SJDAIA shall submit a request for such release and shall include therewith a listing of such employees including their titles and departments to the management representative and departments concerned in advance of the meeting. The use of County time for this purpose shall not be excessive, nor shall it unreasonably interfere with the performance of County services as determined by the County. The reasonableness of the number of such employees shall be the subject of negotiation.

1.6 SJDAIA ACCESS

Authorized representatives of SJDAIA shall be allowed reasonable access to employees of the unit at their work locations during the working hours of the employees concerned for the purpose of discussing matters within the scope of representation, including but not limited to the processing of grievances and complaints and distributing materials and information provided that the work of the employee and the service to the public are not unduly impaired. SJDAIA is responsible for maintaining the deduction forms from individual employees. Copies of an employee's deduction authorization need not be provided to the County unless a dispute arises about the existence or terms of the authorization. Questions regarding SJDAIA membership, dues amounts, and payroll deductions must be directed to SJDAIA and not the County.

SJDAIA will give the County timely notice of any change to an employee's deductions, including starting and stopping deductions, or validly cancelling or revoking a deduction authorization. Deductions will begin the next applicable pay period following receipt of notice.

SJDAIA shall indemnify, defend, and hold the County, its officers, agents, and employees harmless from and against any and all claims, demands, losses, defense costs, suits, other action or liability of any kind or nature arising from this section, including, claims for or related to

At the conclusion or termination of the leave granted under this section, the officer or steward shall have a right to reinstatement to the same position and location they held prior to such leave, or if not feasible, a substantially similar position without loss of seniority, rank, or classification. If an employee was due a merit increase during this leave, the merit increase will be delayed by one full pay period for each full pay period the employee was on leave.

The County shall not be liable for any act, omission, or injury suffered by any employee of the County if that act, omission, or injury occurs during the course and scope of the employee's leave under this section to work for SJDAIA. To the extent that the County is held liable for any such act, omission, or injury, SJDAIA shall indemnify and hold harmless the County.

1.14 Work Stoppage

No employee shall be eligible for paid leave as a result of, or while participating in or engaged in, any concerted work action.

It is mutually agreed and understood that during the period this Agreement is in force and effect the Association will not authorize or engage in any strike, slowdown, or work stoppage.

2. INSURANCE

2.1 Compliance with Applicable Benefits Laws and Eligibility

During the life of this agreement, the County will maintain its health plans in compliance with provisions of the Affordable Care Act (ACA) and all other applicable state and federal laws governing public sector employee benefits plans.

Eligibility for health benefits for variable-time employees will be determined based on the measurement and stability period provisions of the ACA. Coverage in the full-time health plans will be extended to employees who work on average 30 or more hours per week during each measurement period.

If on leave of absence with pay, refer to section 2.9-Continuation of Insurance Benefits While on Leave.

2.2 Effective Date of Coverage

The effective date of coverage for newly eligible employee members in the health, dental, and vision insurance plans shall be the first day of the first bi-weekly pay period following the date of appointment to employment as a regular employee or as a contract or part-time employee, who, by such contract or part-time provisions, is eligible for the stated insurance coverage, provided that coverage shall not be effective until the first day of the first bi-weekly pay period after the employee has completed the required enrollment forms and any supporting documentation.

Upon first becoming eligible for health insurance coverage, all eligible employees have 60 calendar days to enroll in such insurance coverage. Employees failing to enroll within the specified time frame shall be deemed to have waived coverage under the plans. Eligible employees who are not covered under the plan may elect to participate at the next Open Enrollment period by signing the required enrollment forms, or upon the occurrence of a Qualifying Life Event, as permitted under IRS regulations or other applicable laws.

2.3 Health Insurance Options

The County shall continue to provide an option for health insurance coverage for eligible employees and dependents in one of several plans. The plans, at minimum, include a PPO and an HMO plan. The County may modify the number and type of plans available, and plan design, subject to prior notice. Health plans offered to employees may be either self-funded by the County or fully insured. If any plan is self-funded, a plan document shall be adopted by the Board of Supervisors. Employees may opt-out of medical insurance coverage during each open enrollment period or during a qualifying life event by completing an enrollment form and selecting the “Opt Out” option.

A list of the current County plan offerings is available on the County’s website (www.sjgov.org) under the Human Resources Benefits section.

2.3.1 Medical Insurance Premiums

The County will pay 80% of the premium and the employee shall pay 20% of the premium for employees electing the standard PPO or the standard HMO plans at all tier levels (employee, employee plus one, employee plus family). Standard plans are noted on the County's website.

