Board Approves Supervisor Rickman's Proposal to Provide District Five Funds to Support the Tracy Sports Hall of Fame Campus Mobile TV Displays

STOCKTON – At its Board meeting on Tuesday, November 10, 2026, the San Joaquin County Board of Supervisors approved Supervisor Rickman's proposal to provide $11,985 dedicated District 5 Funds to the Tracy Sports Hall of Fame (TSHOF) to cover costs for campus mobile TV displays.

The Tracy Sports Hall of Fame is a nonprofit organization that works with the local high school athletic departments and the public to coordinate who may be likely candidates for the TSHOF. Its mission is to recognize the rich sports history, athletic contributors, and special athletes of Tracy. They wish to continue advertising the mission of the TSHOF and partner with the local high schools providing a portable screen on each high school campus to promote the athletes, coaches, and teams, that are in the TSHOF and, school messages. TSHOF will receive $11,985 to acquire these campus mobile TV displays.

"Some of Tracy's best sports stories began in the same gyms and on the same fields our students compete on today. These displays will give students a chance to learn about the athletes, coaches, and teams who made history at their own schools and see what's possible for the next generation of Tracy athletes," Supervisor Robert Rickman stated.

The Supervisorial District Funds were re-established by the Board of Supervisors in the 2023-2024 Adopted Budget, to afford each supervisor the opportunity to address district-specific unmet needs. Supervisorial district-funded projects are subject to existing County policy and business practice. A new allocation of $150,000 for each Board Member was included in the 2026-2027 Adopted Budget.

Board Members, upon review of the merits and needs of the proposed projects or activities, prepare recommendations for the Board's consideration regarding the use of Supervisorial District Funds. Supervisorial district-funded projects must be approved by a simple majority vote of the Board and are subject to existing County policy and business practice.
