SAN JOAQUIN COUNTY DISTRICT ATTORNEY CHILD ABDUCTION TEAM QUESTIONNAIRE

INTRODUCTION

The Child Abduction Team (CAT) of the San Joaquin County District Attorney's Office exists to help persons recover children who have been abducted, concealed or detained and to prosecute those who violate criminal or civil laws related to child abduction; and to represent the Superior Court pursuant to Family Code Section 3130 et. Seq., when the Court orders the District Attorney to locate and recover missing children.

THE DISTRICT ATTORNEY DOES NOT REPRESENT YOU AS AN INDIVIDUAL

You are a witness/victim. The District Attorney only represents the People of the State of California in a criminal case and/or the Superior Court in a civil case.

THERE IS NO ATTORNEY/CLIENT RELATIONSHIP BETWEEN YOU AND THE OFFICE OF THE DISTRICT ATTORNEY

Any information you may provide the District Attorney's Office ***IS NOT CONFIDENTIAL***, and is subject to disclosure at the discretion of the Child Abduction Team and pursuant to law.

THE CHILD ABDUCTION TEAM HAS ABSOLUTE AND SOLE DISCRETION ON HOW TO PROCEED ON ANY GIVEN CASE

The decision to take a case to trial, plea bargain or dismiss a case is solely the decision of the Deputy District Attorney. ***ONCE WE TAKE YOUR CASE***, you ***MUST AGREE TO BE A WITNESS WHEN NEEDED***. If a defendant is convicted or pleads guilty, you, as a victim, have the right to address the sentencing judge prior to sentencing.

YOUR CASE WILL BE HANDLED BY AN INVESTIGATOR WHO MAY BE DIFFERENT FROM THE INVESTIGATOR WHO TOOK THE INITIAL REPORT.

THE ABSOLUTE PRIORITY OF THE UNIT IS TO LOCATE AND RECOVER CHILDREN WHO HAVE BEEN ABDUCTED.

VISITATION CASES WILL BE WORKED ONLY AS TIME AND RESOURCES ARE AVAILABE.

PROCEDURE

EXISTING COURT ORDER

1. In situations where a court order exists and the child is in San Joaquin County and the child's location is known, the District Attorney's Office will assist a parent in exercising his/her custodial rights in the following situations:
 - a. There is an existing valid court order issued by the court and signed by a judge defining each parent's custodial rights, and
 - b. The parent detaining or concealing the child has personal knowledge of the court order (personal knowledge is defined as being present in court when the court pronounced the order or being personally served with a copy of the court order), and
 - c. The denied parent has contacted the local law enforcement agency in whose jurisdiction he/she resides and has requested that the law enforcement agency to enforce the custody order. Prior to contacting the appropriate law enforcement agency, the parent must obtain certified copies of the last court order regarding custody. One of these certified copies must be filed with the Records Division of the local law enforcement agency. The second certified copy must be presented to the law enforcement officer who will attempt to assist a parent in enforcing the court order. If the local law enforcement agency's attempts to enforce the court order are unsuccessful or the agency cannot assist in enforcing the custody order, the parent must obtain a report from the law enforcement agency briefly stating the agency's attempts or inability to enforce the court order.
2. In situations where the whereabouts of the child is unknown, the District Attorney's Office will assist the parent in locating the child and exercising his/her custodial rights in situations which meet the criteria set forth in paragraphs 1a and b above.
3. When ordered by the San Joaquin County Superior Court, the District Attorney's Office will become involved in any case where a Petition to Determine Custody of a child has been filed in a court of competent jurisdiction or where a temporary order pending determination of custody has been entered and the whereabouts of a party in possession of the child are not known or there is a reason to believe that such party may not appear in the proceedings.

One certified copy of the Petition to Determine Custody or the temporary order pending determination of custody must be presented to the District Attorney's Office.

NO EXISTING COURT ORDER

4. As of January 1, 1997, Penal Code Section 278.5 makes it a crime for a person having a right of custody of a child (as defined in Section 7600 et. Seq., California Family Code Division 12) even in the absence of a court order determining custodial rights, to maliciously take, detain or conceal that child without good cause and with the intent to deprive the custody right of another person.

It is important that the parent falling in this category immediately initiate the necessary court action to obtain a custody order for the child.

5. Upon completion of the District Attorney's Child Abduction Questionnaire, the complaining parent should return the questionnaire to the Office of the District Attorney's Office, Investigations Bureau at 222 E. Weber Avenue, 7th Floor, Stockton, CA 95202, along with the following:
 - a) a certified copy of the last court order regarding custody;
 - b) copies of all law enforcement reports written regarding this violation, and
 - c) a current picture of the detaining parent and child(ren).
 - d) any material that may assist the Child Abduction Team in locating the detaining parent and child(ren). This includes correspondence such as letters, emails, telephone records, utility bills, child(ren) school records, medical records and other material deemed necessary by the Child Abduction Team Member.
6. It is imperative that the District Attorney's Child Abduction Team's Questionnaire be filled out completely and that a certified copy of the last court order regarding custody and a certified copy of any court order as described in paragraph number four be forwarded to the District Attorney's Office.
7. The victim parent needs to contact the District Attorney's Investigations Division and set-up an appointment for an interview with a Child Abduction Team member.

The Child Abduction Team members may normally be reached Monday through Friday, 8:00 a.m. to 4:30 p.m., at (209) 468-3620.

NOTICE OF LIABILITY

This is to advise you that pursuant to Section 3134 of the California Family Code, the District Attorney may request a hearing at the conclusion of this case. The court shall, if appropriate, allocate liability for the reimbursement of actual expenses incurred by the District Attorney's Office to ***EITHER*** or ***BOTH*** parties to the proceedings.