For employees electing the buy-up PPO plan, the County shall contribute at the same coverage level as the standard PPO plan County contribution at all tier levels. Employees will pay the difference between the County contribution and the full rate of the buy-up PPO plan at each coverage level.

2.3.3 Coverage for Surviving Dependents

Consistent with the Federal Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), any County employee who is covered by County-offered health insurance and who dies while employed, whether in paid or unpaid status, their surviving dependents shall be allowed to retain their dependents' coverage, provided that the dependents elect COBRA coverage and pay their applicable premiums by the due date.

2.3.2.2 Medical Benefits for Part-Time Employees

Eligibility for medical benefits for part-time employees will be determined based on a measurement and stability period as follows:

Employees who have worked an average of 30 or more hours per week in the applicable measurement period pursuant to the Affordable Care Act, will be offered the same medical benefit options as full-time employees for the employee only tier (assessed on an annual basis) for the employee only. Coverage for eligible dependents is available at the employee's expense. Participation is optional for all eligible employees.

2.4 Dental Insurance

The County shall provide dental insurance coverage for eligible employees in one or more dental insurance plans. There shall be a primary dental plan and a dental health maintenance organization (DHMO) plan may also be offered. Such plans may be fully insured or self-insured by the County. The County may also offer a buy-up plan option. The County shall pay the employee-only premium and any increases thereof for the term of this memorandum. Dependent dental coverage is available in any offered plan at the employee's expense.

For plans with orthodontia coverage, the plan will pay 50% of actual costs. The maximum amount of orthodontia coverage is \$1200, lifetime, per enrollee.

The maximum annual dental benefit per person in the primary dental plan shall be \$3,000. The DHMO has no annual maximum.

2.5 Vision Insurance

The County shall provide vision insurance coverage for eligible employees. The County may also offer a buy-up option. The County shall pay 100% of the employee-only premium for all vision plans, excluding the buy-up option, and any increases thereof for the term of this memorandum. Any premium cost over the standard plan shall be paid by the employee. Dependent vision coverage is available at the employee's expense.

2.6.1 Additional Life Insurance

Employees in this unit shall be provided with a County-paid term life insurance policy with a face value of \$50,000. The policy shall include a double indemnity accidental death and dismemberment provision.

If an employee separates from employment with a service or disability retirement, this policy shall continue through the first twelve (12) months following such separation and thereafter the face value coverage to 100% shall be reduced at a rate of 20% per year so that such benefit would terminate at the end of sixty (60) months after separation.

Eligible employees in this unit shall have the option to purchase additional term life insurance in increments of \$25,000 to a maximum of \$200,000 at the County's rate.

2.8 Flexible Benefits

Employees in this bargaining unit shall have the option to participate in a flexible benefit program (as allowed and prescribed by Section 125 of the Internal Revenue Code and applicable IRC sections and regulations) which permits the pre-taxing of insurance premiums and reimbursement of eligible dependent care costs and un-reimbursed healthcare expenses with pre-tax dollars.

Employees who are enrolled in a high-deductible plan with an accompanying health saving account, are not eligible to enroll in the flexible benefit program for unreimbursed health care expense under this section. See Section 2.81 Health Savings Account.

2.8.1 Health Savings Account

For employees who are enrolled in a Health Savings Account (HSA)-Qualified High-Deductible Health Plan (HDHP), the County will contribute \$700/year for Employee Only and \$1,400/year for Employee plus dependent(s) to an HSA. Funds will be deposited through the County's payroll process and sent directly to the County's approved third party administrator (TPA), prorated over 26 pay periods. Employees can elect to make additional HSA contributions up to the IRS total combined (employer and employee contributions) HSA maximum contributions for single or family coverage.

Employees who are not enrolled in an HSA-Qualified HDHP or who participate in a flexible spending account as provided in Section 2.8 are not eligible for participation in a HSA under this section.

2.9 Continuation of Insurance Benefits While On Leave of Absence

When an employee is on an authorized leave of absence without pay, the employee shall be allowed, at the employee's own expense, to remain under the health, dental, vision, and life insurance coverage for up to twenty-six (26) bi-weekly pay periods provided that such employee shall pay the applicable premiums no later than Monday of the County's pay week. Specific arrangements for such coverage shall be made with the Human Resources Division.

Employees in this unit who are on a protected leave of absence (Family and Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave) retain eligibility for the employer-paid premium amount during the time of protected leave regardless of the number of hours of paid time. To maintain benefits, an employee must pay the employee contribution of the premium.

