasure to support a service dedicated to assisting our aging population tend to daily activities and safely maintain their independence. Reliable and trustworthy transportation can help prevent delayed medical care and social isolation, improving the quality of life for our seniors and aging veterans.”
