San Joaquin County BeWell Campus

Groundbreaking Ceremony

Fact Sheet

Overview

The BeWell Campus represents San Joaquin County's bold investment in behavioral health infrastructure and community wellness. Designed to holistically address mental health and substance use challenges, the campus will serve as a regional hub for accessible, coordinated, and compassionate care.

FAQs

Will services still be offered at 1212 N California Street?
Yes, services will continue to be offered at the North California Street location.

What will Phase 1 include?

Over 200,000 square feet of facilities, including Community and Outpatient Services buildings, an Urgent Care Services building, and two Residential Treatment Program buildings totaling 132 beds and 241 treatment slots. The campus will also include public health staff and an urgent care clinic, creating an integrated whole health model that seamlessly combines behavioral health and primary care services to better serve both patients on campus and the community at large.

What will Phase 2 include?

Supportive Transitional Housing buildings along with space for supportive services and community amenities.