Employees in this unit who are on an approved unprotected leave of absence, retain eligibility for the employer-paid premium amount during the time of unprotected leave so long as they use at least 41 hours of paid time per pay period.

3.4.3.1 Floating Holiday Observance

Regular full-time employees may individually, with the approval of the department head, take such holiday on the date of the holiday, on the day preceding the holiday in the case of holidays which fall on a Saturday, or the day following the holiday in the case of holidays which fall on a Sunday, or may accumulate up to forty-eight (48) hours of floating holiday time to be used at a deferred date. Such floating holiday time off shall be scheduled at a time mutually agreeable to the employee and the department head. County offices and departments shall remain open for business on any day deemed to be a floating holiday and employees who elect to accumulate floating holiday time shall receive their regular compensation for working on the holiday.

Any regular full-time employee whose regularly scheduled day off falls on a floating holiday shall accrue floating holiday time as provided in this Section.

3.4.4 Shift Designation

For the purposes of this Section, the night shift of the calendar day preceding the actual date of the regular holiday shall be considered Shift #1, the day shift of the regular holiday shall be Shift #2 and the p.m. shift of the regular holiday shall be Shift #3.

3.5 Bereavement Leave

The County shall provide up to five (5) days of bereavement leave to regular employees, and part-time employees who suffer a death of a qualifying family member. For the purposes of this section, up to five (5) days of bereavement leave is protected leave under the California Family Rights Act (CFRA). This leave is separate and distinct from the twelve weeks of leave permitted under CFRA (see Section 3.9).

Regular full-time employees shall be allowed to be absent with pay for three (3) scheduled County work days for each qualifying family member who dies. Part-time employees will be allowed to utilize three (3) days of accrued leave, or may take leave without pay if no accrued leave is available. Employees will be paid only for days and hours they were scheduled to work.

A qualifying family member is:

- a. Spouse or registered domestic partner
- b. Child (natural, adopted, step-child, foster, legal ward, or child to whom the employee stands in loco-parentis)
- c. Parent or parent-in-law (natural, adopted, step-parent, foster parent, legal guardian, or person who stood in loco parentis when the employee or employee's spouse or registered domestic partner was a minor child)
- d. Grandparent or great-grandparent of the employee or the employee's spouse or registered domestic partner
- e. Grandchild or great-grandchild of the employee or the employee's spouse or registered domestic partner
- f. Sibling or sibling-in-law of the employee or the employee's spouse or registered domestic partner

In addition, employees may use two (2) days of accrued leave for the death of a qualifying family member as described above. The employee may elect to use any available leave accruals for the two (2) days, including sick leave. If no accrued leave is available, the employee may take leave without pay.

Bereavement leave may be taken intermittently and does not need to be consecutive. All bereavement leave must be used within three (3) months of the death of the qualifying family member. The three (3) months may be extended under extenuating circumstances as determined by and with the approval of the Department Head, but shall not exceed one year.

Proof of death of the qualifying family member is required. Acceptable documents include, but not limited to, death certificates, obituaries or signed verifications from funeral

homes/mortuaries, or other documents deemed acceptable by management. Documents may be source verified.

San Joaquin County will comply with the California Family Rights Act (CFRA), maintaining all rights and provisions that are permitted by state law. This does not imply a greater right to bereavement leave other than what is required by law or otherwise stated in this MOU.

3.7 Military Leave

The following procedures and restrictions shall apply to military leave:

- a) To be eligible for paid military leave, an employee must have at least twelve (12) months of qualifying service immediately prior to the leave. Qualifying service is continuous and consecutive County service or recognized military service. Recognized military service is defined as full-time service in the armed forces during a national or state emergency. Generally, recognized military service would be that during World War II, the Korean War, the Vietnam Conflict, or any conflict for which an expeditionary medal was awarded. This time requirement does not apply to declared emergency situation. Under such emergencies, any employee ordered to active duty is eligible for paid temporary military leave.
- b) Temporary military leave with pay can be authorized for eligible employees only when they are ordered to active duty.
- c) Weekend drills are not active duty. Departments will make reasonable attempts to change an employee's schedule to allow for off-duty attendance at monthly drills. If such accommodation is not possible, the employee may use leave as specified in (k).
- d) A copy of the employee's order to active duty must accompany any military leave with pay.
- e) Paid temporary military leave can be authorized for a maximum of thirty (30) calendar days in each fiscal year pursuant to Military & Veterans Code §395.01, et seq.
- f) Upon expiration of the thirty (30) calendar days of paid military leave as set forth in subsection (e), the County shall pay the difference between the eligible employee's regular County salary, if the employee's military pay is less than the employee's regular salary.
- g) The County shall continue to provide employee and dependent medical, dental and vision benefits, if applicable consistent with regular employment and subject to payment of employee premiums, if any, of such coverage.
- h) The eligible employee's military service shall be considered as paid employment for purposes of benefits under the County's retirement system subject to the payment of the employee contribution for periods of continuous military leave.

