San Joaquin County Board of Supervisors Proclaim November 2026 "Sikh American Awareness and Appreciation Month" in San Joaquin County

STOCKTON – At the request of Supervisor Rickman, the San Joaquin County Board of Supervisors proclaimed November 2026 " Sikh American Awareness and Appreciation Month" in San Joaquin County, at their meeting Tuesday, November 17, 2026.

“For generations, Sikh Americans have helped shape San Joaquin County through hard work, service, and a commitment to helping their neighbors,” said Supervisor Robert Rickman. “I’m proud to recognize their contributions and celebrate the Sikh community’s rich heritage and dedication to making our county a better place to live.”

Sikhs have resided in San Joaquin County for over 100 years, ingraining themselves throughout American society and industries, while enriching our communities by sharing their rich and vibrant cultural heritage. Their many contributions have been a great benefit to San Joaquin County.

San Joaquin County Planning Commissioner Jass Sangha accepted the recognition, along with Dr. Grewal, Mr. Mahalon, and Mr. and Mrs. Randhawa.