- i) In calculating leave, holidays (floating or regular) which occur during an employee's military leave will be charged as holidays used rather than military leave.
- j) All other calendar days encompassed by the order will be counted as military leave whether normally scheduled days or days off.
- k) Employees will not be denied the right to use leave to attend active or inactive military duty. If the employee is not eligible for temporary military leave with pay, the employee may request a leave of absence without pay or use accrued vacation, holiday, or compensatory time off.

3.8 General Unprotected Leave of Absence

Leaves of absence identified in this section may be granted to regular full-time employees who have permanent Civil Service status and twelve (12) months or more of consecutive County service (permanent). Regular full-time employees with less than twelve (12) months continuous County service and who do not have Civil Service status (probationary) are eligible for leave under Section 3.8.1 Personal Medical Leave, only.

Employees who take leave under this section are required to use at least forty-one (41) hours of accrued leave and exhaust all available leave accruals before taking leave without pay. Use of sick leave accruals is subject to the conditions specified in Section 3.3.2.

Leaves of absence taken under this section will be known as unprotected leave. For protected leave, see Section 3.9.

3.8.1 Personal Medical Leave

Medical leave without pay may be granted to probationary or permanent employees by the Department Head. Requests must be submitted with a statement from a California licensed physician stating the nature of the disability and the estimated duration of the disability. A medical leave may be granted for a maximum of one year (extensions may be possible under the ADA or pending disability retirement). A leave of over 30 days must be approved by the Director of Human Resources.

Refer to Section 1.4.1 Americans with Disabilities Act (ADA) and Fair Employment and Housing Act (FEHA) for leave accommodation under the ADA/FEHA.

3.8.3 Educational Leave of Absence

Educational leave of absence without pay may be granted to permanent employees by the department if the leave furthers the department's goals and the employee's last performance evaluation was at least satisfactory. Initially, leave of up to one (1) year may be granted and may be extended up to an additional year.

3.8.4 Personal Leave of Absence

Personal Leave of Absence may be granted to a permanent employee by the department head for reasons acceptable to the department head. The employee's last performance evaluation must be at least satisfactory. Leave may initially be granted for up to one (1) year and may be extended up to an additional year.

Forms for request of leave of absence are maintained in each department. Requests for leave of absence shall be submitted sufficiently in advance of the proposed effective date to permit the department head and the Director of Human Resources to take action prior to that date.

A leave of over 30 days must be approved by the Director of Human Resources.

3.8.5 Effect of Unpaid Leave of Absence on Other Leaves

No employee who has been granted a leave of absence without pay shall accrue any vacation, sick leave or holiday during the time of such leave nor shall such time count toward gaining permanent status.

3.9 Federal and State Protected Leave

San Joaquin County will comply with applicable state and federal laws that provide eligible employees job-protected leave if an employee or an employee's qualifying family member has a serious health condition (as defined in Section 12945.2 of the Government Code, or Section 29 CFR 825.113 of the federal Family Medical Leave Act) or specific eligible family needs.

For the purposes of this section, leave under state and federal laws will be known as protected leave.

3.9.1 State Family Leave

For issues related to illness, this section applies to medical leaves of absence that meet the definition of a "serious health condition" as defined in Section 12945.2 of the Government Code or Section 29 CFR 825.113 of the Family and Medical Leave Act. San Joaquin County will comply with the California Family Rights Act, maintaining all rights and provisions that are permitted by state law.

3.9.2 Federal Family and Medical Leave Act

San Joaquin County will comply with the federal Family and Medical Leave Act, maintaining all rights and provisions that are permitted by federal law.

3.9.3 Child-Related Activities

The County of San Joaquin shall comply with Labor Code Section 230.8, or any federal or state law requiring an employer to grant time off to participate in a child-related activity. Current

state law provides that parents, guardians, stepparents, foster parents, grandparents, or person who stands in loco parentis may take up to forty (40) hours per year, but not more than eight (8) hours per month, to participate in their children's school or licensed child care provider activities. Employees working a shift greater than eight (8) hours per day may take one full shift per month, subject to the 40-hour maximum. An employee may take unpaid leave or may use accrued vacation, compensatory, regular holiday, or floating holiday time.

3.9.4 Pregnancy Disability Leave

Pregnancy disability leave without pay shall be granted to all eligible employees in accordance with state and federal laws. Leave for medical reasons shall be granted with a physician's statement, and employees may use sick leave or other accrued leave in accordance with Section 3 of this Memorandum.

Current law provides up to four (4) months of leave for pregnancy disability. Employees may also be eligible for an additional twelve (12) weeks of leave under CFRA Section 3.9.1 of this Memorandum. The County will comply with any state or federal law and reserves any rights of restrictions.

3.9.5 Use of Leave Accruals While on Protected Leave

Employees receiving wage replacement benefits, such as State Disability Insurance (SDI) or Paid Family Leave (PFL), are not required to use leave accruals while on protected leave. Employees may elect to use available leave accruals in conjunction with wage replacement benefits to receive no more than the employee's regular salary.

Employees who are not receiving wage replacement benefits must use available leave accruals to maintain at least forty-one (41) hours of paid time per pay period and must exhaust all available leave accruals prior to taking leave without pay. Use of leave accruals is subject to the requirements of Section 3 of this MOU, to the extent permitted by state and federal law.

3.10 Catastrophic Leave Program

3.10.1 Conditions of Participation

Applications for receipt of catastrophic leave donations will be processed by the San Joaquin District Attorney Investigators Association (SJDAIA).

- (a) A County employee becomes eligible to receive catastrophic leave donations when the following two (2) conditions both occur:
 - 1) The employee has exhausted or will soon exhaust all their accrued leave as a result of a verifiable long-term illness or injury suffered by either the employee or an immediate family member, as defined in Section 3.3.2.

- 2) The employee has received approval for a protected or unprotected leave of absence under Section 3.8 or 3.9.
- (b) Employees may donate accrued vacation, compensatory time or holiday time (regular or floating); sick leave may not be donated.
- (c) Donations may be made in whole hour increments from a minimum of four (4) to a maximum of sixteen (16) hours per donor in each donation period.
- (d) Donors must have an overall leave balance of 80 hours remaining after donated time has been deducted.
- (e) Once donated to an individual, donated leave cannot be reclaimed by the donor.

3.10.2 Processing of Donations

Upon receipt of donation authorizations, the Auditor-Controller shall take the following actions:

- (a) Verify that donating employee has minimum required leave balance required for the donation and convert donated time to dollars at the hourly rate of the donor and subtract from the designated leave category. Pay supplements which are a percentage of base salary (except above class pay and special assignment pay) shall be added to the base salary prior to converting the value of the donated time to the recipient.
- (b) Convert donated dollars as computed above to hours at the hourly rate of the recipient, and add to recipient's sick leave balance.
- (c) Notify departments of changes in leave balances by noting Auditor adjustments on payroll certs for the next payday.
- (d) Retain a confidential file of donation authorizations.

3.10.3 Treatment of Donated Time

Donated time is treated as sick leave accrued by the recipient of the donation.

Donated time does not alter the employment rights of the County or the recipient, nor extend or alter limitations otherwise applicable to Leaves of Absence or Sick Leave, except as noted in this agreement.

Employees who are utilizing donated sick leave hours will continue to accrue vacation and sick leave in accordance with the provisions of this Memorandum of Understanding.

3.11 Leave for Civil Service Examinations and Interviews

Employees shall be allowed the necessary time off with pay to participate in Civil Service examinations and selection interviews for the County, which are held during their regular work hours.

3.12 Effect of Re-Employment or Reinstatement on Leave Accrual Rates

A former employee in County service shall not be entitled to accumulative sick leave benefits unless the return to County service is the result of reinstatement within one year of termination of employment or is a result of re-employment after a layoff due to lack of work, lack of funds, or in the interest of economy.

Employees who are reinstated to County service within one year of termination of employment will be returned to the same vacation accrual rate and salary grade that was held at the time of separation.

4. COMPENSATION

4.1 Salaries

Unless expressly provided to the contrary by this Memorandum or Board Order, Resolution, or Ordinance, salaries and hourly rates of pay for all additional compensation, including but not limited to supplemental pay, standby pay, callback pay, and pay for work above class, shall be computed solely by reference to an employee's base salary or base hourly rate. All negotiated salaries shall remain as adopted for the life of this Memorandum unless mutually agreed otherwise in writing.

The County and SJDAIA agree that the parties will negotiate, upon request, the salaries of new classes established as a result of a reclassification of positions.

Effective July 3, 2023, employees shall receive a base wage increase of 8.5%.

Effective July 1, 2024, employees shall receive a base wage increase of 2.5%.

Effective June 30, 2025, employees shall receive a base wage increase of 4%.

Each job classification will be assigned an individual salary grade. Each salary grade will identify the bi-weekly five-step salary range as the established compensation for that class. The current Step 1 salary established for each class will remain the Step 1 salary of the new salary range. Each subsequent step in the new salary range will be 5% more than the preceding step, through Step 5. Any negotiated salary adjustments will be made to the first step in the salary range. Once adjusted, each subsequent step will be 5% more than the preceding step, through Step 5.

4.2 Supplemental Pay

4.2.1 General

No employee shall receive supplemental pay when on vacation, sick leave, sick leave in conjunction with the receipt of State Disability Insurance or Worker's Compensation temporary disability payments, compensatory time off, holiday, or paid military leave unless such employee shall have been performing duties for a period of not less than four (4) full bi-weekly pay periods or such supplemental duties are scheduled, upon assignment, to last not less than four (4) full bi-weekly pay periods. Unless otherwise specified by the appointing authority or the appointing authority's designee, such shift assignment shall be presumed to be scheduled upon assignment for at least four (4) full bi-weekly pay periods.

4.2.2 Special Assignment Supplement

The Director of Human Resources may authorize a 5% salary increase to any employee designated by the County Administrator to be on special assignment.

4.2.3 Shift Differential

Shift differential shall be \$0.75 per hour for p.m. and swing shifts and \$0.91 per hour for night shifts.

For purposes of payment of shift differential the following times shall apply:

DAY: Any work shift which begins on or after 4:00 a.m. and before 12:00 noon.

P.M.: Any work shift which begins on or after 12:00 noon and before 8:00 p.m.

NIGHT: Any work shift which begins on or after 8:00 p.m. and before 4:00 a.m.

4.2.4 Standby Pay

A department head with the approval of the County Administrator may designate employees in certain classes to be in a standby status. An employee who is on standby status must be at a location where the employee can be reached at all times and upon being called shall return to work immediately. An employee who is recalled to work shall be deemed to be of standby status and the employee shall not receive standby pay for the hours the employee is paid to work, whether on a straight time or overtime basis.

Employees, except those in the District Attorney Investigator series designated to respond to Officer Involved Critical Incidents, who perform standby duty, shall be compensated at 20% of their regular hourly rate.

Employees in the District Attorney Investigator series designated to the rotation of standby duty for purposes of implementing the Officer Involved Critical Incident Protocol shall regularly be assigned a take-home County vehicle in lieu of standby pay for as long as the Protocol exists. This will ensure the Investigator's ability to respond immediately. If the protocol agreements should terminate, District Attorney Investigators will be given no less than 30 days notice that take-home vehicles will no longer be provided. Any other standby assignment is eligible for standby pay.

4.2.5 Work Above Class

A department head may temporarily assign any employee to perform duties normally assigned to a classification with a higher salary without changing the salary of such employee provided the temporary assignment does not exceed five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period. If an employee is assigned to a classification with a higher salary grade for more than five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period, the employee shall be compensated, beginning with the sixth day of such above-class assignment, at an amount equal to what the employee would receive if promoted to the higher class, or 5% if no class exists. Such assignment must receive approval of the Director of Human Resources. Assignments to cover routine vacation or sick leave absences will not be approved. Vacation or sick leave absences in excess of two weeks shall not be considered routine.

Employees who are being paid for working in a higher classification are not eligible for merit increases in the higher classification. Whenever an employee working in a higher classification receives a merit increase in the employee's regular classification or the employee's regular salary is otherwise increased or decreased, the employee's pay for working above class shall be adjusted so that the employee continues to be compensated at the rate specified above.

Once an employee establishes eligibility for working above class pay in a calendar year, the employee shall retain eligibility for out of class pay for the remainder of that calendar year.

Paycheck exceptions (except overtime exceptions) in excess of \$100 in terms of gross pay, if presented by noon on the Friday following payday, shall be paid within two (2) working days of presentation of the claim to the Auditor-Controller. Overtime exceptions shall be paid no later than the following paycheck.

All payroll errors resulting in gross pay overpayment, net pay overpayment or granting of other compensation or benefits in error must be repaid to the County. Employees shall be allowed, at employee's option, to use accrued annual and holiday leave and compensatory time to repay the County in cases of payroll errors resulting in gross salary overpayment. Such errors may result from use of an incorrect salary rate, reporting the wrong number of hours worked, or misclassification of hours worked.

Accrued annual and holiday leave and compensatory time may not be used to repay the County for net salary overpayments that do not result from gross salary errors. Such errors include, but are not limited to, underwithholding of deductions for employee-paid benefits and taxes.

4.4 Mileage and Travel Expenses

If it is legally possible to do so, the County shall grant advance travel pay when requested by the employee at such times as the employee is traveling outside the County on County business.

Effective upon adoption by the Board of Supervisors the mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate the beginning of the first full bi-weekly pay period following announcement of the changed rate by the Internal Revenue Service.

In any case, the charge will not exceed the actual cost to the County for administration of the plan or plans as computed by the Auditor-Controller under standard accounting practices for cost allocation purposes.

Before implementing a payroll deduction charge, the County will make every effort to negotiate with the plan vendors and/or third party administrator(s) to recoup the County cost from their management fees.

4.6 Severance Pay

Any member of this bargaining unit employed by the County in an allocated position on December 6, 2011, who is laid off from regular County employment or voluntarily accepts a lay off in lieu of another employee shall receive \$2,500 in severance pay. 5.3 Overtime

For the purposes of determining an employee's eligibility for overtime compensation, all straight time hours on payroll except sick leave shall be considered "hours worked".

If, in the judgment of a department head or duly-authorized designee, work beyond an employee's normal workday or work week is required, the department head or designee may order such additional work. Except as provided in this Section, employees shall be eligible for overtime compensation when:

- (a) An employee works in excess of the number of hours in their normal workday except that any part-time employee shall not be eligible for overtime until such employee works at least twelve (12) hours in a day;

If an employee is released from the worksite before the three hour minimum is reached and recalled back to work during the three (3) hour minimum the employee is not granted another three (3) hour minimum as the employee would continue working under the first call back three (3) hour minimum. An employee who performs callback shall be compensated for the additional work hours according to the provisions of Section 5.6 if the additional time is deemed overtime.

5.7.1 Rest Periods

To promote maximum productivity and morale, it is the policy of San Joaquin County that, when County operations permit, each employee shall be entitled to two (2) rest periods not exceeding fifteen (15) minutes each, during a regular eight (8) hour shift. When County operations permit, such rest periods are to be taken as nearly as possible in the middle of each four (4) hour segment of each employee's work day. Time allowed for rest periods may not be accumulated from one half of the workday to another, nor may rest periods be used to alter an employee's normal work hours and meal periods.

5.7.2 Meals During Overtime

Meals which must be consumed on the job after the normal workday and while working in an overtime situation are not to be considered as an interruption of overtime work performed. The County shall neither pay for nor provide meals, nor is an employee who takes a break for a meal to be considered as being in a paid status. An employee, upon request, shall be allowed to take a thirty (30) minute meal break after two (2) hours overtime and every four (4) hours thereafter. The County retains the right to refuse requests for meal breaks in the event of emergency.

Flex time schedules are those alternate work schedules, including but not limited to a "4-10" plan or a "9-80" plan, which do not violate the Fair Labor Standards Act or Section 5.3. of this memorandum, unless otherwise agreed by the parties. No flex schedule arrangement shall be implemented until the County and SJDAIA adopt a memorandum of understanding specifically setting forth provisions of the schedule with respect to overtime, holiday, sick leave and other affected benefits.

The County and SJDAIA agree that when a written request for flexible work schedules is denied, the Appointing Authority or designee shall respond to the request in writing (within 14 days) stating the reasons for the denial.

5.10.1 Jury Duty

Any regular employee who is summoned for attendance to any court for jury duty shall be deemed to be on duty and there shall be no loss of pay, however, any jury fees (excluding payment for mileage) received by the employee shall be paid to the County. Employees who receive a jury summons are required to immediately notify the immediate supervisor.

Any employee who works a rotating shift in a 24 hour facility who receives a summons for jury duty shall request a jury duty deferral until such time that the employee rotates to a day shift.

If a deferral is not granted by the Court, the employee shall immediately notify the supervisor to modify work schedule to accommodate jury duty.

5.10.2 Witness Duty

Any employee who shall be called as a witness in a case arising out of and in the course of the employee's County employment shall be deemed to be on duty and there shall be no loss of pay. Any witness fees received by the employee shall be paid to the County together with any mileage allowed if the employee uses County-provided transportation. If such witness duty is performed on a day on which the employee would normally not be working, the employee shall be deemed to be on duty and shall be compensated for overtime as provided in Section 5.3. An employee called as a witness in any other matter shall be deemed off duty.

A unit employee called as a witness in a case arising out of and in the course of employment on a day on which the employee normally would not be working the day shift, but is on scheduled vacation, shall be deemed to be on regular duty and shall have the option of working a complete shift. The number of hours worked will not be charged to vacation.

5.11 Reassignment

The County and SJDAIA agree that one of the factors to be assessed when involuntarily reassigning an employee shall be the seniority of the qualified employees.

Any employee who is involuntarily transferred may request a written statement from the appointing authority as to the reasons for the reassignment. This written response shall be issued within fourteen calendar days from the date of the request.

6. SALARY ADMINISTRATION

6.1 Salary upon Appointment

New employees shall be appointed at the first step of the salary grade adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the grade commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary grade at which the new employee enters may be raised to that step or to a lower step in the grade upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2 Step Increases

6.2.1 Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary grade assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from their department head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if their overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary grade shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary grade at one time except as provided in Section 6.1 above.

6.3 Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause but upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step on Promotion

An employee appointed to a position with a higher salary grade shall have their salary adjusted to the first step of the new grade or to the step in the new grade which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new grade. For the purposes of this Section, pay supplements which are a percentage of base salary (except above-class pay, special assignment pay or supplemental pays that carry over to the promotion class) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new grade. The effective date of the promotion shall become the new merit advancement date for the employee and they shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5 Order of Adjustments

Whenever an employee is promoted and receives a grade change or the employee's position is reclassified to a class having a higher salary grade, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which they may be entitled and then receive such increases to which they may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6 Salary Step on Demotion

If an employee is demoted to a position having a lower salary grade because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the grade assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary grade, the employee shall receive the salary in the new grade, which is equal to the salary in the prior position, or, if none, the next lower salary in the grade assigned to the new position.

For purposes of this Section, each eight (8) hours of sick leave is equal to one (1) day. The conversion rate is and shall not exceed \$221.24 for each eight (8) hours of accumulated sick leave.

As of the effective date the retired employee is first paid a retirement allowance by SJCERA, the retired employee may use the account to pay monthly premiums for County-sponsored health, dental, or vision plans in which the retired employee and/or their eligible dependents are enrolled, and shall continue until such account is fully depleted, the employee ceases to be a member of SJCERA, or the retired employee and all of their dependents cease to be enrolled in the plan(s), whichever first occurs.

Employees who separate from employment and assume a deferred retirement status are eligible to enroll in County-sponsored group health, dental, or vision plans, but may not utilize their sick leave credit account to pay for monthly premiums unless and until they retire and receive a monthly retirement allowance from SJCERA.

The supervisor will immediately investigate the allegation. The supervisor may check with a higher level of management or a departmental safety coordinator and thereafter direct the employee to either temporarily perform other duties or proclaim the situation safe and direct the employee to proceed with assigned duties.

If the employee or SJDAIA continues to believe the condition presents a clear and present danger, the employee or SJDAIA may proceed to STEP 2. If the employee believes there is an imminent danger the employee may proceed directly to STEP 3.

Except in cases of termination, release from probation, or leave of absence, employees who receive an unsatisfactory performance evaluation must receive a follow-up evaluation. The follow-up evaluation shall cover a period of time no greater than ninety (90) calendar days from the date of the final review of the initial unsatisfactory evaluation.

Authorization shall be valid for sixty (60) calendar days from the date of signature.

The County reserves the right to withhold from employee review reports of an employee's pre-employment physical examination, records of an employee relating to investigation of possible criminal offense or other legally privileged records.

Employees shall be given an opportunity to read and initial any report to be added to their personnel files, but an employee shall not be required to sign any such report. An employee's signature on a report shall be understood to be acknowledgment of receipt and shall not be construed as agreement or disagreement with its content. If the employee refuses to sign any report, a notation to that effect may be entered on the document. A copy will be provided to the employee upon request.

An employee shall have the right to submit written comments regarding any document in their personnel file and to have such comments included in their personnel file along with the document.

11.4 Letters of Reprimand

If the reprimand is in the central Personnel Division files, the request must be directed to the Director of Human Resources. In acknowledging this right, the Association does not relinquish its right of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall report to SJDAIA, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.
